The Man Of Reason Male And Female In Western Philosophy

Ulrike Tancke

The Man Of Reason Male And Female In Western Philosophy:

The Man of Reason Genevieve Lloyd, 2002-11-01 This new edition of Genevieve Lloyd's classic study of the maleness of reason in philosophy contains a new introduction and bibliographical essay assessing the book's place in the explosion of writing and gender since 1984

The Oxford Handbook of African American Theology Katie G. Cannon, Anthony B. Pinn, 2014-07-01 Named an Honor Book for Nonfiction by the Black Caucus of the American Library Association African American theology has a long and important history With modern roots in the civil rights movements of the 1960s African American theology has gone beyond issues of justice and social transformation to participate in broader dialogues of theological inquiry The Oxford Handbook of African American Theology brings together leading scholars in the field to offer a critical and comprehensive analysis of this theological tradition in its many forms and contexts Using an interdisciplinary approach this Oxford Handbook examines the nature structures and functions of African American Theology The volume surveys the field by highlighting its sources doctrines internal debates current challenges and future prospects in order to present key topics related to the wider palette of Black Religion in a sustained scholarly format This formative collection presents current scholarship on African American Theology and scripture eschatology Christology womanist theology sexuality ontology the global economy and much more The contributors represent a diverse set of faith perspectives adding to the layered discourses within the volume These essays further important discussions on the pressing debates and challenges that shape black and womanist theologies

For Fear of the Fire Françoise Meltzer, 2010-08-15 Why are contemporary secular theorists so frequently drawn to saints martyrs and questions of religion Why has Joan of Arc fascinated some of the most important thinkers of the twentieth century In a book that faces crucial issues in both critical and feminist inquiry Françoise Meltzer uses the story of Joan as a guide for reading the postmodern nostalgia for a body that is intact and transparent She argues that critics who place excessive emphasis on opposition and difference remain blind to their nostalgia for the pre-Cartesian idea that the body and mind are the same Engaging a number of theorists and alternating between Joan's historical and cultural context Meltzer also explores the ways in which postmodern thinkers question subjectivity She argues that the way masculine subjects imagine Joan betrays their fear of death and necessitates the role of women as cultural others enigmatic mysterious dark and impossible As such Joan serves as a useful model of the limits and risks of subjectivity For Meltzer she is both the first modern and the last medieval figure From the ecclesial jury that burned her to the theorists of today who deny their attraction to the supernatural the philosophical assumptions that inform Joan's story as Meltzer ultimately shows have changed very little

Moral Education for Women in the Pastoral and Pythagorean Letters Annette Huizenga, 2013-03-27 In *Moral Education for Women in the Pastoral and Pythagorean Letters* Philosophers of the Household Annette Bourland Huizenga examines the Greco-Roman moral philosophical curriculum for women by comparing these two pseudepigraphic epistolary collections The analysis is organized around four

elements textual resources teachers and learners instructional strategies and subject matter Huizenga shows that the author of the Pastorals has adopted nearly all of the pagan aspects of this curriculum but has supplemented these with theological justifications drawn from Pauline literature and traditions The letters attributed to female Pythagoreans have long been suggested as comparanda for the Pastorals but are not well known as sources This volume provides a Greek edition a new English translation and a text history of these letters [A Mind Of One's Own](#) Louise Antony,Charlotte Witt,2018-03-08 With philosophy so steeped in patriarchal tradition how is it possible for feminists to work within it In this volume 13 feminist theorists discuss whether traditional ideals of objectivity and rationality should be given a place within the committed feminist view of philosophy and the world ['Bethinke Thy Selfe' in Early Modern England](#) Ulrike Tancke,2010-01-01 Early modern women writers are typically studied as voices from the margin who engage in a counter discourse to patriarchy and whose identities prefigure postmodern notions of fragmented selfhood Studying a variety of literary forms autobiographical writings diaries mothers advice books poetry and drama this innovative book approaches early modern women s strategies of identity formation from an alternative angle their self writings should be understood as attempts to establish a coherent stable and convincing subjectivity in spite of the constraints they encountered While the authors acknowledge contradiction and ambiguity they consistently strive to compromise and achieve balance Drawing on social and cultural history feminist theory psychoanalysis and the study of discourses the close reading of the women s texts and other literary and non literary sources reveals that the female writers seek to reconcile the affective corporeal social economic and ideological dimensions of their identities and thereby question both the modern idea of the unified self and its postmodern fragmented variant The women s identities as writers mothers spouses household members and economic agents testify to their acceptance of contradictions their adherence to patriarchal norms and simultaneous self assertion Their pragmatic stances suggest that their simultaneous confidence and anxiety should be taken seriously as tentative precarious yet ultimately workable and convincing expressions of identity **International Encyclopedia of Men and Masculinities** Michael Flood,Judith Kegan Gardiner,Bob Pease,Keith Pringle,2007-08-07 The International Encyclopedia of Men and Masculinities offers a comprehensive guide to the current state of scholarship about men masculinities and gender around the world The Encyclopedia s coverage is comprehensive across three dimensions areas of personal and social life academic disciplines and cultural and historical contexts and formations The Encyclopedia examines every area of men s personal and social lives as shaped by gender covers masculinity politics the men s groups and movements that have tried to change men s roles presents entries on working with particular groups of boys or men from male patients to men in prison incorporates cross disciplinary perspectives on and examinations of men gender and gender relations gives comprehensive coverage of diverse cultural and historical formations of masculinity and the bodies of scholarship that have documented them The Encyclopedia of Men and Masculinities is composed of over 350 free standing entries written from their individual perspectives by eminent

scholars in their fields Entries are organized alphabetically for general ease of access but also listed thematically at the front of the encyclopedia for the convenience of readers with specific areas of interest

Contextualizing Gender in Early Christian Discourse Caroline Vander Stichele, Todd Penner, 2009-06-30 In this book Vander Stichele and Penner introduce their own gender critical approach to the New Testament and other early Christian writings Building on feminist and post colonial insights they explore the importance of gender in both text and context and discuss the diverse issues involved in interpretation as they relate to gender sex and sexuality The authors also set out their methodology and highlight the various hermeneutical issues involved such as the complexity of gendered and sexed identities in antiquity and the gap that exists between modern and ancient conceptions thereof They further illustrate their gender critical approach with concrete examples from the Acts of the Apostles the letters of Paul and the Acts of Paul and Thecla in order to demonstrate how a gender critical approach works in practice As such this book is unique in terms of its range as well as in the explicit methodological focus that is fostered throughout

Rights, Duties and the Body Rosamund Scott, 2002-08-05 If a pregnant woman refuses medical treatment needed by the fetus for instance for religious reasons or conducts some aspect of her life in a way which risks fetal harm there may arise an instance of maternal fetal conflict This is an unfortunate term since pregnant women are generally renowned for their self sacrificing behaviour but it may well reflect the reality of certain maternal choices and actions Should a pregnant woman have the legal right to refuse medical treatment needed by the fetus or should she owe it a legal duty of care which precludes her acting in ways which may harm it Does the debate hinge simply upon the appropriateness or otherwise of legally compelling presumed moral obligations or is it more complex than this Indeed what are a pregnant woman's moral obligations towards her fetus In England and in some US states courts have held that a pregnant woman has the right to refuse medical treatment needed by the fetus In similar fashion the idea of a general maternal legal duty of care toward the fetus has been rejected most recently in Canada The cases however leave the impression of an uncomfortable split between the ethics and the law as if the problem were entirely one of not legally enforcing presumed moral duties The effect is both puzzling and polarising puzzling in that the cases leave unanswered as largely they must the huge question of a pregnant woman's moral rights and duties polarising in that the cases leave troubling tensions about a pregnant woman's rights in the face of fetal harm or death The tendency is to deny these by ever more strongly asserting a woman's rights In turn this encourages a reaction in favour of fetal rights one which is unlikely to attend to a woman's interests and difficulties in pregnancy This could have serious legal repercussions for various instances of maternal fetal conflict including in those US states or other jurisdictions which have yet to address these issues It might also increase the pressures on the issue of abortion This book which seeks a way between these polarised positions tries to explain and justify a woman's moral and legal rights in pregnancy and at the same time to explore the extent of her moral duties toward the fetus The aim is to resolve as far as possible the ethical legal and social tensions which undoubtedly

surround this area Innovatively in work on this issue and unusually in the field of medical law and ethics the author adopts a joint philosophical and legal approach directed to issues both of principle and policy revealing strong conceptual links between the ethics and the law In addition to an ethical exploration of the maternal fetal relationship the author explores and analyses the relevant English American Canadian and sometimes Australian arguments from the law of treatment refusal abortion tort and rescue as well as relevant jurisprudence from the European Court of Human Rights This important book breaks new ground and will be of great interest to academics in law and philosophy lawyers health professionals policy makers and students of medical law and ethics It is rare to find a book which so skilfully combines legal and moral analysis of a controversial medical issue Rosamund Scott has produced what is undoubtedly one of the finest pieces of medico legal writing of recent years This is a clever human and immensely readable work Alexander McCall Smith Professor of Medical Law University of Edinburgh This book concerns one of the most personally agonizing and morally complex issues in medical ethics It is a work of great philosophical sophistication combining breadth of vision with acute sensitivity to the nuances of women s experiences It will soon become the standard work in philosophical legal and political debate on maternal fetal conflicts Roger Crisp Uehiro Fellow and Tutor in Philosophy St Anne s College Oxford *The Oxford Handbook of Epistemology* Paul K. Moser, 2002 This reference work discusses one of the core topics of philosophy the theory of knowledge Connecting to virtually every other subfield epistemology is central to mainstream philosophy This book explains the ideas and problems of the field while avoiding overly technical detail

While this might not be the The Man Of Reason Male And Female In Western Philosophy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Man Of Reason Male And Female In Western Philosophy eBooks, including some popular titles.

FAQs About The Man Of Reason Male And Female In Western Philosophy Books

What is a The Man Of Reason Male And Female In Western Philosophy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Man Of Reason Male And Female In Western Philosophy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Man Of Reason Male And Female In Western Philosophy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Man Of Reason Male And Female In Western Philosophy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Man Of Reason Male And Female In Western Philosophy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
