Gonzalez, 2010-10-01 An in depth look at Christian theology through Hispanic eyes It weaves the doctrinal formulations of the early church on creation the Trinity and Christology into contemporary theological reflection on the Hispanic struggle for liberation This volume offers a major theological statement from a respected theologian and author Richly insightful and unique *Manana* is one of the few major theological works from a Protestant representative of the Hispanic tradition Justo L. Gonzalez offers theological reflections based upon unique insights born of his minority status as a Hispanic American **On the Road: The Original Scroll** Jack Kerouac, 2007-08-16 The legendary 1951 scroll draft of *On the Road* published word for word as Kerouac originally composed it Though Jack Kerouac began thinking about the novel that was to become *On the Road* as early as 1947 it was not until three weeks in April 1951 in an apartment on West Twentieth Street in Manhattan that he wrote the first full draft that was satisfactory to him Typed out as one long single spaced paragraph on eight long sheets of tracing paper that he later taped together to form a 120 foot scroll this document is among the most significant celebrated and provocative artifacts in contemporary American literary history It represents the first full expression of Kerouac's revolutionary aesthetic the identifiable point at which his thematic vision and narrative voice came together in a sustained burst of creative energy It was also part of a wider vital experimentation in the American literary musical and visual arts in the post World War II period It was not until more than six years later and several new drafts that Viking published in 1957 the novel known to us today *On the Road* On the occasion of the fiftieth anniversary of *On the Road* Viking will publish the 1951 scroll in a standard book format The differences between the

two versions are principally ones of significant detail and altered emphasis The scroll is slightly longer and has a heightened linguistic virtuosity and a more sexually frenetic tone It also uses the real names of Kerouac's friends instead of the fictional names he later invented for them The transcription of the scroll was done by Howard Cunnell who along with Joshua Kupetz George Mouratidis and Penny Vlagopoulos provides a critical introduction that explains the fascinating compositional and publication history of *On the Road* and anchors the text in its historical political and social context

A Revelation of God Nelson Carvajal, 2007-02 Through his word even if it for the smallest thing you can still communicate with God all you have to do is raise your hands and the Lord will be there Through dreams it does not matter in the way you communicate with your god It can be with astrologers you are in god's hands that happened to Nabucodossor God spoke to him and a prophet had to come and tell him everything that God wanted Through visions God always has his ways to speak like Moses and Paul he always has his ways to get his word around Through the Holy Spirit God has his Spirit that speaks to us it's like the wind it blows from where ever it wants and it comes with a sensation of joy and of comfort Through Angels heaven and earth are filled with Angels and they are for you

On the Road Jack Kerouac, 2002-12-31 The classic novel of freedom and the search for authenticity that defined a generation One of The Atlantic's Great American Novels of the Past 100 Years *On the Road* chronicles Jack Kerouac's years traveling the North American continent with his friend Neal Cassady a sideburned hero of the snowy West As Sal Paradise and Dean Moriarty the two roam the country in a quest for self knowledge and experience Kerouac's love of America his compassion for humanity and his sense of language as jazz combine to make *On the Road* an inspirational work of lasting importance Kerouac's classic novel of freedom and longing defined what it meant to be Beat and has inspired every generation since its initial publication more than fifty years ago This Penguin Classics edition contains an introduction by Ann Charters For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
