The Manuscript History Of Craignish

Allan I. MacInnes

The Manuscript History Of Craignish:

The Manuscript History of Craignish [i.e. of the Campbells of Craignish] ... Edited by Herbert Campbell Alexander CAMPBELL (Advocate.), Herbert CAMPBELL (Genealogist), 1926 The Manuscript History of Craignish Alexander Campbell, 1926 *The Manuscript History of the Family of Craignish* Alexander Campbell, Herbert Campbell, 1922

Publications of the Scottish History Society Scottish History Society, 1888 **A History of the Highlands and the Highland clans** James Browne, 1873 Clanship, Commerce and the House of Stuart, 1603-1788 Allan I.

MacInnes, 2022-07-07 This is an appraisal of clanship both with respect to its vitality and its eventual demise in which the author views clanship as a socio economic as well as a political agency deriving its strength from personal obligations and mutual service between chiefs and gentry and their clansmen Its demise is attributed to the throwing over of these personal obligations by the clan elite not to legislation or central government repression The book discusses the impact on the clans of the inevitable shift with the passage of time from feudalism to capitalism regardless of the Forty Five It draws upon estate papers family correspondence financial compacts social bonds and recorded oral tradition rather than the biased records of central government

The Politics of Religion in the Age of Mary, Queen of Scots Jane E. A. Dawson, 2002-05-30 Early modern historians have theorized about the nature of the new British history for a generation This study examines how British politics operated in practice during the age of Mary Queen of Scots and explains how the crises of the mid sixteenth century moulded the future political shape of the British Isles A central figure in these struggles was the fifth earl of Argyll the most powerful magnate not only at the court of Queen Mary his sister in law but throughout the three kingdoms His domination of the Western Highlands and Islands drew him into the complex politics of the north of Ireland while his Protestant commitment involved him in Anglo Scottish relations His actions also helped determine the Protestant allegiance of the British mainland and the political and religious complexion of Ireland Argyll s career therefore demonstrates both the possibilities and the limitations of British history throughout the early modern period

A History of Clan Campbell: From origins to Flodden Alastair Campbell Campbell of Airds, Alastair Campbell, 2000 This is the first of three volumes that tells the full history of the clan in a depth never before attempted

A History of the Highlands and of the Highland Clans James Browne, 2024-03-08 Reprint of the original first published in 1843

A History of the Scottish Highlands, Highland Clans and Highland Regiments John S. Keltie, 1881
