For Pete's Sake Mary Tucciarone,2024-10-25 I am writing to introduce you to For Pete s Sake an 90 000 word story of an unexpected encounter that unfolds into unexpected love You will meet Pete a few days after I did As our relationship excitingly takes root another love enters and creates an inspiring love triangle I introduce them both to you with the sincerest of words lifted and flowing from the unknown and newly found depths of my spirit Get to know them both as they share the stage of my days and nights opening and exposing what lies within the heart of my heart and the heart of my soul This is not a witness from the ashes diary It is a witness of beautiful truth and a take your breath away love that is in all of us and so very worth the journey be it short or long A witness to learning waiting loving living and dying and happily ever after The gift of crafting these words comes from my dad and as you read this book you will learn more about me and the divine intervention that has blessedly nudged me to pursue publication I look forward to your feedback and input on making this shareable and memorable to all the hearts that turn these pages *The Shift* Dr. Wayne W. Dyer,2019-05-30 The Shift a companion book to the movie of the same name illustrates how and why to make the move from ambition to meaning Such a

shift eliminates our feelings of separateness illuminates our spiritual connectedness and involves moving from the ego directed morning into the afternoon of life where everything is primarily influenced by purpose As we contemplate leaving the morning of our life where ego has played a commanding role and entering the afternoon and evening where meaning and purpose replace ambition and struggle we may encounter unexpected occurrences that accompany this new direction It is almost a universal law that we will experience a fall of some kind Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose The Shift doesn't mean that we lose our drive and ambition it signifies that we become ambitious about something new We make a commitment to living a life based on experiencing meaning and feeling purposeful rather than never ending demands and false promises that are the trademark of the ego's agenda As Dr Wayne W Dyer so eloquently reveals in these pages we all have the choice to shift our lives from ambition to meaning and thereby complete our return to the Source that created us Small Press ,1996 *American Bookseller* ,1993
