only they didn't share so much past trauma **The Marine Makes Amends** Victoria Pade, 2021-01-01 How do you prove you've changed is the question asked in the first book of USA TODAY bestselling author Victoria Pade's new miniseries Micah Camden ruined Lexie Parker's life. That might have been years ago but now that she's back in Merritt to care for her grandmother who was hurt due to Micah's oversight she has no plans to forgive him. But the former marine knows that he made mistakes back then and hopes to make amends with Lexie if only so they can both move on from the past. Everyone says Micah's changed but it's going to take more than someone's word to convince her.
