The Good Little Girl Annette Stephens, 2012-10-15 On her eleventh birthday, Annette's parents gave her a cowgirl suit. She loved it; she put it on immediately and set off for her favourite playground in a nearby park. Some time later, she returned home, her flesh scraped and bruised, her brand new suit now dirty and torn. Annette didn't answer when her parents asked her what had happened. She didn't know what to say, so she kept quiet. She would keep quiet for a long time after that day. This powerful autobiography tells the sad story of a life stunted in childhood. Traumatized by a brutal assault, Annette retreats into herself. Many years pass before she seeks help; a friend recommends a personal development organisation. Before she knows it, she has fallen into the clutching hands of a cult called Kenja. Forsaking her children, her home, her job, and her finances, she devotes herself with a convert's zeal to Kenja's activities: doing menial jobs to raise money for its leaders, spending all of her life's savings on its courses, and recruiting members of the public to join its ranks. Over time, Annette realises that for all she has given to Kenja, she has not improved and is instead completely dependent on the group for her self-esteem. She wants to get out but finds herself unable to; she can't stop being the prey. When she eventually does act, having suffered further

assaults and witnessed others she is devastated forsaken and despised by the only community she has ever belonged to Determined to bring Kenja s leader to justice and in the process find some redemption and perhaps even peace for herself Annette embarks on a legal odyssey The Good Little Girl is Annette s story about a traumatic beginning and journey to a triumphant ending **Ebony** ,1971-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine On Michael Jackson Margo Jefferson,2006-01-10 The renowned Pulitzer Prize winning cultural critic brilliantly unravels the complexities of one of the most enigmatic figures of our time in this passionate incisive and bracing work of cultural analysis Who is Michael Jackson and what does it mean to call him a What Is It What do P T Barnum Peter Pan and Edgar Allan Poe have to do with our fascination with Jackson How did his curious Victorian upbringing and his tenure as a child prodigy on the chitlin circuit inform his character and multiplicity of selves How is Michael Jackson s celebrity related to the outrageous popularity of nineteenth century minstrelsy What is the perverse appeal of child stars for grown ups and what is the price of such stardom for these children and for us What uncanniness provoked Michael Jackson to become Alone of All His Race Alone of All Her Sex while establishing himself as an undeniably great performer with neo Gothic dandy proclivities and a producer of visionary music videos What do we find so unnerving about Michael Jackson s presumed monstrosity In short how are we all of us implicated In this stunning book Margo Jefferson gives us the incontrovertible lowdown on call him what you wish she offers a powerful reckoning with a quintessential richly allusive signifier of American society and popular culture **Cedar Forests, Cedar Ships** Sara A.
