Slave Genealogy A Research Guide With Case Studies:

Slave Genealogy David H. Streets, 1986 This excellent research guide provides a very clear discussion of slave genealogy with emphasis on the non plantation slaves and vividly demonstrates with three case studies drawn from the records of Wayne County Kentucky the research methods and types **Slave Ancestral Research** Mary L. Jackson Fears, 1995-01-01 Describes methods of research and records found while researching the family of Luverser Louisa McCrary the author's seventh generation slave ancestor Luverser McCrary was born ca 1780 in Baldwin County Georgia Her daughter Matilda was born ca 1825 in Baldwin County Georgia Matilda's husband Simon McCants was born ca 1815 in Virginia and taken to Georgia as a slave Matilda and Simon were married in 1866 as soon as they could legally marry The surnames McCrary and McCants were adopted from the family names of slave owners **A Genealogist's Guide to Discovering Your African-American Ancestors** Franklin Carter Smith, Emily Anne Croom, 2009-12 Tracing one's African American ancestry can be uniquely challenging This guide helps overcome the obstacles and pitfalls of specialized research by offering a proven three part approach **Finding Your African American Ancestors** David T. Thackery, 2000 Although the search for African American ancestry prior to the Civil War is challenging the difficulties are not always insurmountable Finding Your African American Ancestors takes you through your ancestors transition from slavery to freedom and helps you find them using the federal census plantation records and other helpful sources The book also considers ways to locate runaway slave advertisements to identify an ancestor's military regiment and to access the valuable information from The Freedman's Savings and Trust records **A Sourcebook for Genealogical Research** Foster Stockwell, 2015-09-18 Genealogists can sometimes require obscure resources when in search of information about ancestors Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking Many of the best resources are maintained regionally or even locally and aren't widely known This reference work serves as a guide to both beginning and experienced genealogy researchers The sourcebook is easily accessible and usable featuring approximately 270 entries on all aspects of genealogical research and family history compilation The entries are listed alphabetically and cross referenced so any researcher can quickly find the information he or she is seeking Each state and each of the provinces of Canada has its own entry other countries are listed under appropriate headings The author also provides more than 700 addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births deaths marriages or other life events in order to complete a family tree **Tracing Your Caribbean Ancestors** Guy Grannum, 2013-02-28 This book is ideal for anyone who is researching their Caribbean family history The National Archives and beyond The National Archives holds records for many people who lived in British West Indian colonies such as emigrants plantation owners slaves soldiers sailors and transported criminals The Archives also hold the colonial office records for the British West Indies This includes state correspondence to and from the

colonies and passenger lists Tracing Your Caribbean Ancestors also shows readers how to use family history sources and genealogy websites and indexes beyond The National Archives Fully updated and revised this new edition covers recent developments in Caribbean archives including details of newly released information and archives that are now available online This book outlines the primary research sources for those tracing their Caribbean ancestry and describes details of access to archives further reading useful websites and how to find and accurately search family history sources As Britain does not hold locally created records of its dependencies such as church records this book doubles as a gateway to the local history sources throughout the Caribbean that remain in each country s archives and register office This book will be of use to anyone researching family history in British Caribbean countries of Anguilla Antigua Bahamas Barbados British Virgin Islands Cayman Islands Dominica Grenada Jamaica Montserrat St Kitts and Nevis St Lucia St Vincent Trinidad and Tobago and the Turks and Caicos Islands as well as Guyana Belize and Bermuda

Genealogy For Dummies Matthew L. Helm, April Leigh Helm, 2017-06-20 The fun way to research your family history Genealogy For Dummies 8th Edition covers everything you need to know about starting a genealogical research project including where and how to find information how to communicate with other online genealogists how to leverage social networking sites and apps how to add digital images to your family tree and how to build your own site for sharing information It also explains the use of compiled genealogies U S Census information and public access catalogs Brand new to this edition is content on how to conduct genealogical research on the road and on how to take this research and integrate it into the data found at home It also contains new information on DNA research and testing new geocoding applications to record geographic data into a genealogical database and other new technologies The book covers which apps are worth your money and how to get the most out of them Use the latest tools to research family history Create your own site to showcase your family tree digital images and compiled genealogies Get access to free versions of Legacy Family Tree and Personal Ancestral Files Utilize both online and offline research techniques and tools Follow the clues to uncover your family s legacy and have fun along the way
