## Slavery In The American Mountain South:

**Slavery in the American Mountain South** Wilma A. Dunaway, 2003 Wilma Dunaway breaks new ground by focusing on slave experiences on small plantations in the Upper South. She argues that a region was not buffered from the political, economic, and social impacts of enslavement simply because it was characterized by low black population density and small slaveholdings. By drawing on a massive statistical data base derived from antebellum census manuscripts and county tax records of 215 counties in nine states, on a vast array of slaveholder manuscripts, and on regional slave narratives, she pinpoints several indicators that distinguished Mountain South enslavement from the Lower South. Appalachians and Race John C. Inscoe, 2001-12-01 African Americans have had a profound impact on the economy, culture, and social landscape of southern Appalachia, but only after a surge of study in the last two decades have their contributions been recognized by white culture. Appalachians and Race brings together 18 essays on the black experience in the mountain South in the nineteenth century. These essays provide a broad and diverse sampling of the best work on race relations in this region. The contributors consider a variety of topics: black migration into and out of the region; educational and religious missions directed at African Americans; the musical influences of interracial contacts; the political activism of blacks during reconstruction and beyond; the racial attitudes of white highlanders; and much more. Drawing from the particulars of southern mountain experiences, this collection brings together important studies of the dynamics of race not only within the region but throughout the South and the nation over the course of the turbulent nineteenth century. *The African-American Family in Slavery and Emancipation* Wilma A. Dunaway, 2003-04-14 Table of contents **The Routledge Companion to Literature of the U.S. South** Katharine A. Burnett, Todd Hagstette, Monica Carol Miller, 2022-07-11 The Routledge Companion to Literature of the U.S. South provides a collection of vibrant and multidisciplinary essays by scholars from a wide range of backgrounds working in the field of U.S. southern literary studies. With topics ranging from American studies, African American studies, transatlantic or global studies, multiethnic studies, immigration studies, and gender studies, this volume presents a multi-faceted conversation around a wide variety of subjects in U.S. southern literary studies. The Companion will offer a comprehensive overview of the southern literary studies field, including a chronological history from the U.S. colonial era to the present day and theoretical touchstones, while also introducing new methods of reconceiving region and the U.S. South as inherently interdisciplinary and multi-dimensional. The volume will therefore be an invaluable tool for instructors, scholars, students, and members of the general public who are interested in exploring the field further, but will also suggest new methods of engaging with regional studies, American studies, American literary studies, and cultural studies. Owsley County, Kentucky, and the Perpetuation of Poverty John R. Burch, Jr., 2015-03-12 Owsley County, Kentucky, is well known by journalists, academics, and local historians as a quintessential example of rural poverty in Appalachia. This study identifies several reasons behind Owsley County's ongoing struggle with poverty, including the county's lack of natural resources, a poor transportation system, and a centralized

socio political power structure controlled by the entrenched elite The author asserts that Owsley County s economic hardships are far from unique but rather are representative of a significant number of Appalachian counties and towns Several tables and appendices provide useful demographic legislative and agricultural data Slaves for Hire John J. Zaborney,2012-10-12 In *Slaves for Hire* John J Zaborney overturns long standing beliefs about slave labor in the antebellum South Previously scholars viewed slave hiring as an aberration a modified form of slavery involving primarily urban male slaves that worked to the laborer s advantage and weakened slavery s institutional integrity In the first in depth examination of slave hiring in Virginia Zaborney suggests that this endemic practice bolstered the institution of slavery in the decades leading up to the Civil War all but assuring Virginia s secession from the Union to protect slavery Moving beyond previous analyses Zaborney examines slave hiring in rural and agricultural settings along with the renting of women children and elderly slaves His research reveals that like non hired out slaves these other workers experiences varied in accordance with sex location occupation economic climate and crop prices as well as owners and renters convictions and financial circumstances Hired slaves in Virginia faced a full range of oppression from nearly full autonomy to harsh exploitation Whites of all economic occupational gender ethnic and age groups including slave owners and non slave owners rented slaves regularly Additionally male owners and hirers often transported slaves to those who worked them and acted as agents for white women who wished to hire out their slaves Ultimately widespread white mastery of hired slaves allowed owners with superfluous slaves to offer them for rent locally rather than selling them to the Lower South establishing the practice as an integral feature of Virginia slavery *Bridging Revolutions* Joseph A. Ranney,2023-02-01 *Bridging Revolutions* examines the lives of North Carolina chief justice Richmond Pearson 1805 1878 and South Carolina chief justice John Belton O Neall 1793 1863 and their impact on the South s transition from a slave to a free society Joseph A Ranney documents how the two judges fought to preserve the Union and protect basic civil rights for both white and Black southerners before and after the Civil War Pearson s and O Neall s lives were marked by contrarianism and controversy Prior to the Civil War they took important steps to soften slave law during times marked by calls for more discipline and control of slaves O Neall a committed Unionist resisted his state s nullification movement during the 1830s and put an end to that movement with a crucial 1834 decision Pearson was the only southern supreme court justice whose service spanned the antebellum Civil War and Reconstruction eras During the Civil War he stoutly defended North Carolinians civil rights against incursions by the central Confederate government After the war he urged the South to accept the world as it is rather than oppose civil rights for freed slaves and he did more than any other southern judge to protect those rights and to reshape southern state law Examined in conjunction the two judges colorful public and private lives illuminate the complex relationship between southern law and culture during times of deep crisis and change **The Other Irish** Karen F McCarthy,2011-11-01 What do Mark Twain Neil Armstrong and John McCain have in common Theyre all descendants of a merry group of Scots Irish

braggarts that crossed the Atlantic from Ireland in the early 1700s and settled in Americas South Also known as the Other Irish this wild bunch of patriotic rebellious fervently religious rascals gave us the NRA at least fourteen presidents decisive victories in the Revolutionary War a third of todays US Military country music Star Wars the Munchkins American style Democracy and even the religious right not to mention NASCAR whose roots go back to Prohibition era moonshine runners Yet few Americans are familiar with the Other Irish or their contributions to American culture Now author and documentary filmmaker Karen McCarthy shines a probing light on this fascinating topic illuminating the extent to which the Scots Irish helped weave the fabric of our nation

Appalachians All Mark T. Banker, 2011-05-01 Appalachians All intertwines the histories of three communities Knoxville with its urban life Cades Cove with its farming logging and tourism legacies and the Clearfork Valley with its coal production to tell a larger story of East Tennessee and its inhabitants Combining a perceptive account of how industrialization shaped developments in these communities since the Civil War with a heartfelt reflection on Appalachian identity Mark Banker provides a significant new regional history with implications that extend well beyond East Tennessee s boundaries Writing with the keen eye of a native son who left the area only to return years later Banker uses elements of his own autobiography to underscore the ways in which East Tennesseans particularly successful urban dwellers often distance themselves from an Appalachian identity This understandable albeit regrettable response Banker suggests diminishes and demeans both the individual and region making stereotypically Appalachian conditions self perpetuating Whether exploring grassroots activism in the Clearfork Valley the agrarian traditions and subsequent displacement of Cades Cove residents or Knoxville efforts to promote trade tourism and industry Banker s detailed historical excursions reveal not only a profound richness and complexity in the East Tennessee experience but also a profound interconnectedness Synthesizing the extensive research and revisionist interpretations of Appalachia that have emerged over the last thirty years Banker offers a new lens for constructively viewing East Tennessee and its past He challenges readers to reconsider ideas that have long diminished the region and to re imagine Appalachia And ultimately while Appalachians All speaks most directly to East Tennesseans and other Appalachian residents it also carries important lessons for any reader seeking to understand the crucial connections between history self and place

On Slavery's Border Diane Mutti Burke, 2010-12 On Slavery's Border is a bottom up examination of how slavery and slaveholding were influenced by both the geography and the scale of the slaveholding enterprise Missouri s strategic access to important waterways made it a key site at the periphery of the Atlantic world By the time of statehood in 1821 people were moving there in large numbers especially from the upper South hoping to replicate the slave society they d left behind Diane Mutti Burke focuses on the Missouri counties located along the Mississippi and Missouri rivers to investigate small scale slavery at the level of the household and neighborhood She examines such topics as small slaveholders child rearing and fiscal strategies the economics of slavery relations between slaves and owners the challenges faced by slave families sociability among enslaved and free Missourians within rural

neighborhoods and the disintegration of slavery during the Civil War Mutti Burke argues that economic and social factors gave Missouri slavery an especially intimate quality Owners directly oversaw their slaves and lived in close proximity with them sometimes in the same building White Missourians believed this made for a milder version of bondage Some slaves who expressed fear of being sold further south seemed to agree Mutti Burke reveals however that while small slaveholding created some advantages for slaves it also made them more vulnerable to abuse and interference in their personal lives In a region with easy access to the free states the perception that slavery was threatened spawned white anxiety which frequently led to violent reassertions of supremacy

**Broken Chains and Subverted Plans** Christopher C. Fennell,2016-12-15 Using two case studies in the Virginia back country and the Midwestern frontier in Illinois Fennell argues that individuals and their families were able to affect economic development and the plans of government and wealthy elites Provided by publisher

*Remembering Reconstruction* Carole Emberton,Bruce E. Baker,2017-04-12 Academic studies of the Civil War and historical memory abound ensuring a deeper understanding of how the war s meaning has shifted over time and the implications of those changes for concepts of race citizenship and nationhood The Reconstruction era by contrast has yet to receive similar attention from scholars *Remembering Reconstruction* ably fills this void assembling a prestigious lineup of Reconstruction historians to examine the competing social and historical memories of this pivotal and violent period in American history Many consider the period from 1863 beginning with slave emancipation to 1877 when the last federal troops were withdrawn from South Carolina and Louisiana an unfinished revolution for civil rights racial identity formation and social reform Despite the cataclysmic aftermath of the war the memory of Reconstruction in American consciousness and its impact on the country s fraught history of identity race and reparation has been largely neglected The essays in *Remembering Reconstruction* advance and broaden our perceptions of the complex revisions in the nation s collective memory Notably the authors uncover the impetus behind the creation of black counter memories of Reconstruction and the narrative of the tragic era that dominated white memory of the period Furthermore by questioning how Americans have remembered Reconstruction and how those memories have shaped the nation s social and political history throughout the twentieth century this volume places memory at the heart of historical inquiry *Fierce Desires* Rebecca L.

Davis,2024-09-03 One of The New Yorker s Best Books of the Year A Washington Post Notable Book of the Year A Kirkus Reviews Best Book of the Year From an esteemed scholar a richly textured authoritative history of sex and sexuality in America the first major account in three decades Our era is one of sexual upheaval Roe v Wade was overturned in the summer of 2022 school systems across the country are banning books with LGBTQ themes and the notion of a tradwife is gaining adherents on the right while polyamory wins converts on the left It may seem as though debates over sex are more intense than ever but as acclaimed historian Rebecca L Davis demonstrates in *Fierce Desires* we should not be too surprised because Americans have been arguing over which kinds of sex are acceptable and which are not since before the founding

itself From the public floggings of fornicators in early New England to passionate same sex love affairs in the 1800s and the crackdown on abortion providers in the 1870s and from the movements for sexual liberation to the recent restrictions on access to gender affirming care Davis presents a sweeping engrossing illuminating four hundred year account of this nation s sexual past Drawing on a wealth of sources including legal records erotica and eighteenth century romance novels she recasts important episodes Anthony Comstock s crusade against smut among them and at the same time unearths stories of little remembered pioneers and iconoclasts such as an indentured servant in colonial Virginia named Thomas Thomasine Hall Gay Liberation Front cofounder Kiyoshi Kuromiya and postwar female pleasure activist Betty Dodson At the heart of the book is Davis s argument that the concept of sexual identity is relatively novel first appearing in the nineteenth century Over the centuries Americans have shifted from understanding sexual behaviors as reflections of personal preferences or values such as those rooted in faith or culture to defining sexuality as an essential part of what makes a person who they are And at every step legislators police activists and bureaucrats attempted to regulate new sexual behaviors transforming government in the process The most comprehensive account of America s sexual past since John D Emilio and Estelle Freedman s 1988 classic *Intimate Matters* Davis s magisterial work seeks to help us understand the turmoil of the present It demonstrates how fiercely we have always valued our desires and how far we are willing to go to defend them

**Appalachian Ecocriticism and the Paradox of Place** Laura Wright, Jessica Cory, 2023-05 Ecocriticism and Appalachian studies continue to grow and thrive in academia as they expand on their foundational works to move in new and exciting directions When researching these areas separately there is a wealth of information However when researching Appalachian ecocriticism specifically the lack of consolidated scholarship is apparent With *Appalachian Ecocriticism and the Paradox of Place* editors Jessica Cory and Laura Wright have created the only book length scholarly collection of Appalachian ecocriticism *Appalachian Ecocriticism and the Paradox of Place* is a collection of scholarly essays that engage environmental and ecocritical theories and Appalachian literature and film These essays many from well established Appalachian studies and southern studies scholars and ecocritics engage with a variety of ecocritical methodologies including ecofeminism ecospiritualism queer ecocriticism and materialist ecocriticism to name a few Adding Appalachian voices to the larger ecocritical discourse is vital not only for the sake of increased diversity but also to allow those unfamiliar with the region and its works to better understand the Appalachian region in a critical and authentic way Including Appalachia in the larger ecocritical community allows for the study of how the region its issues and its texts intersect with a variety of communities thus allowing boundless possibilities for learning and analysis

Waste of a White Skin Tiffany Willoughby-Herard, 2015-01-06 A pathbreaking history of the development of scientific racism white nationalism and segregationist philanthropy in the U S and South Africa in the early twentieth century *Waste of a White Skin* focuses on the American Carnegie Corporation s study of race in South Africa the Poor White Study and its influence on the creation of apartheid This book demonstrates the ways in which U S elites

supported apartheid and Afrikaner Nationalism in the critical period prior to 1948 through philanthropic interventions and shaping scholarly knowledge production Rather than comparing racial democracies and their engagement with scientific racism Willoughby Herard outlines the ways in which a racial regime of global whiteness constitutes domestic racial policies and in part animates black consciousness in seemingly disparate and discontinuous racial democracies This book uses key paradigms in black political thought black feminism black internationalism and the black radical tradition to provide a rich account of poverty and work Much of the scholarship on whiteness in South Africa overlooks the complex politics of white poverty and what they mean for the making of black political action and black people s presence in the economic system Ideal for students scholars and interested readers in areas related to U S History African History World History Diaspora Studies Race and Ethnicity Sociology Anthropology and Political Science      *Slavery and Freedom in the Shenandoah Valley during the Civil War Era* Jonathan A. Noyalas,2022-11-01 This book examines the complexities of life for African Americans in Virginia s Shenandoah Valley from the antebellum period through Reconstruction showing how enslaved and free African Americans resisted slavery and supported the Union war effort in a borderland that changed hands frequently during the Civil War      Appalachian Epidemics Christopher M. White, Kevin T. Barksdale,2025-01-14 As the COVID 19 virus swept across the nation in spring 2020 infection and hospitalization rates in states like West Virginia remained relatively low By that July each of Appalachia s 423 counties had recorded confirmed cases The coronavirus pandemic has taken an enormous toll on the health of individuals and institutions throughout the region a stark reminder that even isolated rural populations are subject to historical biological ecological and geographical factors that have continually created epidemics over the past millennia In *Appalachian Epidemics* From Smallpox to COVID 19 scholars from diverse disciplinary backgrounds assess two centuries of public health emergencies and the subsequent responses This volume peers into the trans Appalachian South s experience with illness challenging the misconception that rurality provides protection against maladies In addition to surveying the impact of influenza polio and Lyme disease outbreaks *Appalachian Epidemics* addresses the less understood social determinants of health The effects of the opioid crisis and industrial coal mining complicate the definition of disease and illuminate avenues for responding to future public health threats From the significance of regional stereotypes to the spread of misinformation and the impact of racism and poverty on public health policy *Appalachian Epidemics* makes clear that many of the natural political and socioeconomic forces currently shaping the region s experiences with COVID 19 and other crises have historical antecedents      *I Freed Myself* David Williams,2014-04-21 This book examines the many ways in which African Americans made the Civil War about ending slavery Abraham Lincoln s primary goal was to save the Union rather than to absolve the institution of slavery yet slaves who escaped to Union lines refused to fight for the Union while remaining enslaved ultimately forcing Lincoln to disband the institution      *Race Relations at the Margins* Jeff Forret,2006-07-01 Covering a broad geographic scope from Virginia to South Carolina between 1820 and 1860 Jeff Forret

scrutinizes relations among rural poor whites and slaves a subject previously unexplored and certainly under reported Forret s findings challenge historians long held assumption that mutual violence and animosity characterized the two groups interactions he reveals that while poor whites and slaves sometimes experienced bouts of hostility often they worked or played in harmony and camaraderie *Race Relations at the Margins* is remarkable for its focus on lower class whites and their dealings with slaves outside the purview of the master Race and class Forret demonstrates intersected in unique ways for those at the margins of southern society challenging the belief that race created a social cohesion among whites regardless of economic status As Forret makes apparent colonial era flexibility in race relations never entirely disappeared despite the institutionalization of slavery and the growing rigidity of color lines His book offers a complex and nuanced picture of the shadowy world of slave poor white interactions demanding a refined understanding and new appreciation of the range of interracial associations in the Old South

*21st Century Sociology: A Reference Handbook* Clifton D. Bryant, Dennis L. Peck, 2007 Publisher Description

Slavery In The American Mountain South: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Slavery In The American Mountain South : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

### **Slavery In The American Mountain South Introduction**

Slavery In The American Mountain South Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Slavery In The American Mountain South Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Slavery In The American Mountain South : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Slavery In The American Mountain South : Has an

extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Slavery In The American Mountain South Offers a diverse range of free eBooks across various genres. Slavery In The American Mountain South Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Slavery In The American Mountain South Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Slavery In The American Mountain South, especially related to Slavery In The American Mountain South, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Slavery In The American Mountain South, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Slavery In The American Mountain South books or magazines might include. Look for these in online stores or libraries. Remember that while Slavery In The American Mountain South, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Slavery In The American Mountain South eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Slavery In The American Mountain South full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Slavery In The American Mountain South eBooks, including some popular titles.

### **FAQs About Slavery In The American Mountain South Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,

enhancing the reader engagement and providing a more immersive learning experience. Slavery In The American Mountain South is one of the best book in our library for free trial. We provide copy of Slavery In The American Mountain South in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Slavery In The American Mountain South. Where to download Slavery In The American Mountain South online for free? Are you looking for Slavery In The American Mountain South PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Slavery In The American Mountain South. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Slavery In The American Mountain South are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Slavery In The American Mountain South. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Slavery In The American Mountain South To get started finding Slavery In The American Mountain South, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Slavery In The American Mountain South So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Slavery In The American Mountain South. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Slavery In The American Mountain South, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Slavery In The American Mountain South is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Slavery In The American Mountain South is universally compatible with any devices to read.
