In this beautifully designed book, discover the relaxing craft of needle felting and learn how to make delightful creations to use and wear. Following the basic method, many of the patterns can be resized, and with the addition of techniques such as darning, patching, and stitching, the home crafter can adapt each design to make their very own creations. Including clear step by step photos and concise instructions, the patterns are easy to follow even for complete beginners. No previous needle felting experience is needed. All projects are designed to appeal to a broad base of crafters who will enjoy the added mixed media interest and the opportunity to take a basic pattern and develop it to suit their own needs. The projects range from the quick and easy, such as small Easter Egg Dangles, to the more complex, such as a Winter Gingerbread Village. Wearable designs include an Autumn Fox Bangle and a Midsummer Rose Corsage. This new and innovative approach to needle felting widens the creative possibilities beyond the core twenty patterns, so the maker can choose to flex their creative wings and discover new approaches to the craft.
