The Trying Flapeze and Other Puzzle Poems, 2004 In this engrossing selection of puzzle poems you will find anagrams anagriddles crosswords inside out words hidden words and much much more This book will provide hours of entertainment for anyone who enjoys puzzling and word games as well as being a highly satisfying collection of cleverly conceived poetry An original and unusual approach to poetry that will appeal to a wide variety of readers One in a series of three books to be published simultaneously in time for National Poetry Day John Foster's books for OUP have sold over 1 million copies and he is widely recognised as this country's leading poetry anthologist for children Revisiting Vietnam Julia

Bleakney, 2013-09-13 This book explores the memorializing practices of American veterans of the Vietnam War at several of the most significant contemporary sites of memory in the United States and Vietnam These sites include veterans memoirs museum exhibits replicas of the National Vietnam Veterans Memorial and tourism to Vietnam Because war memorializing has since the late 1960s shifted focus from national soul searching to personal identity and recovery I emphasize how contemporary narratives of the war shaped more by memory than by history often are detached from the specific history of the war and its political controversies Drawing on trauma and cultural memory scholarship as well as empirical data gathered during field research in the U S and Vietnam the author examines how veterans memorializing practices have become increasingly individualized commodified and conservative since the early 1980s Kodaks Guy Alby Buell, 1900
