

"Abba Kovner wrote about his impending death with a broken heart—a heart laid open to longing, to memory, to love, to the ugly details of cancer treatment. The Sloan-Kettering poems are unsentimentally, passionately, furiously alive."

**Swimming in a Sea of Death** David Rieff, 2008-01-08 Both a memoir and an investigation Swimming in a Sea of Death is David Rieff's loving tribute to his mother the writer Susan Sontag and her final battle with cancer Rieff's brave passionate and unsparing witness of the last nine months of her life from her initial diagnosis to her death is both an intensely personal portrait of the relationship between a mother and a son and a reflection on what it is like to try to help someone gravely ill in her fight to go on living and when the time comes to die with dignity Rieff offers no easy answers Instead his intensely personal book is a meditation on what it means to confront death in our culture In his most profound work this brilliant writer confronts the blunt feelings of the survivor the guilt the self questioning the sense of not having done enough And he

tries to understand what it means to desire so desperately as his mother did to the end of her life to try almost anything in order to go on living Drawing on his mother s heroic struggle paying tribute to her doctors ingenuity and faithfulness and determined to tell what happened to them all *Swimming in a Sea of Death* subtly draws wider lessons that will be of value to others when they find themselves in the same situation *The Stark Beauty of Last Things* Céline Keating,2025-07-30 *The Stark Beauty of Last Things* is set in Montauk the far reaches of the famed Hamptons an area under looming threat from a warming climate and overdevelopment Now outsider Clancy a thirty six year old claims adjuster scarred by his orphan childhood has inherited an unexpected legacy the power to decide the fate of Montauk s last parcel of undeveloped land Everyone in town has a stake in the outcome among them Julianne an environmentalist and painter fighting to save the landscape that inspires her art Theresa a bartender whose trailer park home is jeopardized by coastal erosion and Molly and Billy who are struggling to hold onto their property against pressure to sell When a forest fire breaks out Clancy comes under suspicion for arson complicating his efforts to navigate competing agendas for the best uses of the land and to find the healing and home he has always longed for Told from multiple points of view *The Stark Beauty of Last Things* explores our connection to nature and what we stand to lose when that connection is severed *Midrash & Medicine* William Cutter,2011 This volume examines the spiritual shortfalls of our current healing environment and explores how midrash can help you see beyond the physical aspects of healing to tune in to your spiritual source **The Healing Art** Rafael Campo,2003 In this book Rafael Campo restores the link between poetry and healing in lyrical prose that also offers pharmaceutical samples of work by a diverse group of poets such as Mark Doty Marilyn Hacker Miroslav Holub Audre Lorde Lucia Perillo and William Carlos Williams He leads us through the stages of illness and recuperation from first inklings of mortality through symptoms diagnosis and treatment and finally recovery or and here medicine recoils but poetry perseveres death and even immortality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**Jewish Currents**, 2003      Reading and Writing Cancer Susan Gubar, 2016-05-17 An important addition to the literature of cancer by an award winning scholar and memoirist Elaborating upon her Living with Cancer column in the New York Times Susan Gubar helps patients caregivers and the specialists who seek to serve them In a book both enlightening and practical she describes how the activities of reading and writing can right some of cancer's wrongs To stimulate the writing process she proposes specific exercises prompts and models In discussions of the diary of Fanny Burney the stories of Leo Tolstoy and Alice Munro numerous memoirs novels paintings photographs and blogs Gubar shows how readers can learn from art that deepens our comprehension of what it means to live or die with the disease From a writer whose own memoir *Memoir of a Debulked Woman Enduring Ovarian Cancer* was described by the New York Times Book Review as moving and instructive and incredibly brave this volume opens a path to healing      The Representation of the Holocaust in Literature and Film Marc Lee Raphael, 2003      **Shifting Borders** Walter M. Cummins, 1993 Although their subjects styles and techniques often differ in total these poems make clear the distinctions between the nature of poetry in Eastern Europe and that in the West While several of the languages represented here are limited to a small number of speakers each has a commitment to the central role of poetry in the history of its people and as a source of their unity      *Sunshot*, 2006 The Devil's Highway crosses a stretch of borderland desert in northern Mexico where many immigrants have traveled and too many have died It is a despoblado where desperate people defend secret places But it is also known as El Gran Desierto a place where stately saguaros stand near aromatic elephant trees where sand dunes caress the edges of jagged granite mountains where one can watch bighorn sheep in the morning and whales in the afternoon Over the years desert rat Bill Broyles has ventured repeatedly into this sunshot landscape slogged across its salt flats and sand dunes and defied its deadly heat This book chronicles his years of exploration a vivid and personal introduction to a thorny but ultimately enchanting place that manages to endear itself over time if it doesn't kill you first Michael Berman's stark black and white photographs capture the desolate beauty of the desert while conveying a sense of Broyles' adventures Gleaned from more than 4 000 images shot with a large format camera these exquisite photographs translate the desert's formidable monotone into finely tuned studies of light and represent some of the best photos ever taken of this mysterious region El Gran Desierto is a grand desert indeed with beauty spirit and mystery rivaling any place on Earth and anyone captivated by the earlier explorations of

Lumholtz Ives or Hornaday or by Edward Abbey's love of desert places will revel in these modern day adventures Sunshot defies the stereotype of a punishing wilderness to show how even the most perilous desert can be alluring if approached with knowledge and respect

**Soul Matters** Mabel Aghadiuno, Jas Kalsi, 2017-11-22 In recent years many have come to believe that Western medicine has lost contact with holistic conceptions of health as encompassing physical emotional intellectual social and spiritual dimensions Spiritual may imply religious or faith based values or experience but also non material factors such as an appreciation of natural beauty art music moral values or beliefs from which a person draws meaning and a sense of transcendence Equally many people are unaware of a spiritual dimension to life and health until illness or trauma strikes However coming to terms with life events deriving meaning from them and incorporating them into their life philosophy may then be experienced as a deep spiritual crisis with ramifications in their wider health and implications for the health professionals who treat them This book considers the meaning of holistic health care and explores the spiritual dimension of health through the narratives of fictional and non fictional patients It discusses how to discern when a patient's distress has a spiritual dimension the implications of this for health professionals and ways in which spiritual factors can be addressed and discussed within healthcare When it comes to questions about meaning and purpose such as what is the point of all this A or why is this happening to me A when we meet patients in the depths of despair at the prospect of imminent death when we ourselves feel hopeless and overwhelmed in the face of an avalanche of human suffering then we begin to struggle We do not know what we could do nor even what we should do Our professional training doesn't help We are stuck With this beautiful book Mabel Aghadiuno comes to our rescue Christopher Dowrick in his Foreword
