Innovation Partnerships Between Small and Large Firms: Possibilities and Threats Walter M. Jenny, 2007

Small Firm Formation and Regional Economic Development Mike Danson, 2002-09-26 This work examines the role of new firm formation in regional economic development While the focus is on Scotland the strong policy orientation and comparative treatment mean that the issues covered have a much wider application and interest Commercialisation and Innovation Strategy in Small Firms Tim Mazzarol, Sophie Reboud, Delwyn Clark, Monique Moore, Peter Malone, Geoffrey N. Soutar, 2022-06-30 This book focuses on the process of commercialisation and innovation management in small firms Although commercialisation and new product development NPD has been covered quite extensively relatively little attention has been given to how small to medium enterprises SMEs engage with these issues The book explores this topic in depth taking a close look at the reasons why decisions are made and mapping this behaviour against established theories and best practice models of NPD and commercialisation The book uses case studies to analyse the relationship between entrepreneurial decision making and commercialisation and investigates how and why NPD and commercialisation decisions are made which offers valuable insights from both a theoretical and applied perspective Status and Future of Small Business United States. Congress. Senate. Committee on Small Business, 1967 Pioneers in Entrepreneurship and Small Business Research H. Landstrom, 2007-12-31 Around the world there is an increasing interest in issues of small business and entrepreneurship In a time with a lot of myths and opinions of the role of entrepreneurs and small business it is vital for a book like this to encapsulate the knowledge that can be gained from the most significant research contributions in the field Such knowledge is often build upon empirical oriented methods providing policy relevant results for small business owners and entrepreneurs The aim of Pioneers in Entrepreneurship and Small Business Research is first to provide a historical doctrinal review of the development of entrepreneurship and small business research and second to present some of the key pioneers that have shaped the research field during the past three decades The book focuses on the first recipients of the FSF NUTEK International Award for Small Business Research including David Birch Arnold Cooper David Storey Ian MacMillan Howard Aldrich Zoltan Acs David Audretsch and Giacomo Becattini The Growth of Firms Alex Coad, 2009-01-01 Research into firm growth has been accumulating at a terrific pace and Alex Coad s survey of this multifaceted field provides a detailed comprehensive overview of the latest developments Much progress has been made in empirical research into firm growth in recent decades due to factors such as the availability of detailed longitudinal datasets more powerful computers and new econometric techniques This book provides an up to date catalogue of empirical work as well as a coherent theoretical structure within which these new results can be interpreted and understood It brings together a large body of recent research on firm growth from a multidisciplinary perspective providing an up to date synthesis of stylized facts and empirical regularities Numerous empirical findings and theories of firm growth are also surveyed and

compared in order to evaluate their validity Drawing on a vast and diverse body of research this book will prove invaluable to students academics policy makers and practitioners with a need to keep abreast of studies in industrial organization firm growth and management **IBSS: Economics: 1995** Compiled by the British Library of Political and Economic Science at the London School of Economics,1996 The IBSS is the essential tool for librarians university departments research institutions and any public or private institutions whose work requires access to up to date and comprehensive knowledge of the social sciences
