

The background of the book cover is a painting of a courtyard in a Middle Eastern or North African setting. In the foreground, three women are walking away from the viewer. They are wearing dark, full-length robes and head coverings. The woman on the left is wearing a greyish-blue headscarf, while the other two are in black. They are walking on a light-colored, possibly stone or sandy, path. In the background, there is a building with multiple arches and columns, suggesting a palace or a large residence. The architecture is made of light-colored stone or plaster. The sky is a pale, hazy blue. The overall style is that of a classical or modernist painting, with visible brushstrokes and a somewhat somber, contemplative mood.
