Tempting Disaster:

Tangerinephant Kevin Dole 2,2005 *Tangerinephant* by Kevin Dole 2 THIS IS THE WAY TENSION BUILDS Michael
Tangerinephant has problems He s on the outs with his cyborg prostitute girlfriend He s in trouble with his formerly criminal
syndicate He s been framed to take the fall in a trillion dollar stock scandal Things seem like they can really get no worse
when aliens abduct him and force him to reenact 20th century daytime television The Chill are strange The Chill are
deranged Unpleasant things begin to swim towards the surface of his sub conscious in their presence They might drive him
crazy if he isn t there already A swirling vortex of science fiction satire and surrealism *Tangerinephant* will suck you in and
chop you into moonrocks *Tangerinephant* is one of the most wildly imaginative books I ve read in years Carlton Mellick III
author of *Satan Burger* The world of Kevin Dole 2 is vibrant irreverent and most of all important His is the kind of jubilation
found only among madmen and geniuses John Edward Lawson author of *Pocket Full of Loose Razorblades* **Last Burn in
Hell** John Edward Lawson,2019-11-30 The bizarre prison sex horror road trip exploding with alien invasion action Kenrick
Brimley the state prison s official gigolo hangs over a lava pit on trial for his life in a strange land He will reveal the course of
his life one misguided step at a time for his captors From his romance with serial arsonist Leena Manasseh to his lurid angst
affair with a lesbian music diva from his ascendance as unlikely pop icon to otherworldly encounters the one constant truth is
that he s got no clue what he s doing As unrelenting as it is original *Last Burn in Hell* is John Edward Lawson at his most
scorching intensity serving up sexy satire and postmodern pulp with his trademark day glow prose The Director s Cut edition
includes Deleted scenes Alternate ending Photo stills Remastering for more enjoyable viewing And more The critics agree
Last Burn in Hell is an exceptional creature as far as books go Lawson is an exception to the business of comparison in that
his voice is a worthwhile addition to the chorus of authors following the trend most prominently presented in Palahniuk s
body of work An earnest but wry honesty in writing exploring the paradoxes of our contemporary American society Scott
Lefebvre for *Icons of Fright* I like writers who say things that you re not supposed to say and Lawson s fiction is exhilarating
in its anarchic rebelliousness obscene crude sacrilegious and explosively intelligent Write aholic From hereon forth I will not
be able to bring up Vonnegut without speaking of Lawson John Edward Lawson could contest the throne that Chuck
Palahniuk sits upon with the masses of college students looking for something different a voice of the counter culture
Skullring.org John Edward Lawson is very much a man of ideas one need only read his poetry to understand that and *Last
Burn in Hell* Director s Cut shows that not only is he constantly coming up with new ones but he is also unlikely to run out of
them anytime soon it would very likely appeal to fans of *The World According to Garp* and it deserves that large and diverse
audience *Somebody Dies* In *Last Burn in Hell* John Edward Lawson takes us on an insane trip where predicting what happens
next is virtually impossible This book draws the reader in right from the beginning and continues to be laugh out loud funny
and nightmarishly scary to the very end It ranks right up there with other bizarre cult classics like *Satan Burger* *The Swallow*

s Tail **Campus**, 1981 Love, Accidentally Jaime Clevenger, 2021-11-01 Sure lesbians love to bring a U Haul on the second date But what happens when the U Haul crashes For Amelia Stone it s a literal question as much as a figurative one When plans to move in with her girlfriend go sideways she s left with more questions about their future than answers It doesn t help that she s spending far more time with the paramedic who came to her rescue than the woman she s supposed to be in love with When Finn Douglas responds to a routine traffic accident the last thing she s looking for is love But something about Amelia pulls her in The more time they spend together the more it feels like Amelia might be The One If only Amelia didn t have her life all planned out with a woman who isn t Finn A Mile High City Romance **The Horrible** John Edward Lawson, 2019-11-30 Lawson s second poetry collection mixes the humorous with the grotesque in a bizarre collection of new and previously published poetry This volume showcases his more story like poems many of which are favorites at his readings Appearances by Pee Wee Herman the hook hand of urban legend and the Egyptian god Anubis will have you laughing despite yourself This second edition contains over 30 pages of bonus material featuring Lawson at his most bizarre and irreverent Collected poetry from previous publications The Horrible gives you tiny tastes of the horrific dementia and wonderfully imagined regurgitations of Lawson s own nightmare bucket He leaves you with images that will remain long after you ve finished reading something akin to shadows in the aftermath of an A Bomb Kelli Owen for HorrorWeb *Chinese* Jasper Becker, 2015-08-10 A lively first hand portrait of Chinese society by a veteran British resident correspondent It starts at the bottom of the pyramid with a picture of the very poorest and ends with an account of the wealthy ruling elite The book was written in 1998 but is still relevant today as the basic structure of Chinese society has not changed and the issues and challenges remain the same It shows how China works in the context both of its long history and its more recent Communist past *Letters to the Editor of Cthulhu Sex Magazine* Oliver Baer, 2019-09-25 *Discouraging at Best* John Edward Lawson, 2019-11-30 Already known for his works of speculative fiction author John Edward Lawson uses *Discouraging at Best* to take a look at the real world On the pages within are five interlinked tales that when pieced together paint a panorama of apathy greed and manipulation We follow the self inflicted plight of working class families and their efforts to step on others in the race to get ahead We watch the petty wars of Nobel laureates We become immersed in the minds of those caught in an ankle biters rebellion We are drawn into the intrigues and incompetence of those pulling the strings at the highest level of government And ultimately we wonder why Here the absurdity of the mundane expands exponentially creating a tidal wave that sweeps reason away For those who enjoy satire bizarro literature or a good old fashioned slap to the senses *Discouraging at Best* offers extra helpings of each The content of the stories moves from profoundly disturbing to surrealistically hysterical giving the book a manic texture John Edward Lawson has written a powerful work with *Discouraging at Best* Its stories are strong enough to stand on their own but when taken in the thematic context of the rest of the book they reveal added levels of meaning Raw Dog Screaming Press has a real winner on their

hands a disturbing thought provoking wildly humorous book Highly recommended Jeff Burk for The Dream People A genuinely funny yet serious collection demonstrating that satire is indeed the vital blood of bizarre fiction and it should be read by anyone who shares the opinion that America is a ship of fools that is slowly sinking and all one can do is sigh and laugh at the sight of its going down disheartened but amused Bust Down the Door and Eat All the Chickens Providing the reader with a mosaic like narrative comprised of different voices and perspectives Lawson s approach is both imaginative and hilarious in its pairings juxtapositions and contrasts Discouraging at Best is an accomplished and enjoyable read A fabulous introduction to John Edward Lawson s work as well as a treat for long time fans these stories are stylistically innovative and engaging Highly recommended Midwest Book Review **One Hot Summer** Melissa Cutler,2016-04-05 Welcome to Dulcet Texas home of the legendary Briscoe Ranch Resort where one woman will discover that even love is bigger in the Lone Star State Celebrity wedding planner Remedy Lane is Hollywood royalty until a scandal sends her packing to the wilds of Texas She has a knack for leaving disaster in her wake but she s determined to reboot her career at Briscoe Ranch a luxury resort known for extravagant weddings Little does she know that weddings don t happen at the resort without the approval of the town s cowboy swaggering too hot for his own good fire chief Micah Garrity ONE HOT SUMMER Micah knows trouble when he sees it and all it takes is one glimpse of Remedy s princess airs for him to know he s met his match Too bad he can t stop thinking about her even when she brings about one disaster after another at the resort He and Remedy clash at every turn but they can t stop the sparks flying between them They come from such different worlds does love stand a chance or will this fire burn too hot for either of them to handle Don t miss the first book in Melissa Cutler s One and Only Texas series

A Product of Their Time Wayne Ward,2017-02-15 A unique breed of men and women emerged from the latter part of the nineteenth century Some risked their lives on the footropes of sailing ships others rose to prominence in industry politics and government Many forged new lives in far off lands but all were joined by a common thread to grasp a rapidly changing world and claim a niche in history Olaf Johansson sailed halfway around the world to find his destiny on the banks of a river of little significance when compared to the great waterways of the world but for an arid continent a vital artery of commerce Along its crumbling red clay banks and verdant redgum forests old penal colonies strove for nationhood eventually achieving independence though never fully casting off the yoke of its old colonial master A Product of Their Time is a saga of survival men and women overcoming the brutal and iron fisted rule of privilege class and authority The Unfinished Garden Barbara Claypole White,2012-08-28 A mesmerizing tale of fear loss and love a novel as beautiful and complex dark and light sweet and sensuous as Tilly s beloved garden Joanne Rendell author of The Professors Wives Club James Nealy is haunted by irrational fears and inescapable compulsions A successful software developer he s thrown himself into a new goal to finally conquer the noise in his mind And he has a plan He ll confront his darkest fears and build something beautiful a garden When he meets Tilly Silverberg he knows she holds the key even if she doesn t think so After her husband s death gardening

became Tilly's livelihood and her salvation Her thriving North Carolina business and her young son Isaac are the excuses she needs to hide from the world So when oddly attractive incredibly tenacious James demands that she take him on as a client her answer is a flat no When a family emergency lures Tilly back to England she's secretly glad With Isaac in tow she retreats to her childhood village which has always stayed obligingly the same Until now Her best friend is keeping secrets Her mother is plotting Her first love is unexpectedly temptingly available And then James appears on her doorstep Away from home James and Tilly forge an unlikely bond tenuous at first but taking root every day And as they work to build a garden together something begins to blossom between them despite all the reasons against it I found the writing style in *The Unfinished Garden* reminiscent of Rosamunde and Robin Pilcher As a fan of both I truly enjoyed this book Julie Kibler author of *Calling Me Home*

The Paradise War Stephen Lawhead, 2010-08-24 From the dreaming spires of Oxford Lewis Gillies drives north to seek a mythical creature in a misty glen in Scotland Expecting little more than a weekend diversion Lewis finds himself in a mystical place where two worlds meet in the time between times and in the heart of a battle between good and evil The ancient Celts admitted no separation between this world and the Otherworld the two were delicately interwoven each dependent on the other *The Paradise War* crosses the thin places between this world and that as Lewis Gillies comes face to face with an ancient mystery and a cosmic catastrophe in the making

Small Crimes in an Age of Abundance Matthew Kneale, 2010-08-20 The author of the award winning novel *English Passengers* takes readers around the world in twelve deftly crafted stories that illuminate the uncertainties of life at home and abroad Matthew Kneale received high praise for the prize winning *English Passengers* an epic romp on the high seas and across nineteenth century cultures ingeniously woven together by a multitude of narrators In *Small Crimes In An Age of Abundance* Kneale brings his mastery of storytelling to our present morally ambiguous world Set in lands ranging from England to China South America the Middle East and Africa these powerfully themed stories follow ordinary people as they try to survive and make sense of their worlds We follow a well intentioned English family who leave their tour group in China to travel alone and collide with the ruthless side of the country slowly becoming complicit in its violence a ploddingly respectable London lawyer who chances upon a stash of cocaine and realizes it offers the wealth and status he hungers for a salesman in Africa who becomes caught up in a riot that turns his life upside down a self doubting suicide bomber Kneale transports readers across continents in a nanosecond reaching to the heart of faraway societies with rare perceptiveness As the stories gain momentum tense funny and always compassionate they make readers see the world in a new way At times reminiscent of Julian Barnes's *A History of the World in 10 1/2 Chapters* at times Primo Levi's *The Periodic Table* *Small Crimes In An Age of Abundance* is a groundbreaking book by a master narrator of the uncertainties of our time

Every Seven Years and I Don't Remember Cindy I. Wilson, 2024-09-18 *Every Seven Years and I Don't Remember* My grandmother always said life changes every seven years Sometimes for better Sometimes for worse In the book *Every Seven Years* a young American draft dodger meets the love of

his life at a Canadian lake The far reaching arm of the United States War with Vietnam makes it necessary for the young draft dodger to disappear without saying good bye As the lives of these two young lovers move forward separately will my grandmother s saying prove to be true And will they meet again In the book I Don t Remember a wealthy young woman starts a new life after she wakes with amnesia caused by an accident Was it just an accident or something more sinister a possible kidnapping attempt Time will tell As she is constructing her new life and moving forward she meets someone and falls head over heels in love with him Then suddenly he is gone The circumstances of his disappearance are beyond belief Will she wait hoping for his return or will a new love step in to claim her heart In each book there is a disappearance In each book there is a love found then lost Each book has a new love who steps into the picture Each book has a reunion In each book there is a difficult choice to be made In each book One true love wins out in the end Love and mystery for ladies 12 years to 112 years

Venter,2017-04-30 When the world held its breath It is 25 years since the end of the Cold War now a generation old It began over 75 years ago in 1944long before the last shots of the Second World War had echoed across the wastelands of Eastern Europewith the brutal Greek Civil War The battle lines are no longer drawn but they linger on unwittingly or not in conflict zones such as Iraq Somalia and Ukraine In an era of mass produced AK 47s and ICBMs one such flashpoint was the LevantIt is axiomatic that the recent history of much of the Eastern Mediterranean is linked to the creation of the state of Israel in May 1948 incontestably so The country emerged from a series of conflicts and these have continued intermittently ever since fuelled as much by ArabIsraeli enmity national pride and territorial aspirations as hostile neighbours Syria Jordan Lebanon and Egypt and in the latter phases Iran were all part of it There were rich pickings in the regions for the two great powers of the Cold War as they aligned with one side or the other the Soviets in full support of Arab interests and the Jewish State enjoying the support of Washington That combination not only led to several Middle Eastern wars but as we are able to observe in todays news reports the knock on effect continues in Lebanon Jordan Egypt and Syria especially For much of the period under review it was Lebanon that took the brunt of it with

resident Christian Sunni Shiite as well as Israeli interests deploying multiple levels of force much of it clandestine to jockey for predominance Throughout land sea and air forces were involved Al Venter has devoted a good deal of his career towards covering these developments from the early 1970s all the way through to the end of the Lebanese civil war in 1991 He has been to war with both Arab and Jew he was with the IDF strike force headed by Ariel Sharon when he entered Beirut in 1982 spent time in Syria visited that countrys southern front adjacent to the Golan Heights been on combat missions with the Israeli backed South Lebanese Army in the Druze homeland adjacent to Mount Heron and has been embedded with the Lebanese Force Command along Beiruts Green Line where many of his photos used in this publication were taken Venter also spent a lot of time in South Lebanon with UNIFIL the United Nations Interim Force in Lebanon and was able to observe from up close the growing influence of the Pasdaran Tehrans surrogate force in the region that eventually spawned Hezbollah His last visit in 1997 included contacts while hosted by Lebanese President General mile Lahoud with senior Iranian supported Hezbollah elements in Beirut one of few Western correspondents to have achieved this distinction
