Ten Canadian Plays:

Canadian Plays from Hart House Theatre Vincent Massey, 1927 *The Great Canadian Book of Lists* Randy Ray, Mark Kearney, 1999-09-01 Who were Canada's ten most romantic couples of the twentieth century? What were this country's worst disasters, its ten best beers, and its most controversial works of art in the past one hundred years? Where will you find the most haunted places in Canada, and who are Canada's greatest heroes, its most accomplished athletes, and its most despised criminals? The Great Canadian Book of Lists chronicles a century of achievements, trends, important and influential people, and fascinating events that have shaped this country as it heads into a new millennium. Award-winning writers Mark Kearney and Randy Ray, who have delighted readers with their bestselling books *The Great Canadian Trivia Book* and *The Great Canadian Trivia Book 2*, turn the spotlight on the twentieth century to determine the best, worst, and most significant happenings in our lives. Not content with supplying a shopping list of items about Canada, Kearney and Ray provide plenty of details to support why certain people and events are included on the lists. And their statistical snapshots, comparing a variety of societal trends over different years, show readers how Canada has changed in the course of the past century. You'll also learn how experts from the worlds of science, sports, lifestyle, literature, and politics rate the personalities and events that have made Canada what it is today. And several guest celebrities weigh in with lists they've created exclusively for *The Great Canadian Book of Lists*. Enlightening, controversial, and fun, *The Great Canadian Book of Lists* is bound to start as many arguments as it settles. Was Guy Lafleur a better hockey player than Rocket Richard? Why are rower Silken Laumann and actress Margot Kidder on the same list? What were the best Canadian novels of the twentieth century? And what are some key milestones achieved by Canadian women, medical doctors, inventors, and musicians? Innovations and flops, successes and failures, comebacks and breakthroughs, record setters and trend setters: You'll find them all in *The Great Canadian Book of Lists*.

Vickery, Glen F. Nichols, Allana C. Lindgren, 2022-10-06 *Canadian Performance Documents and Debates* provides insight into performance activities from the seventeenth century to the early 1970s and probes important yet vexing questions about Canada as a country and a concept. The volume collects playscripts and archival material to explore what these documents tell us about the values, debates, and priorities of artists and their audiences from the past 400 years. Analyses throughout rethink the significance of theatre, dance, opera, circus, and other performance genres and events. This landmark collection challenges readers to reconsider Canadian theatre and performance history. Foreword by Jerry Wasserman. Contributors: Clarence S. Bayne, Kym Bird, Justin A. enthusiastically welcomed by Canadians Was television in its early years more innovative less commercial and more Canadian than current offerings In this study of what is often called the golden age of television Paul Rutherford has set out to dispel some cherished myths and to resurrect the memory of a noble experiment in the making of Canadian culture He focuses on three key aspects of the story The first is the development of the national service including the critical acclaim won by Radio Canada the struggles of the CBC s English service to provide mass entertainment that could compete with the Hollywood product and the effective challenge of private television to the whole dream of public broadcasting The second deals with the wealth of made in Canada programming available to please and inform viewers even commercials receive close attention Altogether Rutherford argues Canadian programming reflected as well as enhanced the prevailing values and assumptions of the mainstream The final focus is on McLuhan s Question What happens to society when a new medium of communications enters the picture Rutherford s findings cast doubt upon the common presumptions about the awesome power of television Television in Canada Rutherford concludes amounts to a failed revolution It never realized the ambitions of its masters or the fears of its critics Its course was shaped not only by the will of the government the power of commerce and the empire of Hollywood but also by the desires and habits of the viewers **The Duncan Campbell Scott Symposium** K.
