

THE EVOLVING AMERICAN PRESIDENCY SERIES

Series Foreword:

The American Presidency touches virtually every aspect of American and world politics. And the presidency has become, for better or worse, the vital center of the American and global political systems. The Framers of the American government would be dismayed at such a result. As invented at the Philadelphia Constitutional Convention in 1787, the Presidency was to have been a part of a government shared and overlapping powers, embedded within a separation-of-powers system with there was a vital center, it was the Congress; the Presidency was to be a part, but by no means, the centerpiece of that system.

Over time, the presidency has evolved and grown in power, expectations, responsibilities, and authority. Wars, crises, depressions, industrialization, all served to add to the power of the presidency. And as the United States grew into a world power, presidential power also grew. As the United States became the world's leading superpower, the presidency rose in prominence and power, not only in the U.S., but on the world stage.

It is the clash between the presidency as invented and the presidency as it has developed that inspired this series. And it is the importance and power of the modern American presidency that makes understanding the office so vital. Like it or not, the American Presidency stands at the vortex of power both within the United States and across the globe.

This Palgrave series recognizes that the Presidency is and has been an evolving institution, going from the original constitutional design as a Chief Clerk, to today where the president is the center of the American political constellation. This has caused several key dilemmas in our political system, not the least of which is that presidents face high expectations with limited constitutional resources. This causes presidents to find extra-constitutional means of governing. Thus, presidents must find ways to bridge the expectations/power gap while operating within the confines of a separation-of-powers system designed to limit presidential authority. How presidents resolve these challenges and paradoxes is the central issue in modern governance. It is also the central theme of this book series.

Ten Presidents And The Press American Presidents And The Press Ser:

The Press, Presidents, and Crises Brigitte Lebens Nacos, 1990

The Presidents vs. the Press Harold

Holzer, 2020-08-25 An award winning presidential historian offers an authoritative account of American presidents attacks on our freedom of the press The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR's public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation

The Press and the Modern Presidency Louis W. Liebovich, 2001-06-30 Scandal and sex sell even in the serious business of presidential news coverage The media deference shown to Kennedy and the scrutiny applied to Clinton illustrate the changed relation between the two and bookend this pertinent updated 1998 Choice Outstanding Academic Book award winner Liebovich tackles misconceptions about the media's role in politics how chief executives cooperate with and manipulate the press as it suits their needs and how ratings pressures have bent coverage of elections and the Executive Branch for the worse Well written thorough and the only book to explore the changing relation between the press and the presidency in the later twentieth century students and researchers alike will profit from reading this work written by one of America's leading scholars in the field For students interested in communications history or contemporary American politics it is an unparalleled administration by administration introduction to the complex and intertwined workings of two of the most powerful and influential forces at work in American politics today It furthermore

provides researchers with a solid historical explanation of how both presidential politics and political news coverage have come to be popularly reviled and discounted *The Press and the Ford Presidency* Mark J. Rozell, 1992 Examines the press's treatment of Gerald Ford's presidency **The American Presidents, Washington to Tyler** Robert A. Nowlan, 2014-01-10 As of 2012 only 43 men have held the office of the President of the United States Some have been sanctified and some reviled This historical work addresses the careers of the first ten presidents men who made vital contributions not only to the office of the presidency but to the course of the fledgling nation From Washington through Tyler every term is recounted in detail and each presidential profile provides as many as a hundred quotations with full source notes by the president his friends family historians and others Each profile ends with an extensive bibliography of books about the president his principles and policies and also provides suggestion for further reading Rigorously nonpartisan in approach this detail rich text describes the early years of what may well be one of the most demanding jobs in the world **George Washington and the Origins of the American Presidency** William D. Pederson, Mark J. Rozell, Frank J. Williams, 2000-07-30 This essay collection is a retrospective analysis of the Washington administration's importance to the understanding of the modern presidency Contemporary presidential scholarship gives little attention to the enormous impact that Washington's actions had on establishing the presidency Most contemporary literature starts with 1933 and although FDR's impact on the development of the modern institution of the presidency is undeniable Washington's actions in office also established standards for practices that continue to this day This analysis of the Washington presidency begins with an examination of Washington's leadership and its relevance to the modern presidency The second group of essays looks at different aspects of presidential powers and the precedents established by the Washington administration The third section examines Washington's press coverage looking at the origins of Washington's image and the various myths in the press as well as the president's difficult relations with his contemporary press A thoughtful and important corrective that will be of interest to scholars students and researchers involved with the American presidency and its history *The Oxford Handbook of the American Presidency* George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field The Oxford Handbook of the American Presidency provides the key point of reference for anyone working in American politics today *Masculinity, Media, and the American Presidency* Meredith Conroy, 2016-04-08 This book analyzes the way media describe presidential candidates character and the degree to which this discourse maintains a preference for masculinity in our politics using content analysis of major print new media outlets *The Obama Presidency* Bert A. Rockman, Andrew Rudalevige, Colin Campbell, 2011-07-26 In the latest volume in this classic series Rockman Rudalevige and Campbell once again bring together top notch scholars this time to take a comprehensive look at the first two years of Barack Obama's presidency Assessing Obama's political strategy as well as his administration's successes and setbacks chapter authors critically examine a presidency marked by continued partisanship major policy battles and continued global turmoil

Donald J. Trump's Presidency Chuka Onwumechili, 2023-12-04 This book captures Donald J Trump s presidency by addressing the remarkable tropes that defined that period It offers research based investigations of the communicative aspects of Trump s presidency with a focus on race immigration xenophobia and social conflicts as they interact with communication The book utilizes research data to capture critical moments of the presidency Chapters examine metadiscourse during President Trump s press events where he accused the media of Nasty Question and Fake News offer computational framing analysis to expose the communication of racism and xenophobia in US Mexico cross border wall discourses and provide critical textual analysis of select episodes of CW s critically acclaimed TV show Jane the Virgin exposing how citizenship or lack thereof shapes one s relationship to the state and surrounding communities They also offer textual analysis to demonstrate how a predominantly White newsroom differs from a newsroom that is racially diverse against the backdrop of the coverage of two politically charged issues of Black Lives Matter and Deferred Action for Childhood Arrivals DACA and explore interdisciplinary concepts related to understanding immigrants and sojourners believability evaluation of disinformation Donald J Trump s Presidency will be a key resource for scholars and researchers of communication studies political communication media and cultural studies race and ethnic studies and political science while also appealing to anyone interested in the communicative aspects of Trump s presidency and American politics This book was originally published as a special issue of the Howard Journal of Communications

America's First Ladies Nancy Hendricks, 2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the nation together in its infancy and advance it as a world power More than simply serving as America s hostesses many of the nation s First Ladies played vital roles in shaping their husband s presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America s First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon s army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady s legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public

Guide to the Presidency Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to

selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office

[Air University Quarterly Review](#) ,1969 **The Development of the American Presidency** Richard J. Ellis,2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump's norm breaking and Biden's efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden's presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump's two impeachments Examination of presidential emergency powers with special attention to Trump's border wall declaration Review of Biden's and Trump's impact on the judiciary Assessment of Biden's and Trump's place in political time

Ten Presidents And The Press American Presidents And The Press Ser Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ten Presidents And The Press American Presidents And The Press Ser has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ten Presidents And The Press American Presidents And The Press Ser has opened up a world of possibilities. Downloading Ten Presidents And The Press American Presidents And The Press Ser provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ten Presidents And The Press American Presidents And The Press Ser has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ten Presidents And The Press American Presidents And The Press Ser. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ten Presidents And The Press American Presidents And The Press Ser. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ten Presidents And The Press American Presidents And The Press Ser, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ten Presidents And The Press American Presidents And The Press Ser has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ten Presidents And The Press American Presidents And The Press Ser Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ten Presidents And The Press American Presidents And The Press Ser is one of the best book in our library for free trial. We provide copy of Ten Presidents And The Press American Presidents And The Press Ser in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ten Presidents And The Press American Presidents And The Press Ser. Where to download Ten Presidents And The Press American Presidents And The Press Ser online for free? Are you looking for Ten Presidents And The Press American Presidents And The Press Ser PDF? This is definitely going to save you time and cash in something you should think about.
