Steps That Can Save Your Life Barb Rogers,2009-09-01 Real life stories from people working twelve step programs and practical advice from the author of Addiction Grief Clean and sober twenty days or twenty years it makes no difference We all need a little help every once in a while Barb Rogers has been sober for a long time And she knows that doesn't make a difference what makes a difference is that she's clean and sober today Rogers's newest book offers true stories from real life people Their addictions have led them to a twelve step program Yet in working the program they have found as the saying goes things are simple but not always easy The important thing is no matter what difficulties we have with any of the steps is to keep working the steps as many times as it takes There is no perfection there is no goal there is only walking the talk one day at a time In 12 Steps That Can Save Your Life Barb Rogers once again offers down home sensible advice along with stories a struggling reader can identify with Twelve step programs are neither cult curse nor cure They work because they are ongoing because the focus is inward and outward and because people recognize that their lives are better when they work them Praise for 12 Steps That Can Save Your Life This small book offers great insight hope education and the invitation to celebrate or even to recommit to the 12 Step journey if one has wandered away I have been on this path for 34 years and thoroughly enjoyed hearing Barb's stories and sharing in her joy about the miracle recovery has given her and so many others Karen Casey Ph D author of Let Go Now Barb Rogers does it again In plain language she explains the simple 12 Step program that has saved so many lives It saved mine and yours could be next Elizabeth Engstrom author of The Northwoods Chronicles Barb shows how the 12 Steps can be applied to overcome any problem destroying your life When she says the Steps can save your life it isn't just a hook to get you to buy the book it is a reality Allen Berger Ph D author of 12 More Stupid Things that Mess Up Recovery If Barb Rogers were the Lone Ranger her latest book would be a silver bullet left in her wake 12 Steps That Can Save Your Life is a powerful tool Earnie Larsen author of Stage II Recovery Life Beyond Addiction

Practical Steps Toward Culturally Responsive K-12 Literacy Instruction Christy Howard,Mikkaka Overstreet,Anne Swenson Ticknor,2024-08-22 Howard Overstreet and Ticknor build on the framework they established in their first book It's Not One More Thing They extend their practical how to strategies for enacting culturally responsive and affirming literacy instruction in K-12 classrooms specific to literacy assessment engaging texts used for literacy instruction and navigating and resisting barriers They build on their experiences and research of CRP to offer vignettes of literacy instruction that may be

common in K 12 classrooms These examples are offered to situate how teachers may use research based and effective literacy practices while ignoring the identities and experiences of their students They then disrupt the vignettes using theories and concepts presented in the chapter to make visible how each practice could be reimaged to integrate more culturally responsive strategies Example lessons and activities are provided in each chapter that offer readers glimpses into CRP thinking and decision making Guiding prompts are also included for readers to use the chapter topic and example lessons to consider ways to be more culturally responsive teachers for their students and in their local communities
