Ten Theologians Respond to the Unification Church Herbert Warren Richardson, Durwood Foster, 1981-01-01 **The Unification Church in America** Michael L. Mickler, 1987 **A Cult Challenge to the Church** Wm. W. Wells, 2020-08-07

The Moonies like most of the new religious movements of the sixties and seventies are a pale reflection of their former selves but the problem they addressed is still very much with us for most people the church does not represent the will of God well if at all These are the real stories of a non Christian confronting Christians I present this in the spirit of love for all Christians as I am now one of you **The Unification Church: Outreach** Michael L. Mickler, 1990 Unification Insights into Marriage and Family: The Writings of Dietrich F. Seidel Jennifer P. Tanabe, Dietrich F. Seidel, 2016-12-09 A collection of the writings of Dr Dietrich F Seidel compiled and edited by Dr Jennifer P Tanabe Dietrich Seidel was born in Austria during World War II and trained as a scientist in Vienna Raised Catholic he later converted to Unificationism and never lost his faith in God a faith which guided his life and illuminates his work This selection reflects Dr Seidel s ability to unify and harmonize even those apparently at odds such as science and religion and his specialty married couples in need of counseling In his writings on marriage and family enrichment readers will find practical advice on improving their relationship with their spouse child rearing making God central to their family and finding true love all presented in an enjoyable and easy to read style Other articles show a more scholarly form and topic such as human nature and the love of God Reflective pieces on his experiences as a Unificationist are also included in this collection **Cult Controversies** James A. Beckford, 1985 Fall Narratives Zohar Hadromi-Allouche, Áine Larkin, 2016-12-01 Throughout history the motif of the Fall has impacted upon our understanding of theology and philosophy and has had an influence on everything from literature to dance Fall Narratives brings together theologians historians and artists as well as philosophers and scholars of religion and literature to explore and reflect on a wide range of concepts of the Fall Bringing a fresh understanding of the nuanced meanings of the Fall and its various manifestations over time and across space contributions reflect on the ways in which the Fall can be seen as a transition into absence how conceptions of the Fall relate to change and shape one another and how the Fall can be seen positively embracing as it does a narrative of hope **The Family and the Unification Church** Gene G. James, 1983
