Ten Things I Learned Wrong From A Conservative Church:

Ten Things I Learned Wrong from a Conservative Church John Killinger, 2002 In this elegant memoir the author reveals what he learned from his upbringing and how with trust in God and compassion for others his faith matured **Outgrowing Church, 2nd ed.** John Killinger, 2019-10-23 Why are so many people drifting away from today's churches John Killinger suggests that part of the problem is that they have personally outpaced the thinking and understanding of the church so that they no longer find it adequate as a social structure for the celebration of their faith In their attempts to find Jesus and his teachings relevant within the new culture they strike out on their own or adhere to para-Christian organizations that retain an allegiance to Jesus without the baggage of the traditional institution Killinger a former big steeple minister and theologian describes how he himself has been forced essentially to abandon the church in order to remain faithful to the beliefs and ideals that first drew him into it *50 Core Truths of the Christian Faith* Gregg R. Allison, 2018-02-06 Those looking for a single resource that collects clear teachings on the most important doctrines of Christianity need look no further than Gregg Allison's *50 Core Truths of the Christian Faith* This volume covers foundational doctrines of the nature and works of God the Bible God's created beings Jesus the Holy Spirit salvation the church and the end times And each chapter features clear guidance for how to teach and apply the doctrine today Pastors Sunday school teachers and lay students of theology will find this an indispensable resource for understanding and teaching Christian theology The Other Preacher in Lynchburg John Killinger, 2025-06-25 After teaching for a number of years John Killinger eager to be a pastor was offered a church in Lynchburg Virginia It was in the 1980s when Jerry Falwell had a congregation there Falwell had just started the Moral Majority movement and had helped to get Ronald Reagan elected president In 1983 a Good Housekeeping national poll rated Jerry Falwell the second most respected man in America after Reagan John Killinger's new book is in part a picture of Falwell and an exploration of his influence from the unique standpoint of a rival minister who says that his experience of his Lynchburg years is what soon turned him into one of Fundamentalism's most trenchant and outspoken critics This is a fascinating story told with great grace and style about two very different men of faith both struggling to capture hearts minds and souls Swift moving and engaging Publishers Weekly **Kissing Fish** Roger Wolsey, 2011-01-10 Christianity gets plenty of media attention but often for all the wrong reasons If you've ever felt disillusioned by the loudest most rigid voices in modern Christianity *Kissing Fish* Christianity for People Who Don't Like Christianity offers a refreshing alternative Roger Wolsey presents an accessible and engaging introduction to progressive Christianity a growing movement that reclaims the radical love inclusivity and transformative message at the heart of the Gospel Part postmodern systematic theology and part personal spiritual journey this book speaks directly to those who have left the church never felt welcome in it or are simply searching for a faith that makes sense in today's world Wolsey weaves together personal stories and deep theological reflection offering a candid and hopeful invitation to rediscover Christianity beyond dogma and exclusion His voice brings

together the thoughtfulness of Brian McLaren and Diana Butler Bass the pastoral warmth and openness of Rob Bell and the prophetic call to social justice found in the work of Jim Wallis and Shane Claiborne Like Walter Wink Wolsey explores the powers and principalities with clarity and courage and like Wes Howard Brook he calls readers to return to the radical roots of the Christian tradition There s also an authenticity and down to earth narrative style reminiscent of Donald Miller Kissing Fish challenges harmful stereotypes while presenting a faith that is intellectually honest emotionally satisfying and spiritually fulfilling Whether you re spiritual but not religious a progressive believer or someone standing at the edges of faith this book offers a way forward If you like Jesus but struggle with Christianity Kissing Fish invites you to explore a path that embraces mystery fosters compassion and empowers you to love boldly and live authentically in today s complex world [A Thematic Access-Oriented Bibliography of Jesus's Resurrection](#) Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
