Born Both Hida Vilorio,2025-05-01 From one of the world s foremost intersex activists a candid provocative and eye opening memoir of gender identity self acceptance and love My name is Hida Vilorio I was raised as a girl but discovered at a young age that my body looked different Having endured an often turbulent home life as a kid there were many times when I felt scared and alone especially given my attraction to girls But unlike most people in the first world who are born intersex meaning they have genitals reproductive organs hormones and or chromosomal patterns that do not fit standard definitions of male or female I grew up in the body I was born with because my parents did not have my sex characteristics surgically altered at birth It wasn t until I was twenty six and encountered the term intersex in a San Francisco newspaper that I finally had a name for my difference That s when I began to explore what it means to live in the

space between genders to be both and neither I tried living as a feminine woman an androgynous person and even for a brief period of time as a man Good friends would not recognize me and gay men would hit on me My gender fluidity was exciting and in many ways freeing but it could also be isolating I had to know if there were other intersex people like me but when I finally found an intersex community to connect with I was shocked and then deeply upset to learn that most of the people I met had been scarred both physically and psychologically by infant surgeries and hormone treatments meant to correct their bodies Realizing that the invisibility of intersex people in society facilitated these practices I made it my mission to bring an end to it and became one of the first people to voluntarily come out as intersex at a national and then international level Born Both is the story of my lifelong journey toward finding love and embracing my authentic identity in a world that insists on categorizing people into either or and of my decades long fight for human rights and equality for intersex people everywhere
