Seven Keys to Unlock Your Harvest Rod Parsley, 2003 *The Jubilee Anointing* Rod Parsley, 1998 *Seven Shouts to Your Harvest* Rod Parsley, 2002 *God's Miracle Anointing* Rod Parsley, 1999 *Breakthrough* Rod Parsley, 1996 This easy to read collection of lively quotes drawn from Rod Parsley's bestselling books and messages is the perfect way to start each day. You will be challenged, encouraged, and motivated to seek out God's very best for your life. **No More Crumbs** Rod Parsley, 1997 Journey through the pages of ancient biblical history. Relive the saga of a man whose hopelessness reached far beyond poverty and hunger into the bottomless abyss of one who no longer lives but merely exists. His name was Mephibosheth, the displaced grandson of King Saul. He eats scraps off the floor and pathetically settles for life's leftovers. His life might sadly be like your own. You too might be rejected, confused, and without hope as God's promises seem so far away. Yet like Mephibosheth and other men and women of God in the Bible, you can find God's provision and restoration. You can break through the desert of existence into the oasis of God's abundant life. **Metaphysics** Anthony Norvell, 2022-05-18 Throughout history, there have been great and illumined souls who have been able to use the power of their higher minds to perform seeming miracles. These men and women used a Cosmic Force which is in the universe and which anyone may use when he once learns how to focus this higher power within his own mind. There are stupendous miracles such as healing the sick, causing the blind to see, making the crippled walk, but these are not the only miracles with which we are concerned in this Metaphysical study. There are the little every day miracles which you may begin to perform immediately that relate to your health, to your work, to increasing your income, to finding happiness in love and marriage, and to healing your mind of confusion, discord, and unhappiness so that you may find inner peace and security. You will learn in this study that you too may become a miracle worker that you may wave the mental wand of Faith and create out of the substance of your thoughts and inner dreams the concrete things that you desire in your life. You may tap the power of this higher Cosmic Mind and create magnificent works even as did the geniuses of the past who used this Miracle working power. Beethoven used this higher mind within to create beautiful music even though he was deaf. Edison tapped this power of the higher Cosmic Mind within and created over three hundred inventions from the motion picture camera to the electric light bulb which bless our lives today. Edison used the power which we shall study together, and there is no reason why YOU may not achieve greatness through this self-same Metaphysical power. Lincoln was a miracle worker and although a martyr like Gandhi and John F. Kennedy, he brought the miracle of unity and greatness to a strife-ridden nation. J. P. Morgan was a financier and industrialist but he used the Metaphysical Miracle power which we shall study together to build one of the great financial empires of all time. This miracle power is not dead today; it is still being used by men like Paul G. Getty and Howard Hughes. Ford and Rockefeller to create wealth that not only benefits the ones who create it but also blesses the world through the public libraries they endow, the research foundations they create, and the artistic gifts and treasures which they give to our great art galleries and museums. The Miracles of Lourdes are well known, and I have stood in the sacred Grotto and I have seen the

discarded crutches wheel chairs and braces that the sick have left there when their miracles of healing came and they walked away healed by a miracle power that worked for them but which does not seem to work for others The spectacular miracles that the Master Metaphysician Jesus performed and which we see at places like Lourdes are not the only evidences that this Metaphysical Miracle Power exists and may be tapped by ordinary mortals there are other evidences in our own age that this power is alive today and may be used to heal millions of still unborn persons and to save the lives of hundreds of millions today Salk used this higher Miracle Power to develop his vaccine for polio Fleming developed penicillin through this higher intuitive mind Mme and M Curie discovered radium by listening to the inner Cosmic Voice that guided them and Pasteur certainly was a miracle worker unequalled in history for the perception that caused him to perfect the use of vaccines in the treatment and prevention of disease **Golden Keys to Ascension and Healing** Joshua David

Stone,1998-05-01 This volume represents the wisdom of the ascended masters condensed into concise keys that serve as a spiritual guide There are 420 golden keys that present the multitude of methods techniques affirmations prayers and insights Dr Stone has gleaned from his own background in psychology and life conditions and his thorough research of all the ancient and contemporary classics that speak of the path to God realization The teachings of Sai Baba and other ascended masters are at the core of these keys and the author has also drawn up on various spiritual scriptures such as the Bhagavad Gita and the Bible Especially valuable are practical methods to support the ascension process such as journal writing and spiritual logs as well as meditations and prayers *Touched by the Anointing* Rod Parsley,2001 Could it Be?
