Ten Minutes With Me:

Tritorian Gabriel Townes,2010-08-06 I remember telling my mom that I wasn't asleep that I was preparing myself for the day to come Those ten extra precious minutes that I took thinking that it would help me cope with the dreadful first day of the week known simply as Monday Little did I know an extra hour wouldn't have helped me cope with what I was about to experience I remember the day perfectly seeing as how it was only two years ago today that my life changed That I truly realized the evils the world had in store for the unsuspecting people of the land *Ten-Minute Transformation* Chris

Altrock,2013-10-30 The average American spends about ten minutes per day in religious or spiritual activities Do you believe you can experience a personal transformation if all you have is ten minutes a day Or could these ten minutes be part of a more comprehensive plan for personal and global revolution Could ten minutes be a mustard seed that God grows into something amazing Pastor and author Chris Altrock believes it can Rather than complain about ten minutes being too insignificant for spiritual growth Altrock teaches practices to maximize that time for personal transformation and real social change In only ten minutes a day over forty days you'll learn a dozen spiritual disciplines to deepen your relationship with God You'll also learn and see how God can use even the smallest amounts of time to change you and the world through your actions Are you ready for ten minutes to actually make a difference **Five Ingredients, Ten Minutes** Jules
