Ten Sorry Tales:

Ten Sorry Tales Mick Jackson, 2014-03-20 From the pen of Mick Jackson author of *The Underground Man* and *Five Boys* come these ten acclaimed tales Featuring undertakers dark forests resurrected butterflies and a singularly mean spirited horse the stories are nevertheless rooted in the realistic and all too recognisable world of retirement loneliness and childhood boredom By turns funny scary and heartbreaking they are always illuminating and further evidence of one of the most original and brilliant imaginations in contemporary fiction

Junior Science Mick Jackson, 2011-11-10 Published to tie in with Mick Jackson's appointment as the first writer in residence at the Science Museum Junior Science comprises three stories *Zero Gravity* *The Answering Machine* and *Back to School* Commissioned by BBC Radio 4 they were originally broadcast in November 2011 Full of wonder pathos and mystery the stories are marked by Jackson's unique sensibility as they explore the way children start to become aware of the world around them

Aardman Animations Annabelle Honess Roe, 2020-02-06 The Bristol based animation company Aardman is best known for its most famous creations *Wallace and Gromit* and *Shaun the Sheep* But despite the quintessentially British aesthetic and tone of its movies this very British studio continues to enjoy international box office success with movies such as *Shaun the Sheep Movie* *Flushed Away* and *Wallace and Gromit: Curse of the Were Rabbit* Aardman has always been closely linked with one of its key animators Nick Park and its stop motion Plasticine modelled family films but it has more recently begun to experiment with modern digital filmmaking effects that either emulate Claymation methods or form a hybrid animation style This unique volume brings together leading film and animation scholars with children's media animation professionals to explore the production practices behind Aardman's creativity its history from its early shorts to contemporary hits how its films fit within traditions of British animation social realism and fantasy cinema the key personalities who have formed its ethos its representations of Britishness on screen and the implications of traditional animation methods in a digital era

Growing Sideways in Twenty-first Century British Culture Anne Malewski, 2021-12-15 This volume examines changing boundaries between childhood and adulthood in British society and culture at the beginning of the twenty first century where these age boundaries are widely debated policed and contested to investigate alternatives to conventional ideas of growing up Building on observations especially in children's literature criticism that human growth is shaped by a grand narrative that privileges adulthood and on terminologies of non normative growth particularly in queer theory this monograph develops growing sideways as a concept that queers this grand narrative by destabilising childhood and adulthood and the boundaries between them The concept is refined through close readings of twenty first century British children's literature television series film and participatory events troubling age boundaries via specific strategies in three conceptual areas appearance play and space Exploring power structures around age and gender this monograph traces growing sideways as a distinct and important alternative discourse of human growth

The Widow's Tale Mick Jackson, 2010-04-01 A newly widowed woman has done a

runner She just jumped in her car abandoned her very nice house in north London and kept on driving until she reached the Norfolk coast Now she s rented a tiny cottage and holed herself away there if only to escape the ceaseless sympathy and insincere concern She s not quite sure but thinks she may be having a bit of a breakdown Or perhaps this sense of dislocation is perfectly normal in the circumstances All she knows is that she can t sleep and may be drinking a little more than she ought to But as her story unfolds we discover that her marriage was far from perfect That it was in fact full of frustration and disappointment as well as one or two significant secrets and that by running away to this particular village she might actually be making her own personal pilgrimage By turns elegiac and highly comical *The Widow s Tale* conjures up this most defiantly unapologetic of narrators as she begins to pick over the wreckage of her life and decide what has real value and what she should leave behind

Yuki chan in Brontë Country Mick Jackson,2016-01-19 They both stop and stare for a moment Yuki feels she s spent about half her adult life thinking about snow but when it starts even now it always arresting bewildering Each snowflake skating along some invisible plane Always circuitous as if looking for the best place to land Yukiko tragically lost her mother ten years ago After visiting her sister in London she goes on the run and heads for Haworth West Yorkshire the last place her mother visited before her death Against a cold winter Yorkshire landscape Yuki has to tackle the mystery of her mother s death her burgeoning friendship with a local girl the allure of the Brontes and her own sister s wrath Both a pilgrimage and an investigation into family secrets Yuki s journey is the one she always knew she d have to make and one of the most charming and haunting in recent fiction

Creative Writing Colin Bulman,2007 All writers are familiar with terms like plot suspense conflict and character They may be less familiar with intertextuality anachrony and fabula and they may be even less confident in achieving the effects these terms refer to This book defines fictional techniques and guides the potential writer in their use It may spark off ideas for stories and novels and provide first aid for failing stories A story s ending may come as a surprise to the reader suspense may have the reader on the edge of the seat and conflict may lead to unbearable excitement It is the job of the writer to create these effects and this book illustrates how it is done The book is for students doing creative writing in higher education at A level and it will be essential reading for anyone interested in writing fiction Contents Definitions of over 200 terms and techniques to do with fiction writing How to achieve fictional effects Literary examples of the techniques described Characteristics of genre as well as literary fiction Basic but essential techniques such as writing dialogue and using figures of speech Definitions of major terms used in publishing

[How to Create a Portfolio & Get Hired Second Edition](#) Fig Taylor,2013-10-07 This book shows those embarking on an illustration or graphic design career how best to put together an effective professional portfolio It discusses what to include and how to organize and display the work and also advises on presentation techniques and self promotion Both print and digital portfolios are covered Deciding who to approach for work is of key importance whether you are looking for a full time position or freelance work and the book maps out the creative marketplace examining the main areas of work and describing

the types of position available in each and how the commissioning process works Tips are included from commissioners and practitioners working in magazine and book publishing design advertising TV film and beyond as well as agents and educators The book also features a listings section detailing online resources and publications to aid research suppliers specialist libraries industry related trade fairs and professional organizations First edition ISBN 9781856696722

The Hermit in the Garden Gordon Campbell, 2013-03-28 Tracing its distant origins to the villa of the Roman emperor Hadrian in the second century AD the eccentric phenomenon of the ornamental hermit enjoyed its heyday in the England of the eighteenth century It was at this time that it became highly fashionable for owners of country estates to commission architectural follies for their landscape gardens These follies often included hermitages many of which still survive often in a ruined state Landowners peopled their hermitages either with imaginary hermits or with real hermits in some cases the landowner even became his own hermit Those who took employment as garden hermits were typically required to refrain from cutting their hair or washing and some were dressed as druids Unlike the hermits of the Middle Ages these were wholly secular hermits products of the eighteenth century fondness for pleasing melancholy Although the fashion for them had fizzled out by the end of the eighteenth century they had left their indelible mark on both the literature as well as the gardens of the period And as Gordon Campbell shows they live on in the art literature and drama of our own day as well as in the figure of the modern day garden gnome This engaging and generously illustrated book takes the reader on a journey that is at once illuminating and whimsical both through the history of the ornamental hermit and also around the sites of many of the surviving hermitages themselves which remain scattered throughout England Scotland and Ireland And for the real enthusiast there is even a comprehensive checklist enabling avid hermitage hunters to locate their prey

Five Boys Mick Jackson, 2010-11-25 Something strange is going on in the village A dead pig is carried through the lanes in a coffin a heap of signposts are buried in a field and a mummy walks the streets late at night scaring the local ladies half to death Things have never been the same since the evacuee arrived and the Five Boys mistook him for a Nazi spy It is as if someone is out for revenge The village has had a whole host of visitors since the Americans are down the road preparing for D Day and a deserter is hiding out in the woods But it is the arrival of the Bee King which makes the biggest impression He is a law unto himself has his own strange rituals and the villagers fear that he is beginning to exert the same charm over their boys as he does over his bees The second novel by the highly acclaimed author of *The Underground Man* confirms Mick Jackson's originality and talent

The Canterbury Tales with Other Poems Geoffrey Chaucer, 1870

The Canterbury Tales and Faerie Queene &c., &c., &c Geoffrey Chaucer, 1872

The Canterbury Tales and Faerie Queene; with Other Poems of Chaucer and Spenser Geoffrey Chaucer, 1870

The Canterbury Tales and Faerie Queene: with Other Poems of Chaucer and Spenser. Edited for Popular Perusal with Current Illustrative and Explanatory Notes, by D. Laing Purves Geoffrey Chaucer, 1870

Centennial Tales and Selected Poems Watson Kirkconnell, 1965-12-15 An all inclusive

edition of the poetry of Watson Kirkconnell would run to some ten large volumes of original verse and translations His original verse would fill two volumes the size of this one and his translated verse from Icelandic Italian Dutch French Magyar Latin Ukrainian and Polish would fill 5 000 pages No poet in the English speaking tradition is more deeply grounded in world literature The original poetry of Watson Kirkconnell has been primarily narrative in character first the twelve philosophically slanted books of his Spenserian epic *The Eternal Quest* then the seventeen vivid narratives in *The Flying Bull and Other Tales* a sort of Western echo of *The Canterbury Tales* and finally the thirty narrative poems of his new *Centennial Tales* many of which were written in 1964 These are framed about the history of Canada and are written in honour of the nation's Centennial in 1967 They range from the coming of the first Amerindians from Asia about 30 000 B C to a possible atomic holocaust in A D 2000 and include poems on the Quebec Conference of 1864 the Vimy Memorial the Italian Campaign and the Canadians in Cyprus This volume also contains some lyrics from Dr Kirkconnell's light opera *The Mod at Grand Pr* and the whole of his Greek style drama *Let My People Go* with its setting in Egypt just before the Exodus and its issues in the present The original poetry has been arranged in roughly the reverse of chronological order while the translations are arranged according to the dates of publication **The Book Review Digest**, 2006 *Windover Tales* Halliwell

Sutcliffe, 1907 This ghost story is set on the wild Atlantic coast of North Devon and told through the eyes of Jenny a girl of nearly nineteen whose recently deceased grandmother Mary has bequeathed her *Windover* the cottage where she is staying with her father and his girlfriend during summer vacation Before long Jenny is troubled by visions of two teenage girls and learns from a photograph taken in 1934 that these girls are her grandmother Mary and Mary's friend Cathy As the days go by Jenny finds herself drawn into tragic events that occurred nearly eighty years earlier Publisher description [Max](#)
