Poetry Philip Mercer, 2023-03-28 This is a poetry book filled with art The poems are upbeat with a focus on fantasy nature and life s journey In fantasy poet s imagination is on the stage The reader gets to enjoy the show Nature is so vast and varied we appreciate only a spoonful a time The author makes each spoonful happy upbeat healing and beautiful Life s journey follows many paths Some paths are beautiful and smooth Some paths are rough and painful to tread Life is about how each person negotiates the path Whispers Within Gerald Raulston, 2016-08-08 Summary As you read this book you will find that some of the things written will grab your heart and others will have you wondering what the author was thinking about when he wrote it The inspiration for the many different types of writing comes from several things Some from others and their different and varied circumstances in life They often ask me to try to put into words something that would encourage or pick up their spirits Other items written are simply written from the heart in a lighthearted way hoping to spark the imagination of the reader and to also give them something to think about When you read these writings sit back and relax and tune the world out and let your mind wander Try to feel the words and allow them to touch your heart the emptiness Albert A. Villalobos, 2019-11-14 This book of poetry the emptiness I wrote when I was going through some very difficult times in life After my marriage of 9yrs ended I realized that I was wrestling with a familiar demon It was formed some 20yrs earlier right after my relationship had ended with my first love The demon was in a form of emptiness within me A definition of emptiness the state of containing nothing The vast emptiness of space synonyms void vacuum gap vacancy hollowness hole lack I had been following a Japanese anime series called Bleach created by Tite Kubo In this anime series the main character Ichigo Kurosaki would transform into a Hollow To mark the beginning of Ichigo s transformation his eyes would turn yellow signifying his Hollowfication has begun and then Ichigo became a creature he could not control Although the state of Hollowfication in the anime series served an entirely different purpose I chose to use the concept for my book cover because I felt that when I was going through my hard times that I became a hollow in a sense You could see the emptiness in my eyes and then I became someone that I could not control This poetry is very personal but I want to share it with you The purpose of publishing this book is to help other people suffering from the same types of hardships as I did I m praying that many will be able to connect and relate to my poetry read and see that I went through exactly what they are and that I made it through all my hardships And so will they I know that if I did not have faith in God loving family and concerned friends that I would not be here today If you find that you are going through hardships then surround yourself with positive influence pray and

give yourself time to heal before you move forward I hope to inspire others to write To pursue their dreams and to not give up in life I pursued my dream and you are holding it in your hand maybe I should have entitled this book My dream Lol I hope you enjoy this book This is my first book written from my heart I chose to not have it edited I wanted it published exactly as I wrote it So please excuse my grammatical errors Thank you Albert A Villalobos **Out of the Ordinary** Cathy
