Tennessees Blanton Years:

A History of Tennessee and Tennesseans Will Thomas Hale, Dixon L. Merritt, 1913 **Tennessee's John S. Wilder** Rodney E. Stanley, P. Edward French, 2007 The Honorable John S Wilder has served the constituents of Tennessee for over forty years and this historical accomplishment serves as the foundation of this work In his political life Lieutenant Governor Wilder has directly or indirectly impacted some of the most important administrative and public policy decisions over this period of time Through archival document analysis and personal interviews with the Lieutenant Governor and many of his closest aids political colleagues and staunch opponents the authors of this text have traced the history of John S Wilder s accomplishments and defeats from the late 1950s to the present This triangulation of data collection and analysis helped the authors uncover forgotten political stories and assisted in substantiating facts about many of the Lieutenant Governor s major political decisions Highlighted in the text are Wilder s political triumphs over two coup attempts within the Democratic Party to oust him as Speaker of the Senate in the late 1980s These efforts failed when the longest serving State Legislator in American history reached across party lines to maintain control of the second most powerful position in Tennessee state government Now in his late 80 s Wilder is still determined as ever to continue leading the Tennessee Senate well into the twenty first century This book chronicles the political career of the man from Somerville **The Civil Rights Movement in Tennessee** Bobby L. Lovett, 2005 The strange career of Jim Crow the early civil rights movement in Tennessee 1935 1950 We are not afraid Brown and Jim Crow schools in Tennessee Hell no we won t integrate continuing school desegregation in Tennessee Keep Memphis down in Dixie sit in demonstrations and desegregation of public facilities Let nobody turn me around sit ins and public demonstrations continue to spread The King God didn t save the movement turns violent in Tennessee The Black Republicans civil rights and politics in Tennessee The Black Democrats civil rights and politics in Tennessee The frustrated fellowship civil rights and African American politics in Tennessee Make Tennessee state equivalent to UT for white students desegregation of higher education After Geier and the merger desegregation of higher education in Tennessee continues Don t you wish you were white the conclusion **Rover & Bedford Co, TN - Vol II**, 2000-08-16

Political Directory State Constitution Bibliography of books about the state and an Index **Coup** Keel Hunt, Lamar Alexander, 2021-04-30 Coup is the behind the scenes story of an abrupt political transition unprecedented in US history Based on 163 interviews Hunt describes how collaborators came together from opposite sides of the political aisle and in an extraordinary few hours reached agreement that the corruption and madness of the sitting Governor of Tennessee Ray Blanton must be stopped The sudden transfer of power that caught Blanton unawares was deemed necessary because of what one FBI agent called the state s most heinous political crime in half a century a scheme of selling pardons for cash On January 17 1979 driven by new information that some of the worst criminals in the state s penitentiaries were about to be released and fears that James Earl Ray might be one of them a small bipartisan group chose to take charge Senior Democratic leaders friends of the sitting governor together with the Republican governor elect Lamar Alexander now US Senator from Tennessee agreed to oust Blanton from office before another night fell It was a maneuver unique in American political history Expanded edition with a newly discovered account of the events by Senator Lamar Alexander In December 2015 something unexpected happened Keel Hunt delivered to my Nashville office a brown three ring binder He had only recently discovered it in a box that had been in storage for thirty years Senator Lamar Alexander This binder contained the forgotten typescript written in 1985 of Alexander s recollections of the events leading up to his early inauguration on January 17 1979 In this expanded edition of Coup the Senator s 22 000 word text has been added as a lost footnote to Hunt s definitive account From the foreword by John L Seigenthaler The individual stories of those government officials involved in the coup each account unique but all of them intersecting were scattered like disconnected pieces of a jigsaw puzzle on the table of history until the author conceived this book Perhaps because it happened so quickly and without major disagreement protest or dissent this truly historic moment has been buried in the public mind In unearthing the drama in gripping detail Keel Hunt assures that the dark day will be remembered as a bright one in which conflicted politicians came together in the public interest Soil survey of Marion County, Tennessee ,1958 *Tennessee Biographical Dictionary* Jan Onofrio, 2000-01-01 Tennessee Biographical Dictionary contains biographies on hundreds of persons from diverse vocations that were either born achieved notoriety and or died in the state of Tennessee Prominent persons in addition to the less eminent that have played noteworthy roles are included in this resource When people are recognized from your state or locale it brings a sense of pride to the residents of the entire state **Tennessee Reports** ,1870 **Scoundrels** Robert Firth, 2011-07 The Lesson of Scoundrels is one of crime and punishment The author tells the story of a number of men some of them probably were great men most were well educated and all had driving ambition far above that of most The book focuses on elected scoundrels as it is those placed in high office by the people who then betray that trust whom we most abhor The individuals described can all be characterized by a monumental and unrealistic sense of self worth outrageous hubris and a mile wide streak of pure greed so powerful that they risked all to grab the golden ring whenever it came into

their reach that the proverbial ring belonged to the people meant absolutely nothing Greed drives the elected white collar criminal who learns to steal lie and defraud the people he serves believing that because he is who he is he can act with impunity In almost every case the characters described in this book were not entirely bad men each and every one of them did some good or tried to and were loyal to their friends and family After all even Hitler loved his dog What exactly led them to throw it all away for money you will have to decide for yourselves Scoundrels tells you who they were what they did and what it eventually cost them at the bar of justice In most cases the law finally did catch up with them mostly by the opposing party dropping a dime A few have so far remained free from the clutches of the law but with reputations so tarnished that in most cases they are beyond salvage For you students of the law give some serious thought to how these bad guys were caught the laws they broke and how the courts dealt with them Most of them were lawyers themselves but likely forgot their lessons in ethics None of these mendacious rascals cared a whit about morals or ethics when they might get in the way of some easy money All of the men in this book were and are successful politicians outgoing gregarious and when in top form bursting with a magnetic enthusiasm charisma that draws voters to them like flies to honey Their powerful personalities and determined energy brought them to high office many were state governors and all were in positions to get their sticky fingers into the people's cookie jar The book presents only a small sampling of the vast number of crooked public servants It's highly likely that the percentage of elected officials in any capacity who have not misappropriated public funds in one way or another is very small I would venture to guess the percentage of truly honest politicians oxymoron is well under twenty percent The only difference between the vast majority of elected public servants and those identified in this book is that the former haven't yet been caught There is a discernible and tragic flaw in many if not most of those we choose to represent us Perhaps it is because honest reasonable and intelligent men do not care to run for public office preferring to retain the peace and happiness of private life Given the unscrupulous nature of the modern media I don't blame anyone for avoiding public office Whatever the reasons we the people are the losers *Century Review, 1805-1905, Maury County, Tennessee, 1905*

Welcome to Capitol Hill Joel Ebert, Erik Schelzig, 2023-08-15 Although Tennessee has a rich history of political scandals dating back to the founding of the state the last fifty years have been a confusing confounding and sometimes ludicrous period of never-ending wrongdoing *Welcome to Capitol Hill* is a guide to the state's modern history of corruption From Governor Ray Blanton's pardon scandals to the FBI investigation that started with now lieutenant governor Randy McNally wearing a wire in the late 1980s to the sexual misconduct that plagues Tennessee politics this book chronicles it all Veteran political reporters Joel Ebert and Erik Schelzig draw from interviews archival documents and never before seen federal investigative files to provide readers with a handy resource about the wrongdoings of our elected officials
