Tenorman A Novella:

Tenorman David Huddle,1995 A spoof on the culture preservation programs of the National Endowment for the Arts The protagonist is a black jazz saxophonist who in return for a free apartment and other perks agrees to be wired so the NEA can monitor his creative process including his romances By the author of *Only the Little Bone* *The Jazz Fiction Anthology* Sascha Feinstein,David Rife,2009-10-02 What sounds throughout these stories is the universal voice of humanity that is the essence of the music *The Story of a Million Years* David Huddle,1999 A 15 year old girl in Cleveland has an affair with an older man her mother s friend Years later the emotional fallout will echo in unexpected ways through the lives of people close to her A first novel **Jazz Fiction** David Rife,2008 Broad in scope meticulously researched and including titles that have long been inaccessible this resource is an overview of the history of the genre from its beginning to the present BOOK JACKET **The Washington, D.C. of Fiction** James A. Kaser,2006 In The Washington D C of Fiction A Research Guide James A Kaser provides detailed synopses for nearly four hundred works published between 1822 and 1976 and bibliographic information for hundreds more published since Plot summaries names of major characters and location lists are also presented Although this book was written to assist researchers in locating works of fiction for analysis the plot summaries have enough detail for general readers so they can develop an understanding of the way attitudes toward Washington and what the city symbolizes have changed over the years Similarly the biographical section demonstrates the wide range of journalists politicians society women and freelance writers who were motivated to write about the city BOOK JACKET La Tour Dreams of the Wolf Girl David Huddle,2003-06-18 Taking as its subject the mysterious painter Georges de La Tour this haunting work is a fascinating examination of the echoes of the artist s work across time The Faulkes Chronicle David Huddle,2015-04-01 A work of uncanny originality David Huddle s nineteenth book is the account of an extraordinary death trip taken by a charismatic and beloved woman her husband and an astonishing number of offspring from infants to young adults The Faulkes Chronicle explores how children grieve and shows how the wit and courage of even the littlest brothers and sisters can be a source of resilience Familial conversation composes an intimate requiem transforming loss into comprehension Only one of our finest writers could manage this delicate material The Faulkes Chronicle is a brief autumnal novel made of momentary details yet with an encompassing grandeur **Grayscale** David Huddle,2004-01-13 In his compelling new collection David Huddle writes We think we stand in the vivid color of here and now and view the past as drab black and white whereas the truth is it s our future that s the off center badly focused grayscale Spiraling between the tenses of time David Huddle creates in these vibrant poems a defense against the encroachment of age through the resources of language and memory imagination and art Moments recollected and admittedly embellished from his own life and family seem appealingly familiar a teenage dance Grandmama s morning coffee young daughters playing dolls With age wonder has become understanding and so when intimations of his death arise in the midst of sharing a joke with his children the poet

shows us the comfort and peace that murky prospect may hold Playful and fantastic narratives about penguin clans Jane Goodall and the chimps and what to do when it snows offer wit and craft as further barriers against pain and despair In my family we were all good at dreaming Huddle s closing poem notes Undaunted Huddle gives us in Grayscale not false hopes about our lives but a range of ways to transcend their limits *Inhabiting Contemporary Southern and Appalachian Literature* Casey Clabough,2012-08-26 The idea of place any place remains one of our most basic yet slippery concepts It is a space with boundaries whose limits may be definite or indefinite it can be a real location or an abstract mental spiritual or imaginary construction Casey Clabough s thorough examination of the importance of place in southern literature examines the works of a wide range of authors including Fred Chappell George Garrett William Hoffman Julien Green Kelly Cherry David Huddle and James Dickey Clabough expands the definition of here beyond mere geography offering nuanced readings that examine tradition and nostalgia and explore the existential nature of place Deeply concerned with literature as a form of emotional intellectual and aesthetic engagement with the local and the regional Clabough considers the idea of place in a variety of ways as both a physical and metaphorical location as an important factor in shaping an individual informing one of the ways the person perceives the world and as a temporal as well as geographic construction This fresh and useful contribution to the scholarship on southern literature explains how a text can open up new worlds for readers if they pay close enough attention to place

Kerouac: Selected Letters Jack Kerouac,1996-03-01 An exhilarating Chicago Tribune selection of Jack Kerouac s most personal truthful and mesmerizing letters that trace his life and craft edited by Ann Charters As we just now begin to map fully the fallout of the Beat Generation s creative explosion these letters offer an invaluable blueprint to the intricate high yield ballistics that went into creating it San Francisco Examiner It was in his letters that Jack Kerouac set down the raw material that he transmuted into his novels exploring and refining the spontaneous prose style that became his trademark The letters in this volume written between 1940 when Kerouac was a freshman at college and 1956 immediately before his breathless leap into celebrity with the publication of *On the Road* offer invaluable insights into Kerouac s family life his friendships with Neal and Carolyn Cassady Allen Ginsberg Gary Snyder and William S Burroughs his travels love affairs and literary apprenticeships At once fascinating reading and a major addition to Kerouac scholarship here is a rare portrait of the writer as a young adventurer of immense talent energy and ambition in the midst of writing and living an American legend

Twentieth Century's Greatest Hits Paul Williams,2000 Rates the best of the twentieth century s art and pop culture while accompanying essays provide commentary on the way art and performance influences the public and modern world

Blacksnake at the Family Reunion David Huddle, 2012-11-12 David Huddle's latest collection *Blacksnake at the Family Reunion* shares intimate and amusing stories as if told by a quirky usually reticent great uncle. In *Boy Story* a teenage romantic meeting ends abruptly when the boy's sweetheart realizes they have parked near her grandmother's grave. The poem *Aloft* recalls a widowed mother's indignation after she receives a marriage proposal in a hot air balloon. Haunted by the words on his older sister's tombstone, born, died, then a single date in November, the speaker in one poem struggles to understand a tragic loss. The ampersand tells the whole truth and nothing but so help me God, whose divine shrug is expressed so eloquently by that grave mark. *Blacksnake at the Family Reunion* continues Huddle's poetic inquiry into the power of early childhood and family to infuse adulthood with sadness and despair, an inquiry conducted with profound empathy for the fragility of humankind.

My Surly Heart David Huddle, 2019-10-02 In *My Surly Heart* the prolific poet and novelist David Huddle reflects on turning seventy-six years of age and records his aghast reactions to changes brought about by the current president of the United States. Huddle avoids the pitfalls of speechifying, pseudo-philosophizing, or indulging in unmitigated complaint. Instead, he embraces the potential of poetry to use intelligence, wit, language knowledge, and sense of form to move toward useful revelations. Throughout this idiosyncratic collection of verse, Huddle deploys poem-making as a method for psychologically and spiritually navigating from his past to his present life and on into whatever his future may hold. These poems traverse childhood memories, birding adventures, musical reveries, the role of art, and many points in between. *My Surly Heart* shows a celebrated poet confronting the challenges of age and country with wry humor and unsparing honesty.

Dream Sender David Huddle, 2015-09-14 Huddle is a source of light in an often gray world. Booklist: Huddle's poetry is luminous and majestic. Philip Deaver, *The Southern Review*. An account of spiritual survival through the practice of literary art, the poems in David Huddle's eighth collection *Dream Sender* move among a variety of poetic forms and voices. Here a bear wonders why he could not have been a raccoon, a bird, or a meadow, and a five-year-old thrills to the forbidden taste of whiskey as he eavesdrops on his parents' after-dinner conversation. By turns outrageous and pragmatic, Huddle's poems acknowledge the powerful and disturbing currents of the contemporary world as they also explore the comfort and familiarity we find there. Huddle's poems illuminate the nature of relationships between family, friends, and even animals, celebrating their shortcomings, embarrassments, and eccentricities. At once frank and compassionate, *Dream Sender* finds both humor and poignancy in human imperfections.

Straight from the Fridge, Dad Max Decharne, 2002-05-07 Righteous jive for all you weedheads, moochers, b-girls, gassers, bandrats, triggermen, grifters, snowbirds, and long-gone daddies. Much of the slang popularly associated with the hippie generation of the 1960s actually dates back to before World War II, hijacked in the main from jazz and blues street expressions mostly relating to drugs, sex, and drinking. Why talk when you can beat your chops, why eat when you can line your flue, and why snore when you can call some hogs? You're not drunk, you're just plumb full of stagger juice, and your skin isn't pasty, it's just 'caf sunburn. Need a black coffee? That's a shot of java nix on.
