Blackburn returns to the early years of the Second World War This volume which completes Blackburn's award winning trilogy extending its coverage to the entire war brings wartime Canada and England to life in captivating often comic detail With the skill of a novelist and the instincts of a seasoned reporter this gifted storyteller traces the evolution of Canada's 4th Field Regiment from a motley assortment of ill equipped recruits to the cream of the Allied artillery more than ready to distinguish itself in the maelstrom of the battle for Normandy The Second World War comes to a generation of Canadians one sunny September weekend in 1939 It is a Canada woefully unprepared for conflict and 4th Field Regiment is rapidly assembled from a grab bag of volunteers from all walks of life many of them mavericks and misfits from a depression ravaged land The regiment passes its first year in Canada in makeshift accommodation including hastily converted stables and pigsties in the exhibition grounds of Ottawa and Toronto For the first few months the soldiers must wear incomplete and moth eaten uniforms from the Great War and their early training is conducted using obsolete equipment or no equipment at all One year into the war the regiment arrives in England without weapons or vehicles and a month later with Britain moving toward the greatest crisis in her history the regiment is finally equipped with guns French ones with wooden wheels dating from 1898 From these inauspicious beginnings the regiment slowly evolves with mishap and occasionally mayhem along the way into a proud and polished regiment which in 1942 is declared the best field regiment in Britain By the time the Allied troops land on the beaches in Normandy the boys of 4th Field are more than ready to go to war From the Hardcover edition

Butterfly-hunting in Many Lands George Blundell Longstaff,1912 **Tales of Bolivar's Children** Edward Everett Chase,1914 *The House of Sand* Terrence Douglas,2011-11-22 The House of Sand is not a story directed at the excesses of the House of Saud and the Kingdom of Saudi Arabia nor is it a veiled reference to present day Bahrain or Yemen and their exclusive ruling families nor even to the once privileged now embattled or deposed families of Libya Tunisia Egypt Syria or elsewhere in the world Rather The House of Sand is a story about the greed ambition self absorption of ruling classes wherever they reside who are not responsive to the aspirations of the people the international political forces that prop up such regimes and the business interests that despoil the areas The story is about the ancient traditions misplaced but eventually reclaimed wisdom ignored for a time and the courage of the people that emerges in the end to seize the opportunity only freedom can offer but not impose Author Terrence Douglas has observed the excesses and endemic corruption throughout the world in the course of his travels always marveling how wisdom and courage stir just below the surface until the appropriate time when it reappears in the soul of the people Follow the journey across the desert from the perspective of Aziz who embodies an ancient wisdom and integrity his son Sultan who wields power only to satisfy his personal and exorbitant tastes and foibles and Chester Holycross so desperate to reclaim his business reputation who is willing to stoop to satisfy Sultans every whim The supporting cast of characters offers the contrast and reliefsometimes comic that the story requires *Stormin Norman: Born to Battle* David N.
