**Communications Training Institute** Communications Training Institute (U.S.), 1984 **Learning Independently** Paul Wasserman, James Sanders, Elizabeth Talbot Sanders, 1979 Words on Tape, 1984 *Making a Difference* Solomon Sumani Sule-Saa, 2023-02-20 How did two very different language communities encounter and make early choices about Christianity This book is a historical record of the Dagomba and Konkomba people groups of Northern Ghana as they embraced the Bible translated into their mother tongues Author Dr Sumani Sule Saa employs Professor Lamin Sanneh's groundbreaking hermeneutic of mission as translation as a grid to examine the effect of Bible translation on the lives of these two very important language groups Sule Saa first presents a brief history of the Dagomba and Konkomba and describes their very different societal structures He analyses early Christian mission involvement and documents the role of two Bible

translation agencies among these people groups Through a number of case studies he illustrates the positive impact of the Bible in their mother tongues Woven throughout Dr Sule Saa discusses to what degree the Christian faith has been indigenised into the ethos and behaviour of the Dagomba and Konkomba Theological students and those interested in missions will find this book relevant as it deals with missiological issues and serves as a reference on the establishment of Christianity among the Dagomba and Konkomba Its multi disciplinary approach will also appeal to a wider audience

Powerful Literacy in the Montessori Classroom Susan Zoll,Natasha Feinberg,Laura Saylor,2023 Teaching reading successfully requires deep knowledge of the reading process and development as well as the implementation of impactful reading instruction and differentiation This book aligns Montessori didactic materials and pedagogy developed over a century ago with current research on reading development Readers will gain a solid overview of the Montessori philosophy and method specifically those related to reading and language development enabling them to support their practice in today's educational context while inspiring the wider field of education The authors explain how the Montessori approach is inherently aligned with the Science of Reading in that they are both scientifically based and contain methods that follow a logical systematic and explicit progression of teaching and learning Montessori education supports instructional differentiation that is cognizant of children's need for independence and highly mindful of literacy and language development This book provides valuable contributions to all educators implementing Science of Reading and Structured Literacy in their practice and is a must have for Montessori teachers preschool to grade 3 and those that prepare coach and supervise them Book Features Aligns the Montessori curriculum to reading research currently known as the Science of Reading Explains how the Montessori curriculum builds reading skills background knowledge and vocabulary across disciplines Shows educators how to balance state requirements and standards with maintaining a pedagogy aligned with Montessori principles Provides descriptions of teaching materials classroom examples and images Demonstrates how to use Montessori methods to support multiculturalism and differentiation to meet the needs of diverse students Includes suggested progressions of development such as phonological awareness that extend lessons using the Moveable Alphabet Explores multisensory approaches to language and literacy instruction
