Hayes,2008-10-23 Eleanor was inspired by her father at an early age to appreciate family history During her retired lonely years as a widow she started writing for entertainment She did not enjoy pity parties and found a joy in sitting in front of her computer to write about her memories Some of her children and friends enjoyed hearing about past events that interested them and encouraged her to write She was the only girl and oldest child and spent the majority of her growing up years around adults as they told their stories That was their prime entertainment She would like to inspire others to make notes and write stories for their future generations She found that it is amazing how much one can remember and relive as the words appear on the computer screen The Other Side of Silence Urvashi Butalia,2000 A history of Partition the separation of India and Pakistan in 1947 from a personal and feminist perspective *Totally Disgusting!* Bill Wallace,2008-01-08 Despite his uncourageous name Mewkiss proves to be a strong and brave kitten during a crisis in which his mistress s life is threatened Yuma Mesa Homesteaders 1948 and 1952 Debra Conrad,2007-03 Historical documentation of 1948 and 1952 rural life on the Mesa in Yuma Arizona Homesteads won by war veterans were not a gift but earned with sweat hard labor and years of hardships These memories and historical documents preserve a picture of life as it was lived by the individuals concerned This in depth history is both a testament and a legacy to those who follow today Don t let their history be forgotten The Home That Was Our Country Alia Malek,2017-02-28 At the Arab Spring s hopeful start Alia Malek returned to Damascus to reclaim her grandmother s apartment which had been lost to her family since Hafez al Assad came to power in 1970 Its loss was central to her parent s decision to make their lives in America In chronicling the people who lived in the Tahaan building past and present Alia portrays the Syrians the Muslims Christians Jews Armenians and Kurds who worked loved and suffered in close quarters mirroring the political shifts in their country Restoring her family s home as the country comes apart she learns how to speak the coded language of oppression that exists in a dictatorship while privately confronting her own fears about Syria s future The Home That Was Our Country is a deeply researched personal journey that shines a delicate but piercing light on Syrian history society and politics Teeming with insights the narrative weaves acute political analysis with a century of intimate family history ultimately delivering an unforgettable portrait of the Syria that is being erased Billy's Story Judith Golightly,2013-10-28 Judith
