

Terror In The French Revolution

David Baud

Terror In The French Revolution:

The Terror in the French Revolution Hugh Gough, 2010-07-30 We now live with the threat and the reality of political terror and terrorists The French Revolution was the first occasion when a democratic government used terror as a political weapon executing thousands of people for political crimes What caused reasonable people to implement such a brutal regime What did it achieve What are its links with the terrors of the present day This established text examines a range of key issues analyses the terror s background and traces the course from the fall of the Bastille in 1789 to the work of the guillotine during the terror of 1793 4 It puts the terror into context and shows how circumstances and ideas interacted to create an event that has haunted the political imagination of Europe ever since Thoroughly revised in the light of recent scholarship and debates this new edition of an essential introduction includes An updated historiography section Clearly set out definitions of the terror and more detail on its workings An entirely new chapter exploring the social and cultural policies of the Revolution An up to date bibliography organised thematically for ease of reference

Twelve who Ruled Robert Roswell Palmer, 1979 **Twelve Who Ruled** R. R. Palmer, 2005-07-25 The Reign of Terror continues to fascinate scholars as one of the bloodiest periods in French history when the Committee of Public Safety strove to defend the first Republic from its many enemies creating a climate of fear and suspicion in revolutionary France R R Palmer s fascinating narrative follows the Committee s deputies individually and collectively recounting and assessing their tumultuous struggles in Paris and their repressive missions in the provinces A foreword by Isser Woloch explains why this book remains an enduring classic in French revolutionary studies

The Coming of the Terror in the French Revolution Timothy Tackett, 2015-02-23 Between 1793 and 1794 thousands of French citizens were imprisoned and hundreds sent to the guillotine by a powerful dictatorship that claimed to be acting in the public interest Only a few years earlier revolutionaries had proclaimed a new era of tolerance equal justice and human rights How and why did the French Revolution s lofty ideals of liberty equality and fraternity descend into violence and terror By attending to the role of emotions in propelling the Terror Tackett steers a more nuanced course than many previous historians have managed Imagined terrors as Tackett very usefully reminds us can have even more political potency than real ones David A Bell *The Atlantic* Tackett analyzes the mentalit of those who became terrorists in 18th century France In emphasizing weakness and uncertainty instead of fanatical strength as the driving force behind the Terror Tackett contributes to an important realignment in the study of French history Ruth Scurr *The Spectator* A boldly conceived and important book This is a thought provoking book that makes a major contribution to our understanding of terror and political intolerance and also to the history of emotions more generally It helps expose the complexity of a revolution that cannot be adequately understood in terms of principles alone Alan Forrest *Times Literary Supplement*

Virtue and Terror Maximilien Robespierre, 2017-11-14 Robespierre s justification of the Terror in the French Revolution Robespierre s defence of the French Revolution remains one of the most powerful and unnerving justifications for political

violence ever written It has an extraordinary resonance in a world obsessed with terrorism and appalled by the language of its proponents Yet today the French Revolution is celebrated as the event which gave birth to a nation built on the principles of Enlightenment So how should a contemporary audience approach Robespierre's vindication of revolutionary terror i ek s introduction analyzes these contradictions with a prodigious breadth of analogy and reference The Terror in the French Revolution ,1981 **The Incidence of the Terror During the French Revolution** Donald Greer,1935 No detailed

description available for Incidence of the Terror during the French Revolution *Twelve who Ruled* Robert R. Palmer,1962

Glory and Terror Antoine de Baecque,2013-07-04 Glory and Terror is a vivid and often gory history of the darker side of the French Revolution Through an examination of contemporary visual and literary representations of executions funerals processions and ceremonies it brings the often horrific events of the time to life Honing in on seven real life cases the author recounts and interprets the public autopsy performed on the corpse of Mirabeau the exhumation and transportation of Voltaire's body to the Pantheon the public torture murder and subsequent mutilation of the Princesse de Lamballe the agonizingly slow death of Robespierre Anyone who enjoys dazzling cultural history in the vein of Robert Darnton Carlo Ginzburg and Anthony Grafton will revel in this intelligent and original work Terror Michel Biard,Marisa Linton,2021-11-03 At the heart of how history sees the French Revolution lies the enigma of the Terror How did this archetypal revolution founded on the principles of liberty and equality and the promotion of human rights arrive at circumstances where it carried out the violent and terrible repression of its opponents The guillotine initially designed to be a humane form of capital punishment became a formidable instrument of political repression and left a deep imprint not only on how we see the Revolution but also on how France's image has been depicted in the world This book reconstructs the Terror in all its complexity It shows that the popular view of a so called system of terror was retrospectively invented by the group of revolutionaries who overthrew Robespierre as a way of trying to exonerate themselves from culpability What we think of as the Terror is best understood as an improvised and sometimes chaotic response to events based on the urgent needs of a revolutionary government confronted by a succession of political and military crises It was a government of exception a crisis government Terror brings together a wealth of factual elements along with recent thinking on the ideological emotional and tactical dimensions of revolutionary politics to throw new light on how the phenomenon of terror came to demonise the image and memory of the French Revolution It will be essential reading for students and scholars of the French Revolution and for anyone concerned with the ways in which political conflict can descend into violence *The Terror in the French Revolution* Norman Hampson,1994 **Twelve who Ruled** R. R. Palmer,1975 **The Terror** David Andress,2006-12-26 For two hundred years the Terror has haunted the imagination of the West The descent of the French Revolution from rapturous liberation into an orgy of apparently pointless bloodletting has been the focus of countless reflections on the often malignant nature of humanity and the folly of revolution David Andress a leading historian of the

French Revolution presents a radically different account of the Terror The violence he shows was a result of dogmatic and fundamentalist thinking dreadful decisions were made by groups of people who believed they were still fighting for freedom but whose survival was threatened by famine external war and counter revolutionaries within the fledgling new state Urgent questions emerge from Andress s reassessment When is it right to arbitrarily detain those suspected of subversion When does an earnest patriotism become the rationale for slaughter This new interpretation draws troubling parallels with today s political and religious fundamentalism From publisher description *Ending the Terror* Bronislaw Baczko,1994-07-28 A major assessment of a crucial moment in the history of the French Revolution the fall of Robespierre in July 1794

Triumph and Terror Steven Otfinoski,1999 Discusses the causes events and aftermath of the revolution that began in 1789 with the overthrow of the monarchy and ended ten years later with the rise of the Napoleonic dictatorship **During the Reign of Terror** Grace Dalrymple Elliott,1910 **The Furies** Arno J. Mayer,2002-01-15 This is a deliberately comparative study of violence and terror in the French and Russian revolutions It points up a web of significant similarities which are explored and refined by analogic analysis The terror in the French revolution ,1991 The French Revolution Heather Schwartz,2012-07-30 From King Louis XVI to Naploeon Bonaparte readers will discover the incredible people ideas and battles that lived and occurred during the French Revolution The captivating photos and images and compelling facts work in conjunction with the supportive text glossary and index to provide an engaging and exciting reading experience as children learn about the storming of the Bastille the Declaration of the Rights of Man and Citizens Robespierre and King Louis XVI s wife Marie Antoinette *Terror and Repression in Revolutionary Marseilles* William Scott,1973

If you ally habit such a referred **Terror In The French Revolution** books that will have enough money you worth, acquire the unconditionally best seller from us currently from several preferred authors. If you want to humorous books, lots of novels, tale, jokes, and more fictions collections are in addition to launched, from best seller to one of the most current released.
