Murder in the Métro Gayle K. Brunelle, Annette Finley-Croswhite, 2010-05-01 On the evening of May 16 1937 the train doors opened at the Porte Dorée station in the Paris Métro to reveal a dying woman slumped by a window an eight inch stiletto buried to its hilt in her neck. No one witnessed the crime and the killer left behind little forensic evidence. This first ever murder in the Paris Métro dominated the headlines for weeks during the summer of 1937 as journalists and the police slowly uncovered the shocking truth about the victim a twenty nine year old Italian immigrant the beautiful and elusive Laetitia Toureaux. Toureaux toiled each day in a factory but spent her nights working as a spy in the seamy Parisian underworld. Just as the dangerous spy Mata Hari fascinated Parisians of an earlier generation the mystery of Toureaux's murder held the French public spellbound in pre war Paris as the police tried and failed to identify her assassin. In *Murder in the Métro* Gayle K. Brunelle and Annette Finley-Croswhite unravel Toureaux's

complicated and mysterious life assessing her complex identity within the larger political context of the time They follow the trail of Toureaux's murder investigation to the Comité Secret d'Action Révolutionnaire a secret right wing political organization popularly known as the Cagoule or hooded ones Obsessed with the Communist threat they perceived in the growing power of labor unions and the French left wing the Cagoule's leaders aimed to overthrow France's Third Republic and install an authoritarian regime allied with Italy With Mussolini as their ally and Italian fascism as their model they did not shrink from committing violent crimes and fomenting terror to accomplish their goal In 1936 Toureaux at the behest of the French police infiltrated this dangerous group of terrorists and seduced one of its leaders Gabriel Jeantet to gain more information This operation the authors show eventually cost Toureaux her life The tale of Laetitia Toureaux epitomizes the turbulence of 1930s France as the country prepared for a war most people dreaded but assumed would come This period therefore generated great anxiety but also offered new opportunities and risks to Toureaux as she embraced the identity of a modern woman The authors unravel her murder as they detail her story and that of the Cagoule within the popular culture and conflicted politics of 1930s France By examining documents related to Toureaux's murder documents the French government has sealed from public view until 2038 Brunelle and Finley Croswright link Toureaux's death not only to the Cagoule but also to the Italian secret service for whom she acted as an informant Their research provides likely answers to the question of the identity of Toureaux's murderer and offers a fascinating look at the dark and dangerous streets of pre World War II Paris

Schopenhauer's Doctrine of Salvation in Relation to his Critique of Religion and Philosophical Teachings Anil Dominic Batti, 2023-10-31 Arthur Schopenhauer 1788 1860 was perhaps the last polymath among the great Germanic philosophers Switching with ease and elegance between epistemic positions and fields as diverse as idealism and empiricism fideism and rationalism realism and nominalism art and religion jurisprudence and politics psychology and occultism Schopenhauer erected an imposing edifice bearing testimony to his universal learning This study is an investigation into the very conclusion of Schopenhauer s philosophy and endeavours to answer the following question did Schopenhauer s doctrine of salvation issue forth organically from his intellectual output or was it annexed to his philosophy as a result of his critical engagement with religion The labyrinthine paths through which Schopenhauer arrives at the soteriological culmination of his philosophy are subjected to critical assessment the picture that emerges is of a philosopher who seemed convinced that he had solved some of the most pressing cosmic riddles to have tormented mankind through the ages
