**Rome - City in Terror** Victor Failmezger, 2020-09-17 Victor

Failmezger's passion for the city of Rome is matched by his extensive knowledge of its dark recent past. Joshua Levine, author of *Dunkirk: The History Behind the Major Motion Picture*, In September 1943 following wave upon wave of Allied bombing Italy announced an armistice with the Allies. Shortly afterwards the German army disarmed Italian forces and despite military and partisan resistance quickly overran Rome. *Rome City in Terror* is a comprehensive history of the nine month long German occupation of the city that followed. The Gestapo wasted no time enforcing an iron grip on the city once the occupation was in place. They swiftly eliminated the Carabinieri, the Italian paramilitary force, rounded up thousands of Italians to build extensive defensive lines across Italy and at 5am one morning arrested more than 1 000 Roman Jews and sent them to Auschwitz. Resistance however remained strong. To aid the thousands of Allied POWs who escaped after the dissolution of the Italian army, priests, diplomats and escaped ex-POWs operating out of the Vatican formed a nationwide organization called the Escape Line. More than 4 000 Allied POWs scattered all over Italy were sheltered, clothed and fed by these courageous Italians whose lives were forfeit if their activities were discovered. Meanwhile as food became scarce and the Gestapo began to raid homes and institutions, Italian partisan fighters launched attack after attack on German military units in the city with the threat of execution never far away. This is the compelling story of an Eternal City brought low of the terror and hardship of occupation and of the disparate army of partisan fighters, displaced aristocrats, Vatican priests, Allied POWs and ordinary citizens who battled for the liberation of Rome.
