Milton's Late Poems Lee Morrissey,2022-08-25 Upending conventional scholarship on Milton and modernity Lee Morrissey recasts *Paradise Lost* *Paradise Regained* and *Samson Agonistes* as narrating three alternative responses to a world in upheaval adjustment avoidance and antagonism Through incisive engagement with narrative form and genre Morrissey shows how each work considered specifically as a fiction grapples with the vicissitudes of a modern world characterised more by paradoxes ambiguities subversions and shifting temporalities than by any rigid historical periodization The interpretations made possible by this book are as invaluable as they are counterintuitive opening new definitions and stimulating avenues of research for Milton students and specialists as well as for those working in the broader field of early modern studies Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity and in particular to that most modern of genres the novel

Apocalyptic Terror and Millennial Glory Ross McCallum Jones, 2020-02-26 Apocalyptic Terror and Millennial Glory is a commentary on the book of Revelation a book written to prepare Christians for Jesus coming and the Great Tribulation that precedes it The series of visions is complex but when complemented by prophetic material from the Old Testament Jesus prophecies and other Scriptures a clear chronology is discerned The text is divided into 80 passages which are presented in two page studies with Scripture on the left and commentary on the right The text is explained clearly and naturally emphasizing the fact that John's series of visions is really a picture book or a series of video clips with much symbolism and metaphor that needs to be interpreted imaginatively rather than literally The Messianic reign on earth following Jesus return is regarded as the clear climax glory for Jesus and glory for the saints Evidence of a pre tribulation rapture is scarce rather Revelation encourages the saints to faithfully endure persecution even martyrdom knowing that they have a glorious future here on earth and on into eternity The time is drawing near The nation of Israel is regathered in their land and recently celebrated their 70th anniversary Globalization is increasing the gospel is being preached in the whole world and the 2000th anniversary of the Church is approaching Anti Christian forces are everywhere secular humanism militant Islam Chinese and Indian nationalism In these last days a clear understanding of the Apocalypse is vital

Faith Horror LMK Sheppard, 2022-04-04 Faith horror refers to a significant outcropping of mid 1960s and 1970s films and adaptative novels that depict non Christian communities of evil doers and their activities Before this period the classical horror villain was ultimately ineffectual The demonic monster was

an isolated lone individual easily vanquished by an altruistic Christian protagonist Alternatively the villain in faith horror is organized into identity affirming likeminded religious congregations that successfully overcome protagonists Faith horror was a cinematic trend that depicted Satanism witchcraft and paganism during a cultural deliberation over the Death of God which debated the legitimacy of alternative spiritualities and the value of alliance to any faith at all Covering popular works like Rosemary's Baby The Wicker Man and The Omen this book regards these films and their literary sources in relation to this historical moment providing new ways of understanding both the period and the faith horror movement more generally
