recounts Kulisiewicz's extraordinary transformation from a Polish nationalist into a guardian of music and culture from the Nazi camps. Aided by an eidetic memory, Kulisiewicz was able to preserve for posterity not only his own songs about life at the camp but the music and poetry of prisoners from a range of national and cultural backgrounds. They composed symphonies, organized clandestine choirs, arranged great pieces of music by illustrious composers, and gathered regularly over the course of the war to perform for one another. For many, music enabled them to resist, bear witness, and maintain their humanity in some of the most brutal conditions imaginable. After the war, Kulisiewicz returned to Poland and assembled an archive of camp music, which he went on to perform in more than a dozen countries. He dedicated the remainder of his life to the memory of the Nazi camps. Drawing on oral history and testimony as well as extensive archival research, Eyre tells this rich and affecting human story of musical resistance to the Nazi regime in full for the first time.
