Garr, 2001 We ve been robbed These words of a Methodist bishop in Brazil an Anglican leader in India and a Pentecostal overseer in Africa expressed the sentiments of thousands of Christians around the world when they first discovered through the challenging teaching of Dr John D Garr the extent to which they have been deprived of the Hebrew heritage of their Christian faith For the past nineteen centuries millions of believers have been denied their biblical legacy the riches of the Hebrew foundations of their faith Christian Judaeophobia anti Judaism and Antisemitism have conspired to rob them of the treasures of their inheritance Our Lost Legacy presents selected essays and lectures in which Dr Garr urges the church to recover its Hebrew heritage its connection with the Jewish matrix from which it was birthed These pages call Christians back to the Bible to the roots of faith that enrich lives and equip believers to achieve greater maturity through a more complete knowledge of Jesus our Jewish Lord Our Lost Legacy presents these vivid images of Christianity's heritage in the Hebrew faith Biblical Judaism The Root of Christianity Hold to God's Unchanging Hand Christ Our Righteousness Jewish Jesus or Cosmic Christ The Secret to Fulfilling the Law As you read this volume you ll simply be amazed at just how Jewish Christianity really is And you ll be determined to recover your lost legacy in the Hebrew heritage of your faith A Holiness Hermeneutic Stephen J. Lennox, 2018-04-26 America in the late nineteenth century was undergoing enormous societal shifts Immigration and urbanization were changing the face of the country New discoveries and new perspectives on old verities stretched its mind and stirred its soul The

recently concluded Civil War left America bloodied its self confidence bruised and its capacity for controversy weakened American churches responded to these upheavals in different ways with long lasting consequences The reaction of one small branch of American Protestantism rooted in the broader stream of Methodism opens a window into these troubled times This book explores how the American holiness movement navigated the societal maelstrom and the role the Bible played in charting its course The holiness movement s response illustrates the interaction between the Bible and culture It sheds light on the development of the movement's younger cousin Pentecostalism It also adds texture to the Fundamentalist Modernist Controversy an important struggle that marked the early decades of the twentieth century and continues to shape America Edward Schillebeeckx and Interreligious Dialogue Edmund Kee-Fook Chia, 2012-01-23 If Schillebeeckx had been Asian how would be have responded to the phenomenon of religious pluralism This book attempts to answer that question beginning with a dialogue with the Vatican Declaration Dominus Iesus and discerning how Schillebeeckx s methodology has been applied in Asian theology Employing the hermeneutical critical method Schillebeeckx asserts that the Word of God did not come down to us as it were vertically in a purely divine statement it must be interpreted In today s context of so many religions so many cultures and so many poor God's Word invites the church to be a sacrament of dialogue Through dialogue the church will be challenged by other religions and challenge them in return Christianity will then be put in its place as well as given the place which is its due Edward Schillebeeckx and Hans Frei Marguerite Abdul-Masih, Canadian Corporation for Studies in Religion, 2001-11-09 Annotation This book addresses the relationship between theological method and experience The Homiletic Review ,1916 Biblical Bible Translating Charles V. Turner, 2002-07 Biblical Bible Translating is for people who are concerned about faithful Bible translation There is a great deal of misunderstanding about what constitutes faithful Bible translation This book will give the reader a clearer understanding of the principles and problems involved in producing a faithful translation of the Bible Biblical Bible Translating was developed slowly during 21 years of teaching it to hundreds of students It began during 2 years of teaching at New Tribes Institute in Camdenton Missouri and it came to completion at Baptist Bible Translators Institute in Bowie Making Room for Mystery David M. Holley, 2025-07-25 We sometimes hear about events that seem too strange Texas to fit with our usual ways of thinking about what can happen Someone perceives an appearance of a loved one in danger at the same moment the person is undergoing a crisis at a distant location A patient who has long ago lost all cognitive functioning suddenly begins to interact with others for a short time before dying Someone dreams of barely avoiding an accident and the near miss occurs the next day Some reports of strange occurrences can be explained away but repeatedly hearing about such things from credible sources can lead us to wonder whether the world is more mysterious than the predictable order we have taken for granted This book considers what it would mean for Christians to accept that the natural order has hidden depths that can produce strange phenomena How might it affect our understanding of such things as divine guidance or petitionary prayer or extraordinary healings How would we think about God's action in the world if our understanding of the created order allowed more room for mystery  $Mormonism\ 2010\ Handbook\ on\ Mormonism\ ,$
