*Testament of Cremer, the English Alchemist* John Cremer,1984-11-01    *The Jewish Alchemists* Raphael

Patai,2014-07-14 In this monumental work Raphael Patai opens up an entirely new field of cultural history by tracing Jewish alchemy from antiquity to the nineteenth century Until now there has been little attention given to the significant role that Jews played in the field of alchemy Here drawing on an enormous range of previously unexplored sources Patai reveals that Jews were major players in what was for centuries one of humanity s most compelling intellectual obsessions Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905    *The Hermetic Museum, Restored and Enlarged* ,1893

*Raymund Lully, Illuminated Doctor, Alchemist and Christian Mystic* Arthur Edward Waite,1922    **The Doctrines of**

**Alchemy** Alexander Henry,2012-07-10 A collection of many of the most important and influential pieces on the subject of Alchemy and the Hermetic Sciences This collection includes such works as The Hermetic Museum Collectanea Chemica Turba Philosophorum Coelum Philosophorum and Alchemy Rediscovered Restored    **The hermetic and alchemical writings of Aureolus Philippus Theophrastus Bombast of Hohenheim, called Paracelsus the great** ,1894

**The Alchemical Writings of Edward Kelly** Edward Kelly,1893    **Alchemy, Paracelsianism, and Shakespeare's The Winter's Tale** Martina Zamparo,2022-10-05 This book explores the role of alchemy Paracelsianism and Hermetic philosophy in one of Shakespeare s last plays The Winter s Tale A perusal of the vast literary and iconographic repertory of Renaissance alchemy reveals that this late play is imbued with several topoi myths and emblematic symbols coming from coeval alchemical Paracelsian and Hermetic sources It also discusses the alchemical significance of water and time in the play s circular and regenerative pattern and the healing role of women All the major symbols of alchemy are present in

Shakespeare s play the intertwined serpents of the caduceus the chemical wedding the filius philosophorum and the so called rex chymicus This book also provides an in depth survey of late Renaissance alchemy Paracelsian medicine and Hermetic culture in the Elizabethan and Jacobean ages Importantly it contends that The Winter s Tale in symbolically retracing the healing pattern of the rota alchemica and in emphasising the Hermetic principles of unity and concord glorifies King James s conciliatory attitude    **Mercurius, Or, the Marriage of Heaven & Earth** Patrick Harpur,2007 In 1952 a country clergyman called Smith begins his tortuous quest for the Holy Grail of alchemy the Philosophers Stone which transmutes base metal to gold and confers immortality As he pits himself against the bizarre perils of the Great Work it becomes clear that his arcane transformations are as much spiritual as chemical Gradually the shadow of alchemy falls over those around

him a young girl whose sudden pregnancy is a local scandal Janet trapped in a barren marriage and Robert who pursues his own quest for the legendary blue glass of Chartres Thirty years later Eileen comes to live in Smith's vicarage In the medieval cellar she unearths a hidden manuscript and begins to read of secret fire and mysterious prime matter a green lion and a raven's head a fatal conjunction of king and queen a descent into Blackness and putrefaction As she penetrates farther into the alchemical labyrinth she is haunted both by her own history and by that of her neighbours the menacing Mrs Zetterberg and the disfigured Pluto and finally by the enigma of Smith himself In separate but interwoven accounts Smith and Eileen strive towards the one thing necessary for the Work's success the great Secret guarded by the paradoxical Mercurius who leads them to the zero point where Heaven is wedded to Earth and the miraculous Stone appears at the intersection of time and eternity By reconstructing a highly sophisticated but almost forgotten world view Mercurius restores to us our own spiritual heritage which rooted in the alchemists dark retorts will perhaps flower in the light of the future
