Testament To Union Civil War Monuments In Washington D C

William A. Blair, Karen Fisher Younger

Testament To Union Civil War Monuments In Washington D C:

Testament to Union Kathryn Allamong Jacob, 1998-10-13 This book tells the stories behind the many District of Columbia statues that honor participants in the Civil War Organized geographically for easy use on walking or driving tours the entries list the subject and title of each memorial along with its sculptor medium date and location 92 photos **Civil War Monuments and the Militarization of America** Thomas J. Brown, 2019-10-10 This sweeping new assessment of Civil War monuments unveiled in the United States between the 1860s and 1930s argues that they were pivotal to a national embrace of military values Americans wariness of standing armies limited construction of war memorials in the early republic Thomas J Brown explains and continued to influence commemoration after the Civil War As large cities and small towns across the North and South installed an astonishing range of statues memorial halls and other sculptural and architectural tributes to Civil War heroes communities debated the relationship of military service to civilian life through fund raising campaigns artistic designs oratory and ceremonial practices Brown shows that distrust of standing armies gave way to broader enthusiasm for soldiers in the Gilded Age Some important projects challenged the trend but many Civil War monuments proposed new norms of discipline and vigor that lifted veterans to a favored political status and modeled racial and class hierarchies A half century of Civil War commemoration reshaped remembrance of the American Revolution and guided American responses to World War I Brown provides the most comprehensive overview of the American war memorial as a cultural form and reframes the national debate over Civil War monuments that remain potent presences on the civic landscape [A Guide to Civil War Washington, D.C.](#) Lucinda Prout Janke, 2013-03-19 An in depth account of the Civil War people and events that left their mark on the city at the heart of the Union shaping its historic legacy When the first shots of the Civil War were fired in 1861 Washington DC was a small essentially Southern city The capital rapidly transformed as it prepared for invasion army camps sprung up in Foggy Bottom the Navy Yard on Anacostia was a beehive of activity and even the Capitol was pressed into service as a barracks Local citizens and government officials struggled to accommodate the fugitive slaves and troops that crowded into the city From the story of one of the first African American army surgeons Dr Alexander Augusta to the tireless efforts of Clara Barton historian Lucinda Prout Janke renders an intimate portrait of a community on the front lines of war Join Janke as she guides readers through the changing landscape of a capital besieged Includes photos [Galveston and the Civil War](#) James M Schmidt, 2021-03-22 One of the oldest cities in Texas Galveston has witnessed more than its share of tragedies Devastating hurricanes yellow fever epidemics fires a major Civil War battle and more cast a dark shroud on the city s legacy Ghostly tales creep throughout the history of famous tourist attractions and historical homes The altruistic spirit of a schoolteacher who heroically pulled victims from the floodwaters during the great hurricane of 1900 roams the Strand The ghosts of Civil War soldiers march up and down the stairs at night and pace in front of the antebellum Rogers Building The spirit of an unlucky man decapitated by an oncoming train haunts the railroad

museum moving objects and crying in the night Kathleen Shanahan Maca explores these and other haunted tales from the Oleander City

American Military History Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums

Civil War to the Bloody End Jerry D. Thompson, 2006 If President Lincoln could have unmade a general perhaps he would have started with Samuel Peter Sourdough Heintzelman whose early military successes were overshadowed by a prickly disposition and repeated Union defeats during the Civil War By the time his friend Robert E Lee left Arlington to lead a Rebel army against the bluecoats Heintzelman had already seen duty in Mexico established Fort Yuma in California in 1850 mined for silver in Arizona and ably led U S forces on the Texas Mexico border during the 1859 60 Cortina War During the Civil War he was in the forefront of the fighting at First Bull Run and the disastrous 1862 Peninsula Campaign He commanded the III Corps of the Army of the Potomac at the siege of Yorktown and in the ferocious fighting at Williamsburg Fair Oaks Oak Grove Savage s Station Glendale and Malvern Hill Although he aspired to succeed Gen George B McClellan he was relieved of his command after his troops were badly mauled at Second Bull Run After demonstrating his inability to guard the southern approaches to Washington D C from Virginia guerillas he spent the latter part of the war administering prison camps in the Midwest keeping a watchful eye on Copperhead subversives and quarreling with more than one disgruntled governor In early Reconstruction Texas Heintzelman struggled with the conflict between former Secessionists and Radical Republicans

BOOK JACKET

Legacy of Disunion Susan Mary Grant, Peter J. Parish, 2003-03-01 The conviction that the American Civil War left a massive legacy to the country has generally been much clearer than the definition of what that legacy is Did the war as Ulysses S Grant believed bequeath power intelligence and sectional harmony to America or did it as many have argued sow racial and regional bitterness that has blighted the nation since 1865 What exactly was the legacy of disunion This collection explores that question from a variety of angles showcasing the work of twelve scholars from the United States and the United Kingdom The essays ponder the role of history myth and media in sustaining the memory of the war and its racial implications in the South Abraham Lincoln s legacy and the war s consequences in less studied areas such as civil military relations constitutional and legal history and America s ascent on the international stage By juxtaposing American and non American interpretations this stimulating volume sheds light on aspects of the war s legacy that from a purely American

viewpoint are sometimes too close for comfort Perhaps the greatest legacy of the Civil War is its ongoing debate and continuing fascination worldwide *Historical Dictionary of Washington, D.C.* Robert Benedetto, Jane Donovan, Kathleen Du Vall, 2003 The introduction in narrative style summarizes the history of government and economy cultural life education parks construction of the national capital the war of 1812 and the growth of the city the Great Depression the war years the civil rights movement and urban problems A chronology and substantial bibliography round out this work Jacket

Lincoln's Proclamation William A. Blair, Karen Fisher Younger, 2009-11-01 The Emancipation Proclamation widely remembered as the heroic act that ended slavery in fact freed slaves only in states in the rebellious South True emancipation was accomplished over a longer period and by several means Essays by eight distinguished contributors consider aspects of the president's decision making as well as events beyond Washington offering new insights on the consequences and legacies of freedom the engagement of black Americans in their liberation and the issues of citizenship and rights that were not decided by Lincoln's document The essays portray emancipation as a product of many hands best understood by considering all the actors the place and the time The contributors are William A Blair Richard Carwardine Paul Finkelman Louis Gerteis Steven Hahn Stephanie McCurry Mark E Neely Jr Michael Vorenberg and Karen Fisher Younger *America's Church* Thomas A. Tweed, 2011-06-28 The National Shrine in Washington DC has been deeply loved blithely ignored and passionately criticized It has been praised as a dazzling jewel and dismissed as a towering Byzantine beach ball In this intriguing and inventive book Thomas Tweed shows that the Shrine is also an illuminating site from which to tell the story of twentieth century Catholicism He organizes his narrative around six themes that characterize U S Catholicism and he ties these themes to the Shrine's material culture to images artifacts or devotional spaces Thus he begins with the Basilica's foundation stone weaving it into a discussion of brick and mortar Catholicism the drive to build institutions To highlight the Church's inclination to appeal to women he looks at fund raising for the Mary Memorial Altar and he focuses on the Filipino oratory to Our Lady of Antipolo to illustrate the Church's outreach to immigrants Throughout he employs painstaking detective work to shine a light on the many facets of American Catholicism reflected in the shrine **The Second Manassas Campaign** Caroline E. Janney, Kathryn J. Shively, 2025-04 Waged from June 26 to September 1 1862 the Second Manassas campaign pitted the US Armies of Virginia and the Potomac against the Confederate Army of Northern Virginia and its new commander Robert E Lee The campaign unfolded against a backdrop of momentous US political decisions regarding confiscation emancipation and Confederate civilians These decisions dismayed and energized Confederates sparking the debut of Lee's offensive strategy Weeks of strategic movements were punctuated by savage fighting that culminated in a climactic battle on August 28-30 Second Manassas destroyed the careers of US army commander John Pope and corps commander Fitz John Porter Despite the dramatic impact of the campaign it is often forgotten in the larger history of the Civil War and sorely understudied The essays in this volume provide valuable attention to strategy tactics and logistics the performances of key

commanders on each side the campaign's political dimensions the connections between home front and battlefield and the memory of the campaign's aftermath Contributors include Keith S Bohannon Gary W Gallagher John J Hennessy Peter C Luebke James Marten William Marvel and Cecily Zander

Monuments to the Lost Cause Cynthia Mills, Cynthia J. Mills, Pamela Hemenway Simpson, 2003 This richly illustrated collection of fourteen essays examines the ways in which Confederate memorials from Monument Avenue to Stone Mountain and the public rituals surrounding them testify to the tenets of the Lost Cause a romanticized narrative of the war Several essays highlight the creative leading role played by women's groups in memorialization while others explore the alternative ways in which people outside white southern culture wrote their very different histories on the southern landscape The authors who include Richard Guy Wilson Catherine W Bishir W Fitzhugh Brundage and William M S Ramussen trace the origins objectives and changing consequences of Confederate monuments over time and the dynamics of individuals and organizations that sponsored them Thus these essays extend the growing literature on the rhetoric of the Lost Cause by shifting the focus to the realm of the visual They are especially relevant in the present day when Confederate symbols and monuments continue to play a central role in a public and often emotionally charged debate about how the South's past should be remembered The editors Art Historian Cynthia Mills a specialist in nineteenth century public sculpture is executive editor of *American Art* the scholarly journal of the Smithsonian American Art Museum Pamela H Simpson is the Ernest Williams II Professor of Art History at Washington and Lee University She is the coauthor of *The Architecture of Historic Lexington*

The Library of Congress Civil War Desk Reference Margaret E. Wagner, Gary W. Gallagher, Paul Finkelman, 2009-11-24 History *Remembering the Civil War* Caroline E. Janney, 2013-06-03 As early as 1865 survivors of the Civil War were acutely aware that people were purposefully shaping what would be remembered about the war and what would be omitted from the historical record In *Remembering the Civil War* Caroline E Janney examines how the war generation men and women black and white Unionists and Confederates crafted and protected their memories of the nation's greatest conflict Janney maintains that the participants never fully embraced the reconciliation so famously represented in handshakes across stone walls Instead both Union and Confederate veterans and most especially their respective women's organizations clung tenaciously to their own causes well into the twentieth century Janney explores the subtle yet important differences between reunion and reconciliation and argues that the Unionist and Emancipationist memories of the war never completely gave way to the story Confederates told She challenges the idea that white northerners and southerners salved their war wounds through shared ideas about race and shows that debates about slavery often proved to be among the most powerful obstacles to reconciliation

Capital Engineers, The U.S. Army Corps of Engineers in the Development of Washington, D.C. 1790--2004, EPA 870-1-67, 2011, 2013 *Clinging to Mammy* Micki McElya, 2007-10-31 When Aunt Jemima beamed at Americans from the pancake mix box on grocery shelves many felt reassured by her broad smile that she and her product were dependable She was

everyone's mammy the faithful slave who was content to cook and care for whites no matter how grueling the labor because she loved them This far reaching image of the nurturing black mother exercises a tenacious hold on the American imagination Micki McElya examines why we cling to mammy She argues that the figure of the loyal slave has played a powerful role in modern American politics and culture Loving hating pitying or pining for mammy became a way for Americans to make sense of shifting economic social and racial realities Assertions of black people's contentment with servitude alleviated white fears while reinforcing racial hierarchy African American resistance to this notion was varied but often placed new constraints on black women McElya's stories of faithful slaves expose the power and reach of the myth not only in popular advertising films and literature about the South but also in national monument proposals child custody cases white women's minstrelsy New Negro activism anti lynching campaigns and the civil rights movement The color line and the vision of interracial motherly affection that helped maintain it have persisted into the twenty first century If we are to reckon with the continuing legacy of slavery in the United States McElya argues we must confront the depths of our desire for mammy and recognize its full racial implications

Notre Dame and the Civil War James M. Schmidt, 2010-11-24 While many institutions of higher education made great sacrifices during the Civil War few can boast of the dedication and effort made by the University of Notre Dame For four years Notre Dame gave freely of its faculty and students as soldiers sent its Holy Cross priests to the camps and battlefields as chaplains and dispatched its sisters to the hospitals as nurses Though far from the battlefields the war was ever present on campus as Notre Dame witnessed fisticuffs among the student body provided a home to the children of a famous general responded to political harassment and tried to keep at least some of its community from the fray At war's end a proud Notre Dame welcomed back several bona fide war heroes and became home to a unique veterans organization

Where Texas Meets the Sea Alan Lessoff, 2019-02-05 Demonstrating how the growth of a midsized city can illuminate urban development issues across an entire region this exemplary history of Corpus Christi explores how competing regional and cosmopolitan influences have shaped this thriving port and leisure

Searching for George Gordon Meade Tom Huntington, 2013-02 A historian's investigation of the life and times of Gen George Gordon Meade to discover why the hero of Gettysburg has failed to achieve the status accorded to other generals of the conflict Covers Meade's career from his part in the Mexican American War through his participation in the great Civil War engagements including Second Bull Run Antietam Fredericksburg Chancellorsville Gettysburg Richmond and Petersburg Available for the 150th anniversary of the Battle of Gettysburg Explores Meade's legacy today at reenactments battlefields museums and institutions that preserve history AUTHOR Tom Huntington lives in Camp Hill Pennsylvania and is an editor for Stackpole Magazines He is the former editor of Historic Traveler and American History magazines His articles on historical topics have appeared in Civil War Times American Heritage Smithsonian Yankee America in WWII Air Space and British Heritage 20 b w photographs

U. S. Grant Waugh, 2010-07-09 Grant was the most famous person in America considered

by most citizens to be equal in stature to George Washington and Abraham Lincoln Yet today his monuments are rarely visited his military reputation is overshadowed by that of Robert E Lee and his presidency is permanently mired at the bottom of historical rankings In an insightful blen

Testament To Union Civil War Monuments In Washington D C Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Testament To Union Civil War Monuments In Washington D C free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Testament To Union Civil War Monuments In Washington D C free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Testament To Union Civil War Monuments In Washington D C free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Testament To Union Civil War Monuments In Washington D C. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Testament To Union Civil War Monuments In Washington D C any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Testament To Union Civil War Monuments In Washington D C Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Testament To Union Civil War Monuments In Washington D C is one of the best book in our library for free trial. We provide copy of Testament To Union Civil War Monuments In Washington D C in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Testament To Union Civil War Monuments In Washington D C. Where to download Testament To Union Civil War Monuments In Washington D C online for free? Are you looking for Testament To Union Civil War Monuments In Washington D C PDF? This is definitely going to save you time and cash in something you should think about.
