**Testimonies for the Church Volume 1** Ellen G. White, 2022-03-21 This is the first volume of a 9 book series by Ellen G White entitled Testimonies for the Church which was started as instruction and guidance to the Seventh day Adventist Church during its infancy during the late 1840 s and early 1850 s During that time there were only four ministers serving the entire denomination The ministers who supported themselves through physical labor were poor in this world s goods but rich in the gospel By 1855 membership in the fledgling denomination had grown from less than a hundred to more than a thousand During those years of growth opposition by a group called the Messenger Party brought much sorrow and perplexity to the believers Fanatical movements also divided and distracted from time to time Discouraged by the fact that Jesus had not come in 1844 the church was in danger of losing its first love With the Gold Rush and westward movement those years were also a time of speculation in homesteads and land As a result these testimonies contain more than a few earnest warnings about the dangers of conformity to the world Calls to deeper consecration on the part of church members were also frequent In late 1856 Advent believers began to recognize themselves as lukewarm and in need of heeding the counsel of the True Witness witness of Revelation 3 Mightily stirred by this message the believers expected the loud cry of the third angel to take place very soon The earnest messages of Testimonies Volume One can be better understood with this background in mind The times of this volume were also filled with discussion and debate Adventist ministers including one prominent one named Moses Hull were often challenged to debate about the Sabbath or even with Spiritualists Moses Hull s ill advised debates with spiritualists which led to his ultimate spiritual demise were addressed in some of the counsels included in Volume One During the times of this volume steps were also being taken to organize the Seventh day Adventist Church There was much discussion about the idea of organization as opponents of the move argued that the idea of organization itself came straight from Babylon Also notable during this period was the introduction of health reform in 1863 After Ellen White received a vision that emphasized the relationship between the laws of health and spiritual development she began to admonish the members on this topic Reforms in dress were also closely related to the health reform movement Additional counsel led the members to establish the Health Reform Institute During the American Civil War guidance was also needed and provided about the proper relationship between the church and civil government Other notable topics covered during those formative years and included in Testimonies for the Church Volume One included the importance of the home in the building of Christian character the responsibility of parents and admonitions for the youth Counsel and admonition for the church body was also included All in all the counsels in Volume One spanned a very important phase in the development of the Seventh day Adventist Church and were very influential in its development

records of visions and instruction regarding the everyday affairs of life Specifically targeted at members of the Seventh day Adventist Church the Testimonies found their genesis in 1855 when a question arose about how best to circulate Ellen White s visions After some discussion it was voted that the visions would be distributed in tract form to the entire body of believers This method of distribution proved so successful that by 1864 Mrs White had produced ten consecutively numbered pamphlets These pamphlets contained general counsel to the church at large They also contained specific counsel to individuals since Ellen White realized that the instruction to one person would help others in similar circumstances Although the earliest pamphlets went out of print in 1883 the church standardized the messages which by then had grown into many more communications into a nine volume set of Spirit of Prophecy counsels This set which contains spiritual commentary of a general nature along with many letters of intimate instruction to members of the church during Ellen White s time has become a staple of Adventist literature

White,2022-03-28 This last volume of the series *Testimonies to the Church* by Ellen G White covers the time span between 1904 and 1909 As the Seventh day Adventist church and its institutions continued to grow and evolve continued counsel was needed on a number of issues During the time that the work was being established in the nation s capital Mrs White even made her home there for a period of several months From there in the closing years of her ministry she could give counsel as the new headquarters were being erected a college established a new sanitarium constructed and a new home found for the Review and Herald printing operation The presence of Mrs White in the area at that time helped establish the confidence of church members that God had led in the transfer of the administration and publishing interests to the nation s capital While progress was being made in the East the Adventist medical work was rapidly advancing in the West Sanitariums were established in National City Glendale and Loma Linda California From the first Loma Linda seemed destined to become a training center for medical workers at some future time to do the work for the denomination begun at Battle Creek During the critical years of the establishment of the medical college Mrs White made frequent visits to Southern California where she could give personal counsel and encouragement and could assist in the laying of plans for the advancing work Because of her many other commitments The Ministry of Healing was the only book issued by Ellen White during the time period covered by *Testimonies* Volume 9 The work of the denomination had by this time grown too large for us to mention in detail the various advance steps The message was now belting the globe missionaries were being sent out in increasing numbers more institutions devoted to educational publishing and medical interests were being established The message was truly reaching the ends of the earth From the early struggling days addressed by earlier volumes of the *Testimonies* the church had grown to include 85 000 members and 1 200 ministers As the work progressed Mrs White continued to encourage the church in the lines of medical missionary work evangelizing the large cities home missionary work and the circulation of literature In volume 9 Mrs White also devoted considerable attention to the work among African Americans which were then known as the colored people and also to religious liberty work The nine volumes of *Testimonies for the Church* of which this is the last were written over a period of fifty five years during which the Seventh day Adventist church continually grew developed and prospered While the counsel given in those testimonies provided safe guidance the reproof and correction led many straying feet back to the paths of righteousness The words of cheer and encouragement also revived many a faint heart and the picture of the reward of the faithful spurred thousands to reach the goal set before them a work they continue to do today      **Testimonies for the Church** Ellen Gould

White,2022-03-21 While volume 1 of the Testimonies focused mainly on counsel for the fledgling Seventh day Adventist church volume 2 was devoted almost entirely to the personal piety of its members In the words of Ellen White these testimonies all contain more or less reproof and instruction which apply to hundreds or thousands of others in similar condition The instruction which was forthright and practical dealt with many aspects of Christian living including but not limited to gossip indulgence of appetite marriage greed and fanaticism During the times of volume 2 the Health Institute at Battle Creek was beginning to prosper With companies established on the West coast and in Europe the church had grown geographically as well as in membership Despite the growth members in the young movement still struggled with worldliness lack of spirituality and a spirit of criticism Against these dangerous trends Ellen White continued to lift her voice and pen Counsels in this volume also related to the growing publishing work of the Review and Herald in Battle Creek Michigan The numerous visions which Ellen White had during this time kept her busy nearly constantly to the point where her husband once wrote Mrs White is writing Poor woman This almost eternal writing for this one and that one when she should rest and enjoy the beautiful scenery and the pleasant society seems too bad but God blesses and sustains and we must be reconciled In the years since the many testimonies Mrs White wrote personally to various individuals have been a great blessing to untold numbers of church members Many who have read these earnest counsels and warnings have discovered that the problems temptations and privileges of believers of earlier years were the same they themselves were facing at the time Thus these messages of more than a century ago continue to bear powerful fruit today *Testimony for the Church* Ellen G. Testimonies for the Church Volume 5 Ellen G. White, 2022-03-28 This volume of Testimonies to members of the Seventh day Adventist Church spans the years from 1882-1889 During this eventful decade two new advanced schools in Massachusetts and California respectively were added to educate future workers for the church The volume addresses many of the challenges from discipline to choosing curriculum attending the educational work The 1880's were a prolific time in terms of publishing for the growing church In addition to Testimonies for the Church Volume 5 books written by Ellen White included A Sketch of the Christian Experience and Views of Ellen G White Spiritual Gifts Volume One and Sketches from the Life of Paul The Great Controversy which was also finished during this time period was published in 1884 and immediately sent forth through colporteurs to many thousands of homes During those years the denominational headquarters in Battle Creek Michigan along with the publishing house and sanitarium there continued to prosper and grow To staff these institutions large numbers of Adventists moved to Battle Creek The challenges of so many Adventists gathering in one center with the inevitable tendency to become complacent and worldly are addressed in the early part of this volume The dangers that the work would lose its initial simplicity is also addressed while the virtues of economy industry and alertness are emphasized Messages of warning and encouragement were also penned to the growing number of members in the Pacific Northwest Many settlers and pioneers in the push westward with their energy daring and rugged individuality accepted the call of the Advent message These energetic pioneers needed the strong molding influence of the Spirit of God in the development of Christian character together with warnings against the love of money and worldly ambitions Counsel on building solid church edifices against lightly regarding pledges to God's cause and many other problems arising from the new territories are also included in this volume While the work in Europe continued to grow the

church was also challenged by a leading evangelist who lost his way Two communications written by Ellen White to try to save this man from the plunge he eventually took are found in this volume Criticisms of the prophetic gift are also addressed Towards the close of the time span covered by volume 5 the simple message of salvation through righteousness by faith was proclaimed more fully in the 1888 General Conference session held in Minneapolis Minnesota The spiritual revival resulting from those meetings was quickly followed by a crisis in the United States in the form of a proposed national Sunday law As a result the topic of liberty of conscience together with the appropriate roles of church and state are also discussed in this volume Because of the practical nature of its timely warnings and counsels volume 5 is still of great value to the church today Its pages include solemn statements about the preparation needed for the impending conflict and the nearness of the end Executives are admonished physicians counseled parents instructed teachers warned and all are called to deeper consecration When released the counsel of Testimonies volume 5 exerted a steadying sobering influence upon Adventists as they launched into greater lines of endeavor They exert the same influence today *Testimonies to the Church* H. E. Ross,1996 **Gospel Workers** Ellen G. White,2005 *Testimonies for the Church Volume 3* Ellen G. White,2022-03-21 In 1872 when the first testimony of volume 3 was written most members of the still small Seventh day Adventist Church lived in the central and Northeastern United States At that time the church employed 86 ministers It also operated one publishing house and one small medical institution both of which were in Battle Creek Michigan During the early years of church growth James White tirelessly pioneered the way By 1872 Elder White was beginning to break under the load which explains why the great need more and younger help to shoulder the load received so much emphasis in volume 3 Warnings were also given against the hazards of looking to one man as the leader James White s own failing health his conviction that others should be stepping in to lift the burdens and his frequent calls to duty elsewhere all resulted in the Whites spending time away from Battle Creek In an effort to regain and preserve their health they spent time in California and the mountains of Colorado With the Whites away others were forced to assume responsibilities of leadership at the headquarters strengthening the work During this time Ellen White continued to encourage believers in the work of health reform Church members also developed a wider missionary interest leading them to see the entire world as their field of labor They began to recognize the need to educate workers to go out into the field The little school established by Goodloe Bell in Battle Creek was only the beginning of the much wider educational work to come During the times of volume 3 the idea of systematic benevolence or regular giving was also developed and explained much more fully With Scriptural guidance and the continued counsel of Ellen White members came to understand that giving was much more than a way to raise money for it developed and perfected character in the giver as well Energetic evangelistic efforts led to conflict with other religious groups with counsel being given against argument and debate Volume 3 contains many personal messages given to believers of various background many of them with experiences that Ellen White said were similar to those of others The story of how Ellen White approached some

backsliding children of a believer and tenderly prayed with them before being taken into vision is related in this volume As it was described The news spread and soon the house was crowded Sinners trembled believers wept and backsliders returned to God The work was not confined to those present as we have since learned Some who had remained at home were powerfully convicted They saw themselves as they had never done before The angel of God was shaking the place The shortness of time the terrors and nearness of coming judgments and the time of trouble the worldly mindedness of the church their lack of brotherly love and their state of unreadiness to meet the Lord were strongly impressed upon the minds of all Such were the times of volume 3      **Ellen G. White Special Testimonies, Series a and B** Ellen Gould Harmon White, 2014-02-09 Some 230 articles of spiritually and historically important counsels from the Lord Back in the 1890 s there was published a series of twelve pamphlets that bore the title Special Testimonies to Ministers And Workers These pamphlets with multiple E G White articles each became known as Special Testimonies Series A At nearly the same time during the decade which followed the 1888 General Conference session held in Minneapolis Minnesota important messages came from Ellen White to the Central Church at Battle Creek to the General Conference Committee and to other responsible men at the heart of the work These messages much more abundant than Series A were printed and distributed in tract form as Special Testimonies to the Battle Creek Church and Special Testimonies to Ministers and Workers This group of messages became known as Special Testimonies Series B Inspiring messages from the Lord s servant and important counsel to specific individuals and groups are to be found in this little known collection These comments and admonitions were directed to leadership during the tumultuous years of the issue of righteousness by faith at the 1888 General Conference Session the 1901 General Conference Session with its reorganization of the Church the loss by fiery judgment of both the Battle Creek Sanitarium and the Review and Herald Publishing House the apostasy of Dr John Harvey Kellogg with the final loss to the organization of the rebuilt sanitarium the move of the General Conference headquarters to Washington D C and the establishment of Loma Linda and multiple other sanitariums See the Preface and the Historical Foreword to Testimonies to Ministers for further background information regarding these important times of church history Some of the tracts have more than one version a b and even c This is because at times a publisher would print a later version with different articles but with the same name On one occasion two different publishers printed a tract with differing articles but each publisher gave their tract the same name that the other did All versions of the tracts are in this publication To Brethren in Responsible Positions November 1890 BRETHREN IN RESPONSIBLE positions you are in danger I lift my voice in warning Beware Unless you watch and keep your garments unspotted from the world Satan will stand as your captain It is no time now to hide your colors no time to turn traitor when the battle presses sore It is no time to lay down or hide our weapons and give Satan the advantage in the warfare Watchmen on the walls of Zion must be wide awake Call to your fellow watchmen in no sleepy terms The morning cometh and also the night If no response is made then know that the watchman is unfaithful It is no time

now to relax our efforts to become tame and spiritless no time to hide our light under a bushel to speak smooth things to prophesy deceit No no there is no place for sleepy watchmen on the walls of Zion Every power is to be employed wholly and entirely for God Maintain your allegiance bearing testimony for God and for truth Be not turned aside by any suggestions the world may make We can make no compromise There is a living issue before us which will be of vital importance to the remnant people of God to the very close of this earth s history for eternal interests are here involved We are to look constantly to the Lord Jesus Christ the Captain of our salvation In all he did he was working out the will of his Father so that his life on earth was a manifestation of the divine perfection The union of divinity with humanity in Christ was to reveal to us God s purpose to bring men into the closest connection with himself We cannot possibly be happy without him SpTA01b An Appeal to Our Ministers and Conference Committees 1892
