Testimony of Light Helen Greaves, 1969 **Testimony of Light** Frances Banks, Helen Greaves, 1969 Mysticism. Azoth, Or The Star in the East ... Arthur Edward Waite, 1893 The Gospel of John and the Sociology of <u>Light</u> Norman R. Petersen, 2008-12-09 This provocative study of the language of the Fourth Gospel pursues the complicated but intriguing thesis that the Gospel's language is a blend of everyday ordinary language and a special language suitable to the Johannine community This special language transforms the ordinary language in a way that makes it into an anti language The oppositional character of the language then fuctioned socially to distinguish the Johannine believers from their opponents By addressing the perplexing issue of the language of the Fouth Gospel in a way that has not yet been done Professor Petersen has made his work essential for specialists in New Testament and especially in Johannine studies The work deals with the literary historical and sociological features of the Fourth Gospel Its use of diverse methodologies is one of the book s extraordinary values reflecting the current need for interdisciplinary efforts in Johannine studies Review of Army Procurement of Light Observation Helicopters United States. Congress. House. Committee on Armed Services. Subcommittee for Special Investigations, 1967 Investigates R D contracting and procurement of Army lightweight helicopter for use in Vietnam Darkness Falls on the Land of Light Douglas L. Winiarski, 2017-02-09 This sweeping history of popular religion in eighteenth century New England examines the experiences of ordinary people living through extraordinary times Drawing on an unprecedented quantity of letters diaries and testimonies Douglas Winiarski recovers the pervasive and vigorous lay piety of the early eighteenth century George Whitefield's preaching tour of 1740 called into question the

fundamental assumptions of this thriving religious culture Incited by Whitefield and fascinated by miraculous gifts of the Holy Spirit visions bodily fits and sudden conversions countless New Englanders broke ranks with family neighbors and ministers who dismissed their religious experiences as delusive enthusiasm These new converts the progenitors of today s evangelical movement bitterly assaulted the Congregational establishment The 1740s and 1750s were the dark night of the New England soul as men and women groped toward a restructured religious order Conflict transformed inclusive parishes into exclusive networks of combative spiritual seekers Then as now evangelicalism emboldened ordinary people to question traditional authorities Their challenge shattered whole communities The Light of Truth, and Pleasure of Light Russel The Gospel according to John John Peter Lange, 2007-05-01 Presented here in paperback for the first time is John Peter Lange's Theologischhomiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This 19th century commentary has served as a standard reference for more than a century Many early reviewers regarded Schaff's edition with his additional material as superior to the original It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers It contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect The Orb of Light; Or, The Apocalyptic Vision Lady, 1860 *Life and Writings of Theophilus R.
