

The background of the cover is a photograph of a mountain range. In the foreground, a large, dark rock formation slopes upwards from the bottom right towards the center. A person is visible on a small peak of this rock, looking towards the left. In the background, a more prominent mountain peak rises, its slopes dotted with patches of snow. The sky is blue with scattered white clouds. The entire scene is framed by a thin yellow border.

Teton Rock Climbs Aaron Gams, 2012. Teewinot Jack Turner, 2001-11-10. Jack Turner grew up with an image of the Tetons engraved in his mind. As a young man he climbed the peaks of this singular range with basic climbing gear and friends. Later in life he led treks in India, Pakistan, Nepal, China, Tibet, and Peru, but he always returned to the mountains of his youth. He continues to climb the Tetons as a guide for Exum Mountain Guides, the oldest and most prestigious guide service in America. Teewinot is his ode to forty years in the mountains that he loves. Like Thoreau and Muir, Turner has contemplated the essential nature of a landscape. Teewinot is a book about a mountain range, its austere temper, its seasons, its flora and fauna, a few of its climbs, its weather, and the glory of the wildness. It is also about a small group of guides and rangers, nomads who inhabit the range each summer and know the mountains as intimately as they will ever be known. It is also a remarkable account of what it is like to live and

work in a national park Teewinot has something for everyone spellbinding accounts of classic climbs awe at the beauty of nature and passion for some of the environmental issues facing America today In this series of recollections one of America s most beautiful national parks comes alive with beauty mystery and power The beauty mystery and power of the Grand Tetons come alive in Jack Turner s memoir of a year on America s most beautiful mountain range Backpacker ,2001-03 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured
