excellence through the exchange of ideas and collaboration with the world's finest scholars, researchers and industry leaders. That goal, cultivated in large part by the university's Vision 2020 aspirational plan launched in 1997, eventually took shape as the Texas A M University Hagler Institute for Advanced Study Building on this enhanced base to continue the momentum toward Vision 2020's first imperative of elevating the faculty and their teaching, research and scholarship, the Hagler Institute brings outstanding senior scholars to the Texas A M campus on a temporary basis. The institute thus enhances research productivity among the faculty and enriches the educational experience for students. These top visiting scholars contribute new research ideas, engage in collaborative research, provide mentoring for younger faculty and contribute to the development of inspired graduate students. Providing a catalyst for high quality innovative research across the multiple disciplines represented in the university, the Hagler Institute continues to enhance the intellectual climate of the university in multiple ways. By affording faculty and students the perspectives of Nobel laureates and winners of various awards from national academies, the Hagler Institute continues to reflect the vision of its founding director John Junkins, enhancing the academic reputation and innovative leadership of Texas A M University.

Pressed, Clean, and Properly Fitted James C. Griffin, 2025-05-01. The Corps of Cadets is the oldest student organization at Texas A M University. Founded in 1876 when the university first opened its doors as the Agricultural and Mechanical College of Texas, the Corps is one of the more visible and pervasive Aggie traditions, with its members being easily identified by their distinctive uniforms. While this storied organization is found throughout Aggie history books, no documentation of the evolution of the various uniforms that cadets have donned over the last 150 years has existed until now. In *Pressed Clean and Properly Fitted: A Photographic History of the Texas A M University Corps of Cadets Uniform*, author James C. Griffin III, 71, presents this missing history for the first time, piecing together the fascinating evolution of Corps dress from the organization's founding to the present day. In true Aggie fashion, the overall nature and appearance of the uniform—senior boots with silver spurs and chains, Sam Browne belts, sabers and shades of olive drab—has been consistent since the 1920s, connecting Aggies across generations and cementing the modern-day image of the Corps uniform that is an integral part of the university's culture of tradition. Hundreds of photographs with descriptive captions illustrate the many detailed changes made to Corps uniforms over the years, augmenting Griffin's thorough coverage of the external factors and decision makers involved in the uniform's long history of development. The three appendixes provide a concise timeline of uniform changes, a breakdown of uniform accoutrements, and a selection of research notes from primary source materials.
