

Texas Guns

Lawrence Wright

Texas Guns:

The Texas Gun Trade Chris Hirsch, 2008 This new book from Mowbray Publishers is the result of the author's almost 20 years of research. It attempts to shed light on the extent of the gun trade in Texas during its early times. Though the military connection is touched upon in this book, the civilian gun trade is the main objective. Many of the old established gun dealers in Texas became quite successful while others came and went. Each major city seemed to have one gun dealer that stood above all others. Included in this extensive directory of over 1,200 dealers and makers are the Dance Brothers of Anderson, the Erichson family of Houston, E. A. Worden of Dallas, Charles Hummel of San Antonio, J. C. Petmecky of Austin, A. J. Anderson of Fort Worth, and countless other dealers and tradesmen, many of whom could have books dedicated to them alone. More than 1,200 listings and over 700 black and white photographs 8.5x11 and printed on heavy coated paper. **Texas Rifles** Elmer Kelton, 1998-01-15 The new Confederacy facing into the Union cannon had too much on its hands to send troops to the Texas frontier to hold back the Indians. Instead, it authorized the State of Texas to raise its own troops. Many kinds of men drifted into the Texas Mounted Rifles. Some thought it might be safer than fighting in far off Virginia. Many were merely young men, a thirst for adventure. Some were settlers who saw this as the best way to protect their families and homes against the murderous thrusts of the Comanche. And some were men who still loved the Union, who had lived too long under that gallant flag to turn their guns against it now. Such a man was Scout Sam Houston Cloud. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Up in Arms: Gun Imaginaries in Texas**, 2022-08-15 Up in Arms provides an illustrative and timely window onto the ways in which guns shape people's lives and social relations in Texas. With a long history of myth, lore, and imaginaries attached to gun carrying, the Lone Star State exemplifies how various groups of people at different historical moments make sense of gun culture in light of legislation, political agendas, and community building. Beyond gun rights restrictions or the actual functions of firearms, the book demonstrates how the gun question itself becomes loaded with symbolic firepower, making or breaking assumptions about identities, behavior, and belief systems. Contributors include Benita Heiskanen, Albion M. Butters, Pekka M. Kolehmainen, Laura Hernández, Ehrisman Lotta, K. H. K. nen, Mila Seppälä, and Juha A. Vuori. *Texas Rifles and Massacre at Goliad* Elmer Kelton, 2013-02-26 Texas rifles. As the Confederate States confront the hardships of the Civil War, the State of Texas is forced to raise its own troops to hold back hostile Comanche, a force that includes men still loyal to the Union, including Scout Sam Houston Cloud. **Firearms of the Texas Rangers** Doug Dukes, 2020-08-14 From their founding in the 1820s up to the modern age, the Texas Rangers have shown the ability to adapt and survive. Part of that survival depended on their use of firearms. The evolving technology of these weapons often determined the effectiveness of these early day Rangers. John Coffee, Jack Hays, and Samuel Walker would leave their mark on the Rangers by incorporating new technology which allowed them to alter tactics when confronting their adversaries. The Frontier Battalion was created at about the same time as the Colt Peacemaker and the

Winchester 73 these were the guns that won the West Firearms of the Texas Rangers with more than 180 photographs tells the history of the Texas Rangers primarily through the use of their firearms Author Doug Dukes narrates famous episodes in Ranger history including Jack Hays and the Paterson the Walker Colt the McCulloch Colt Revolver smuggled through the Union blockade during the Civil War and the Frontier Battalion and their use of the Colt Peacemaker and Winchester and Sharps carbines Readers will delight in learning of Frank Hamer s marksmanship with his Colt Single Action Army and his Remington along with Captain J W McCormick and his two 45 Colt pistols complete with photos Whether it was a Ranger in 1844 with his Paterson on patrol for Indians north of San Antonio or a Ranger in 2016 with his LaRue 7 62 rifle working the Rio Grande looking for smugglers and terrorists the technology may have changed but the gritty job of the Rangers has not

Six-Guns and Saddle Leather Ramon Frederick Adams,1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more Guns and College Homicide Stephen K. Boss,2019-01-10 At a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that American college campuses are not magnets for murderers but sanctuaries from them Because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the U S public at large Drawing on crime data submitted in compliance with the Clery Act and public reports of those crimes this study inventories every documented homicide at a U S college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety **As Texas Goes...: How the Lone Star State Hijacked the American Agenda** Gail Collins,2012-05-29 Discusses the conservative political agenda that began in Texas and how it became a national movement with far reaching social and economic consequences CAPTAIN SAM The Texas Convoy Captain Eugene Ray Martin,2017-07-31 Captain Sam is an experienced convoy commander and captain of a Mahan class destroyer He is responsible for thousands of men in warships and the merchant ships of this convoy that must get to England for that country to survive The Germans had proved the master of the Atlantic in this war this battle of the Atlantic German submarines had sunk thousands of ships Those ships carried desperately needed things for England everything from food medicines and clothing And naturally things to make war things needed to invade France and end the terror the Germans created all over Europe This was the time of the war when the Allies finally had enough ships and aircraft to counter the Germans in the Atlantic The Germans were still very formidable The Germans were desperate to stop supplies from reaching England otherwise they knew it will get much worse for them The Texas Navy United States. Naval History Division,1968 UNITED STATES SHIP TEXAS THE ELDORADO ADVENTURE Captain Eugene Ray Martin,2017-09-22 President Roosevelt in 1941 sent the twenty seven year old battleship Texas and her mini task force on an important mission to an American territory Not to protect that territory but to salvage their wealth before the Japanese can obtain that wealth and

use it to build more weapons of war Their primary goal was to avoid frightening or threatening the Japanese thus giving the Japanese an excuse to start a war At that time the Japanese were rattling their sabers The Americans expected the Japanese at any time to attack somewhere in Southeast Asia The Japanese were in the midst of a multiyear attempt to colonize China Because of the political intrigue they had to secretly organize the expedition They had to decide what minimum resources were available It took time for political mechanisms to get started and for the military planners to organize the expedition It had to be done right the first time They will face frantic Japanese forces with overwhelming forces *The Texas Gun Club* Mark Bowlin,2009-11-06 Two very different cousins head to Italy to fight in World War II in this absorbing novel a winner of the Military Writers Society of America Gold Medal The first novel in the Texas Gun Club series this is the story of two cousins and their journey from south Texas to the distant shores of wartime Italy Sam Taft is a rancher fiercely devoted to his wife Margaret and intent on surviving the war and returning to Texas Each skirmish every battle is one step closer to home His cousin Perkin Berger was a student of history at the University of Texas and is eager for adventure The impulsive Berger finds the war a lark a grand journey until the harrowing realities of warfare begin to set in Set against the backdrop of the battle of Salerno The Texas Gun Club is meticulously researched and faithful to the saga of the soldiers from Texas in 1943 Italy written with rich authenticity by a retired naval officer **Notes on the Republic of Texas Navy, Marine Corps, Coast Guards, and Their Vessels** S. A. Thompson,2021-03-15 Most Texans don't know that the Texas Revolution began and ended with naval battles They don't know that though small the Texas Navy was the most advanced in the world in 1839 Many also don't know that Texas had a first rate uniformed Navy Marine Corp and Coast guards This book will enlighten both the average Texan wanting to know more about an important part of Texas history and many who have read other books on the subject It also delineates the intense dislike Sam Houston had for the Texas Navy and especially its Commodore Edwin Ward Moore whom he saw as a rival for attention Originally intended to be notes for a historic novel the author soon realized they were more valuable as both a data source for researchers and also an exciting true narrative of the exploits of the Texas Navy As such it is written and arranged for two distinct audiences the lay reader and the researcher It corrects some of the errors and discrepancies between other books and presents new data from primary sources in the Zavala Museum behind the Capitol Building in Austin **The Flow of Precursor Chemicals and Assault Weapons from the United States Into the Andean Nations** United States. Congress. House. Select Committee on Narcotics Abuse and Control,1990 God Save Texas Lawrence Wright,2019-03-05 NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST The Pulitzer Prize winning author of *The Looming Tower* and a Texas native takes us on a journey through the most controversial state in America Beautifully written Essential reading for anyone who wants to understand how one state changed the trajectory of the country NPR The inspiration for the HBO Original documentary trilogy *God Save Texas* streaming on Max Texas is a red state but the cities are blue and among the most diverse in the nation Oil is still king but Texas now leads California in technology exports Low taxes

and minimal regulation have produced extraordinary growth but also striking income disparities Texas looks a lot like the America that Donald Trump wants to create Bringing together the historical and the contemporary the political and the personal Texas native Lawrence Wright gives us a colorful wide ranging portrait of a state that not only reflects our country as it is but as it may become and shows how the battle for Texas s soul encompasses us all [Lonely Planet Texas](#) Lonely Planet,Amy C Balfour,Ryan Ver Berkmoes,Stephen Lioy,2018-02-01 Lonely Planet Texas is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Rock out get the blues or chill to country classics in live music capital Austin or appreciate just how big Texas is on a hike at Big Bend National Park all with your trusted travel companion Get to the heart of Texas and begin your journey now Inside Lonely Planet s Texas Travel Guide Color maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history music lifestyle culture football landscapes wildlife Texas BBQ cuisine Over 42 color maps Covers Austin San Antonio Hill Country Dallas Panhandle Plains Houston East Texas Gulf Coast South Texas Big Bend National Park West Texas and more eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations websites Zoom in maps and images Inbuilt dictionary for quick referencing The Perfect Choice Lonely Planet Texas our most comprehensive guide to Texas is perfect for both exploring top sights and taking roads less traveled Looking for more extensive coverage Check out Lonely Planet s Southwest USA guide for a comprehensive look at all the region has to offer About Lonely Planet Lonely Planet is a leading travel media company and the world s number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveller since 1973 Over the past four decades we ve printed over 145 million guidebooks and phrasebooks for 120 languages and grown a dedicated passionate global community of travellers You ll also find our content online and in mobile apps video 14 languages 12 international magazines armchair and lifestyle books ebooks and more enabling you to explore every day Lonely Planet enables the curious to experience the world fully and to truly get to the heart of the places they find themselves near or far from home TripAdvisor Travelers Choice Awards 2012 2013 2014 2015 and 2016 winner in Favorite Travel Guide category Lonely Planet guides are quite simply like no other New York Times Lonely Planet It s on everyone s bookshelves it s in every traveller s hands It s on mobile phones It s on the Internet It s everywhere and it s telling entire generations of people how to travel the world Fairfax Media Australia Important Notice The digital edition of this book may

not contain all of the images found in the physical edition *Lone Star Politics* Ken Collier, Steven Galatas, Julie Harrelson-Stephens, 2023-05-09 Explore the rich political tradition of Texas with the Eighth Edition of *Lone Star Politics* Utilizing a comparative approach the authors set Texas in context with other states constitutions policymaking electoral practices and institutions as they delve into the evolution of its politics **Texas Pistoleers** G.R. Williamson, 2010-08-31 The Vaudeville Theater Ambush of 1884 went down in history as one of the most famous gunfights in San Antonio but the killing that night of Ben Thompson and John King Fisher two of the most notorious pistoleers of the day became something of a mystery The two men entered the theatre just before midnight on March 11 and less than an hour later both lay dead shot down in what for all accounts was a true massacre The responsible gunmen never were prosecuted for their crimes and Thompson and Fisher a mere mention of either man's name was enough to put the fear of death in any opponent have been widely ignored since Now historian G R Williamson brings to light the mystery and the myths surrounding these men and their infamous deaths in *Texas Pistoleers* **Lone Star Politics, 3rd Edition** Ken Collier, Kenneth E. Collier, Steven Galatas, Julie Harrelson-Stephens, 2013-02 *Lone Star Politics* delves into the state's rich political tradition by exploring how myth often clashes with the reality of everyday governance Explaining who gets what and how within the state this Nacogdoches author team provides an engaging narrative on the evolution of Texas politics utilizing the comparative method to set Texas in context with other states constitutions policymaking electoral practices and institutions Responding to user demand Ken Collier Steven Galatas and Julie Harrelson Stephens have split or added chapters to provide more in depth coverage of much desired topics including the legislature and legislative process the governor and bureaucracy parties and organized interests as well as fiscal criminal justice and social policy In addition new chapter objectives and critical thinking questions reinforce learning and encourage analysis Beyond more depth and breadth the new third edition now features a full color design *Lone Star Politics* delivers well crafted and colorful content without breaking the bank **Texas Ranger** John Boessenecker, 2016-04-26 The New York Times bestseller Frank Hamer last of the old breed of Texas Rangers has not fared well in history or popular culture John Boessenecker now restores this incredible Ranger to his proper place alongside such fabled lawmen as Wyatt Earp and Eliot Ness Here is a grand adventure story told with grace and authority by a master historian of American law enforcement Frank Hamer can rest easy as readers will finally learn the truth behind his amazing career spanning the end of the Wild West through the bloody days of the gangsters Paul Andrew Hutton author of *The Apache Wars* To most Americans Frank Hamer is known only as the villain of the 1967 film *Bonnie and Clyde* Now in *Texas Ranger* historian John Boessenecker sets out to restore Hamer's good name and prove that he was in fact a classic American hero From the horseback days of the Old West through the gangster days of the 1930s Hamer stood on the front lines of some of the most important and exciting periods in American history He participated in the Bandit War of 1915 survived the climactic gunfight in the last blood feud of the Old West battled the Mexican Revolution's spillover across the border

protected African Americans from lynch mobs and the Ku Klux Klan and ran down gangsters bootleggers and Communists
When at last his career came to an end it was only when he ran up against another legendary Texan Lyndon B Johnson
Written by one of the most acclaimed historians of the Old West Texas Ranger is the first biography to tell the full story of
this near mythic lawman
