The Texas Criminal Reports Texas. Court of Criminal Appeals,1913 **Texas People's Court** Mark Dunn,2022-03-01 From 1983 to 1987 author Mark Dunn worked as a court clerk for a justice of the peace in Travis County Texas where he says I learned more about human nature than I could have learned in any other job I might have taken up as a bushy tailed

kid from Tennessee Based on interviews with 200 justices of the peace from all parts of Texas Texas People s Court promises to take readers on a tour of what it means to be a Texas justice of the peace an experience that is by turns hilarious sobering heart wrenching and from one end to the other fascinating Here in the Texas justice court wrongs can be righted and lives changed in profound ways A priceless family necklace might finally be restored to the rightful owner an occupational driver s license fortuitously granted A death inquest may become an opportunity for family reflection and valediction with the attending judge as sympathetic witness In each of its chapters Texas People s Court takes up a different aspect duty or area of thought related to the profession of justice of the peace taken from conversations with JPs throughout the state of Texas from those who serve in its most populous municipalities to rural county JPs putting a human face on the responsibilities attitudes and perspectives that motivate their judgments The result is a thoroughly entertaining sympathetic view of what Dunn calls the day to day observation of human conflict in microcosm Texas Wills and Estates: Cases and Materials Gerry W. Beyer,2015-01-13 This book is designed for law school courses covering intestate succession and wills The cases problems and questions are drawn extensively from Texas materials and attempt to provide the student with a comprehensive understanding of how property transmission at death is handled in Texas How to Form a Corporation in Texas Karen Ann Rolcik,Mark Warda,2004 Protect yourself and make the most of your business venture without the expense and delay of hiring a lawyer by incorporating your business on your own How to Form a Corporation in Texas contains everything you need to legally incorporate in the state of Texas This book helps make incorporating your business a simple process that will not drain your vital time and capital **The Publishers Weekly** ,1907 **Cymerman Bros inc, Against Payne Homes Inc** , *The Texas criminal reports* ,1921 **The Chief Executive In Texas** Fred Gantt,2014-08-19 A Texas governor has only two happy days the day he is inaugurated and the day he retires So spoke Joseph D Sayers at the beginning of the twentieth century Now in an analysis of the Texas governorship by Fred Gantt Jr the reader learns why Governor Sayers remark remains true many years after it was uttered the office has come to be so demanding that the reader may ask why anyone would want it Price Daniel described a typical day The governor s job is a night and day job I usually get up in the morning about seven and start answering the telephone and then look over the mail that has come in late the day before I sign mail before going over to the office and then have interviews most of the day In the evening at the Mansion I take calls and messages until late in the night The Chief Executive in Texas is much more than a book full of interesting facts It is a discerning political commentary built on a broad historical foundation that places events and persons in a perspective perhaps not previously considered by the reader The office of chief executive in other states also is explored as well as the decline and rise of executive power as it has been limited in various constitutions in Texas and as it has developed through custom The account of the governor s relationship with the Legislature is historically valuable Especially interesting to many readers will be the discussions of the political roles of individual Texas governors whose ranks include Ma and Pa Ferguson

and Pappy O Daniel These studies are personally revealing and they attest that politics in Texas apparently can never be dull
