**College Music Curricula for a New Century** Robin D. Moore, 2017-04-03 Critiques and calls for reform have existed for decades within music education but few publications have offered concrete suggestions as to how things might be done differently Motivated by a desire to do just that College Music Curricula for a New Century considers what a more inclusive dynamic and socially engaged curriculum of musical study might look like in universities Editor Robin Moore creates a dialogue among faculty administrators and students about what the future of college music instruction should be and how teachers institutions and organizations can transition to new paradigms Including contributions from leading figures in ethnomusicology music education theory composition professional performance and administration College Music Curricula for a New Century addresses college level curriculum reform focusing primarily on performance and music education degrees and offer ideas and examples for a more inclusive dynamic and socially engaged curriculum of applied musical study This book will appeal to thoughtful faculty looking for direction on how to enact reform to graduate students with investment in shaping future music curricula and to administrators who know change is on the horizon and seek wisdom and practical advice for implementing change College Music Curricula for a New Century reaches far beyond any musical subdiscipline and addresses issues pertinent to all areas of music study

**Sustainable Futures for Music Cultures** Huib Schippers, Catherine Grant, 2016-10-03 The sustainability of music and other intangible expressions of culture has been high on the agenda of scholars governments and NGOs in recent years However there is a striking lack of systematic research into what exactly affects sustainability across music cultures By analyzing case studies of nine highly diverse music cultures against a single framework that identifies key factors in music sustainability Sustainable Futures for Music Cultures offers an understanding of both the challenges and the dynamics of music sustainability in the contemporary global environment and breathes new life into the previously discredited realm of comparative musicology from an emphatically non Eurocentric perspective
