*Lawmen of the Old West* Del Cain,2001 The lawmen in this book were serious offenders against the laws they had at one time sworn to uphold Their skills were honed in range wars and family feuds and polished along the cattle trails in the saloons and banks and on the trains of the West More than one kicked out their lives at the end of ropes strung up by citizens who were outraged by their abuse of the trust that went along with the badge they wore These are their stories *The*
