Texas High Sheriffs

Bob Alexander

Texas High Sheriffs:

Texas High Sheriffs Thad Sitton, 1988 **The Texas Sheriff** Thad Sitton, 2006-01-20 The Texas Sheriff takes a fresh colorful and insightful look at Texas law enforcement during the decades before 1960 In the first half of the twentieth century rural Texas was a strange often violent and complicated place Nineteenth century lifestyles persisted blood relationships made a difference and racial apartheid was still rigidly enforced Citizens expected their county sheriff to uphold local customs as well as state laws He had to help constituents with their personal problems which often had little or nothing to do with law enforcement The rural sheriff served as his county's Mr Fixit its resident good old boy and the lord of an intricate rural society Basing his interpretations on primary sources and extensive interviews Thad Sitton explores the dual nature of Texas sheriffs demonstrating their far reaching power both to do good and to abuse the law **Inside the Texas Chicken Ranch: The Definitive Account of the Best Little Whorehouse** Jayme Lynn Blaschke, 2023-06-26 Thanks to the classic Dolly Parton film The Best Little Whorehouse in Texas and ZZ Top's ode La Grange many people think they know the story of the infamous Chicken Ranch The reality is more complex lying somewhere between heartbreaking and absurd For more than a century dirt farmers and big cigar politicians alike rubbed shoulders at the Chicken Ranch operated openly under the sheriff's watchful eye Madam Edna Milton and her girls ran a tight discreet ship that the God fearing people of La Grange tolerated if not outright embraced That is until a secret conspiracy enlisted an opportunistic reporter to bring it all crashing down on primetime television Through exclusive interviews with Milton former government officials and reporters Jayme Lynn Blaschke delivers a fascinating revelatory view of the Ranch that illuminates the truth and lies that surround this iconic brothel **Tall Walls and High Fences** Bob Alexander, Richard K. Alford, 2020-10-15 Texas has one of the world's largest prison systems in operation for more than 170 years and currently employing more than 28 000 people Hundreds of thousands of people have been involved in the prison business in Texas inmates correctional officers public officials private industry representatives and volunteers have all entered the secure facilities and experienced a different world Previous books on Texas prisons have focused either on records and data of the prisons personal memoirs by both inmates and correctional officers or accounts of prison breaks Tall Walls and High Fences is the first comprehensive history of Texas prisons written by a former law enforcement officer and an officer of the Texas prisons Bob Alexander and Richard K Alford chronicle the significant events and transformation of the Texas prison system from its earliest times to the present day paying special attention to the human side of the story Incarceration policy evolved from isolation to hard labor to rodeo and educational opportunities with reform measures becoming an ever evolving quest The complex job of the correctional officer has evolved as well they must ensure custody and control over the inmate population at all times in order to provide a proper environment conducive to safety and positive change Alexander and Alford focus especially on the men and women who work with diligence and dedication at their jobs inside the walls risking their lives and in too many instances giving their lives in a

peculiar line of duty most would find unpalatable Within these pages are stories of prison breaks bloodhounds chasing escapees and gunfights Inside the walls are deadly confrontations human trafficking rape clandestine consensual trysts and tricks turned against correctional officers Famous people and episodes in Texas prison history receive their due from Texas Rangers apprehending and placing outlaws in prison to the famed gunfighter John Wesley Hardin s time in and out of prison Tall Walls and High Fences covers numerous convict escape attempts and successes including the 1974 prison siege at Huntsville and the 2007 prisoner gunfight and escape at the Wynne Unit Throughout this long history Alexander and Alford pay special tribute to the more than 75 correctional officers lawmen and civilians who lost their lives in the line of duty

The Sheriff's Son Wayne Skarka, Donald "Butch" Campsey, 2013-05-10 Before Crime Scene The Texas Killing Fields on Netflix there was The Sheriff s Son a potential suspect for the League City murders This true story begins on Valentine s Day 1961 14 years old Claudette Carolyn Covey went missing from Hondo Texas On Halloween evening 1961 Claudette s remains were discovered eight miles from town in a field She had been shot twice in the head From the beginning town folks believed that she was murdered by the corrupt sheriff or his 18 year old son whom she was dating Because of the corrupt sheriff s influence no one was ever charged with the murder The story follows the life of the sheriff s son from 1961 to his death in 1998 The son was on the edges of many similar murders of young girls in the Houston and Galveston areas but he was never charged After 1961 the sheriff s son was arrested twice for the rape of 12 year old girls essentially walking away from these charges due to the connections of his father After the deaths of the father and son former wives and step children no longer terrified came forward They tell a horrific story of brutality rape incest and murder at the hands of the son Our novel connects the dots and makes the case that a serial killer went to his grave never charged with his many crimes against young women

Texas Rangers Bob Alexander, Donaly E. Brice, 2017-07-15 Authors Bob Alexander and Donaly E Brice grappled with several issues when deciding how to relate a general history of the Texas Rangers Should emphasis be placed on their frontier defense against Indians or focus more on their role as guardians of the peace and statewide law enforcers What about the tumultuous Mexican Revolution period 1910 1920 And how to deal with myths and legends such as One Riot One Ranger Texas Rangers Lives Legend and Legacy is the authors answer to these questions a one volume history of the Texas Rangers The authors begin with the earliest Rangers in the pre Republic years in 1823 and take the story up through the Republic Mexican War and Civil War Then with the advent of the Frontier Battalion the authors focus in detail on each company A through F relating what was happening within each company concurrently Thereafter Alexander and Brice tell the famous episodes of the Rangers that forged their legend and bring the story up through the twentieth century to the present day in the final chapters Trillin on Texas Calvin Trillin, 2011-03-29 Articles and comic verse about the Lone Star State from the Thurber Prize winner What s not to love Texas Monthly Whether reporting for the New Yorker penning comic verse and political commentary or writing his memoirs Calvin Trillin has bumped into Texas again and again He insists it s

not by design there has simply been a lot going on in Texas Astute readers will note however that Trillin's family immigrated to America through the port of Galveston and after reading this book many will believe the Lone Star State has somehow imprinted itself on his imagination Trillin on Texas gathers some of his best writing on subjects near to his heart politics true crime food and rare books among them that also have a Texas connection Indulging his penchant for making snide and underhanded jokes about respectable public officials he offers his signature sardonic take on the Bush dynasty and their tendency toward fractured syntax a faux but quite believable LBJ speech and wry portraits of assorted Texas county judges small town sheriffs and Houston immigration lawyers He takes us on a pilgrimage to the barbecue joint that Texas Monthly named the best in Texas and describes scouting for books with Larry McMurtry He tells the stories of two teenagers who dug up half a million dollars in an ice chest and of rare book dealer Johnny Jenkins who was found floating in the Colorado River with a bullet wound in the back of his head And he recounts how redneck movie reviewer Joe Bob Briggs fueled a war between Dallas's daily newspapers and pays tribute to two courageous Texas women who spoke truth to power Molly Ivins and Sissy Farenthold Sure to entertain both Texans and non Texans Trillin on Texas proves again that Trillin is one of America's shrewdest and wittiest observers

Freedom Colonies Thad Sitton, James H. Conrad, 2010-01-01 A history of independent African American settlements in Texas during the Jim Crow era featuring historical and contemporary photographs In the decades following the Civil War nearly a quarter of African Americans achieved a remarkable victory they got their own land While other ex slaves and many poor whites became trapped in the exploitative sharecropping system these independence seeking individuals settled on pockets of unclaimed land that had been deemed too poor for farming and turned them into successful family farms In these self sufficient rural communities often known as freedom colonies African Americans created a refuge from the discrimination and violence that routinely limited the opportunities of blacks in the Jim Crow South Freedom Colonies is the first book to tell the story of these independent African American settlements Thad Sitton and James Conrad focus on communities in Texas where blacks achieved a higher percentage of land ownership than in any other state of the Deep South The authors draw on a vast reservoir of ex slave narratives oral histories written memoirs and public records to describe how the freedom colonies formed and to recreate the lifeways of African Americans who made their living by farming or in skilled trades such as milling and blacksmithing They also uncover the forces that led to the decline of the communities from the 1930s onward including economic hard times and the greed of whites who found legal and illegal means of taking black owned land And they visit some of the remaining communities to discover how their independent way of life endures into the twenty first century Thad Sitton and James H Conrad have made an important contribution to African American and southern history with their study of communities fashioned by freedmen in the years after emancipation Journal of American History This study is a thoughtful and important addition to an understanding of rural Texas and the nature of black settlements Journal of Southern History

Graham Barnett James L. Coffey, Russell M.

Drake, John T. Barnett, 2017-05-15 Graham Barnett was killed in Rankin Texas on December 6 1931 His death brought an end to a storied career but not an end to the legends that claimed he was a gunman a hired pistolero on both sides of the border a Texas Ranger known for questionable shootings in Company B under Captain Fox a deputy sheriff a bootlegger and a possible fixer for both law enforcement and outlaw organizations In real life he was a good cowboy who provided for his family the best way he could and who did so by slipping seamlessly between the law enforcement community and the world of illegal liquor traffickers Stories say he killed unnumbered men on the border but he stood trial only twice and was acquitted both times Barnett lived in the twentieth century but carried with him many of the attitudes of old frontier Texas Among those beliefs was that if there were problems a man dealt with them directly and forcefully with a gun His penchant to settle a score with gunplay brought him into confrontation with Sheriff W C Fowler a former friend who shot Barnett with the latter's own submachine gun on loan One contemporary summed it up best Officers in West Texas got the best sleep they had had in twenty years that Sunday night after Fowler killed Graham

Bad Company and Burnt Powder

Bob Alexander, 2014-07-15 Bad Company and Burnt Powder is a collection of twelve stories of when things turned Western in the nineteenth century Southwest Each chapter deals with a different character or episode in the Wild West involving various lawmen Texas Rangers outlaws feudists vigilantes lawyers and judges Covered herein are the stories of Cal Aten John Hittson the Millican boys Gid Taylor and Jim and Tom Murphy Alf Rushing Bob Meldrum and Noah Wilkerson P C Baird Gus Chenoweth Jim Dunaway John Kinney Elbert Hanks and Boyd White and Eddie Aten Within these pages the reader will meet a nineteen year old Texas Ranger figuratively dying to shoot his gun He does get to shoot at people but soon realizes what he thought was a bargain exacted a steep price Another tale is of an old school cowman who shut down illicit traffic in stolen livestock that had existed for years on the Llano Estacado He was tough salty and had no quarter for cow thieves or sympathy for any mealy mouthed politicians He cleaned house maybe not too nicely but unarguably successful he was Then there is the tale of an accomplished and unbeaten fugitive well known and identified for murder of a Texas peace officer But the Texas Rangers couldn't find him County sheriffs wouldn't hold him Slipping away from bounty hunters he hit Owlhoot Trail

The Catalogue of the Phi Delta Theta Fraternity Phi Delta Theta Fraternity, W. J. Maxwell, 1918 *Black Rodeo in the Texas Gulf Coast Region* Demetrius W. Pearson, 2021-05-11 Black Rodeo in the Texas Gulf Coast Region Charcoal in the Ashes provides an in depth sociocultural and historical analysis of the genesis and contemporary state of affairs regarding African American rodeo cowboys in southeast Texas whose ancestors were instrumental in the development of the most celebrated livestock management industry in the world The author painstakingly chronicles the origin of the Texas cattle industry from its Mexican roots to Austin's Colony better known as the George Plantation Ranch where African Americans were intimately involved in the livestock management industry since its inception Although enslaved before during and after the Republic of Texas was established they were early stakeholders in the expansion of the western frontier and an

indispensable source of labor that facilitated the burgeoning cattle industry Yet as the author maintains American history wantonly trivialized marginalized and blatantly omitted their contributions This book sheds light on these early cowboys and their descendants who have participated in America's most prominent prole sport with little to no media exposure The author dubbed them Shadow Riders of the Subterranean Circuit and even though American sports are integrated African American rodeo cowboys may be metaphorically seen as bits of charcoal spread among ashes **New Mexico Historical Review**

Lansing Bartlett Bloom, Paul A. F. Walter, 1994 *Socioeconomic Data Base Report for the Permian Basin*, 1984 John Lee

Johnson in the Valley of the Sun: Along Came Jones Conn Hamlett, 2021-11-23 John Lee Johnson in the Valley of the Sun is part of a series pitting John Lee Johnson the powerfully strong and talented gunman against his nemesis former Brigadier General Frank McGrew a very wealthy steel and railroad magnate Their enmity goes back to the Civil War just recently ended McGrew has hired private assassins has sent waves of gunman He even lured the big Texan into a pit fight with the meanest man alive When Johnson defeated the toughest man in Chihuahua in a wild and exciting slugfest McGrew conceived the plan to entice Johnson to return to Chihuahua Mexico to brace the fastest gunman known on the planet for 100 000 in Mexican gold The location is the Valley of the Sun a desolate place of death Beneath a cruel inexorable sun constantly shining on nauseating yellow sand surrounded by stark mountains that form a horseshoe shape valley lay the ruins of both a Christian mission and a sacrificial Aztec altar from centuries past The hauntingly beautiful Marilla Urmacher once an enemy to John Lee Johnson but now a faithful ally comes to his rescue She sends California's best gunfighter to run interference for the man she secretly loves John Lee Johnson The struggles on the journey and the list of strange characters that John Lee Johnson encounters make this an excellent read It is a classic story of good versus bad The reader may wonder if good will really win in the end This western is different It is not just a melodrama It pits the money and influence of a wealthy man against the strongest and most singular man in Texas Their struggles against each other influences so many other singular individuals that are caught up in this eventual death struggle Texas Constables Allen G. Hatley, 1999 Austin's colony

BOOK JACKET The Lede Calvin Trillin, 2025-02-18 NEW YORK TIMES BESTSELLER A fascinating portrait of journalism and the people who make it told through pieces collected from the incomparable six decade career of bestselling author and longtime New Yorker writer Calvin Trillin The Lede contains profiles that are acknowledged classics of the form and will be studied until A.I. makes hash out of all of us Dwight Garner The New York Times I've been writing about the press almost as long as I've been in the game At some point it occurred to me that disparate pieces from various places in various styles amounted to a picture from multiple angles of what the press has been like over the years since I became a practitioner and an observer Calvin Trillin has reported serious pieces across America for The New Yorker covered the civil rights movement in the South for Time and written comic verse for The Nation But one of his favorite subjects over the years a superb fit for his unique combination of reportage and humor has been his own professional environment the American press In The Lede

Trillin gathers his incisive often hilarious writing on reporting reporters and the media world that is their orbit He writes about a legendary crime reporter in Miami a swashbuckling New York Times reporter and an erudite film critic in Dallas who once a week transformed himself from an appreciator of the French nouvelle vague into a crude connoisseur of movies like Mother Riley Meets the Vampire There are pieces on the House of Lords aspirations of a North American press baron the paucity of gossip columns in Russia the embroilment of a weekly newspaper in a missing person case and the founding of a publication called Beautiful Spot A Magazine of Parking Uniting all of this is Trillin s signature combination of empathy humor and graceful prose The Lede is an unparalleled portrait of one of our fundamental American institutions from a master journalist

Gangs in the Caribbean Randy Seepersad,2013-09-17 The present volume represents the first published book on gangs in the Caribbean The study of criminal gangs is both timely and of the utmost importance to policy and security in the region In many countries across the Caribbean criminal gangs are increasing in number and prominence and official crime data indicate that they are responsible for an increasing proportion of violent crimes The Caribbean region experienced a dramatic increase in murder rates from 14 3 murders per 100 000 inhabitants in 2000 to 28 1 murders per 100 000 inhabitants in 2010 In some of the countries with comparatively high murder rates such as Jamaica and Trinidad and Tobago the proportion of gang related murders has reached alarming levels In the case of Trinidad and Tobago for example for the period 2001 to 2012 29 5% of all murders which occurred were classified as gang related with fully 38% being so classified in 2012 The Caribbean represents a diverse region with very different cultures and security issues Foreign experiences and research on gangs may not generalize to the region nor may foreign policy be entirely relevant The present volume represents an attempt to come to terms with the phenomenon of gangs in the Caribbean and presents a wealth of empirical data as well as an analysis of the varying issues from a number of disciplinary perspectives Much of what is currently known about gangs in the Caribbean is brought together in this volume with the primary aims of understanding the varying issues and examining relevant strategies for dealing with the proliferation of criminal gangs
