Texas Cable Pirtle III,1983 **Guide to America; a Treasury of Information about Its States, Cities, Parks, and Historical Points of Interest** ,1947 **Texas, Its Lore and Its Lure** Caleb III. Pirtle,Donald F. Mitchell,1984 **Secrets of the Dead** Secrets of the Dead,2021-12-31 Ambrose Lincoln is one of the government s prized operatives a trained assassin a man whose past is continually erased by mind control tactic and shock treatments His days have no meaning He no longer fears death As far as he is concerned a man without a memory is a man who s already dead From Germany come rumors of a mad man threatening to rule Europe and maybe the world On the Night of Broken Glass his browns shirts and storm troopers move into Baden Baden and begin their methodical termination of the Jews In America so far away the violence is nothing more than a protest over a Jewish boy who murdered a German diplomat because the Third Reich had removed and maybe killed his family It was simply a case of vandalism that got out of hand No one is concerned and the American government wants to keep it that way No one in Washington wants to go to war with Hitler and President Roosevelt continues to preach neutrality But word is leaked that one Jewish photographer took pictures of the rampage of brutality and murder that night He was killed but his daughter is in hiding with the film Ambrose Lincoln is dispatched to Baden Baden with one charge Find the film and bring it back It will tell the truth It will uncover the lies The photographs will reveal to the world the sadistic threat that exists for everyone if Hitler s mad march isn t stopped His mission is to uncover the deadly secrets that his own government doesn t want him to find secrets that can change history Bad Side of a Wicked Moon Caleb Pirtle III,2021-12-18 BEST OF TEXAS BOOK AWARD WINNER FOR HISTORICAL MYSTERY Love Law and Justice comes to boom town Texas The discovery of oil has broken the stranglehold the Great Depression had on a dying East Texas town Strangers are pouring into Ashland Where there is oil there are jobs as well as con artists thieves scalawags and at least one murderer One stranger drives a hearse But who is he and why is he found hanging from the crown block of an oil derrick The sheriff might solve the mystery It s his job But he s discovered shot to death on his own drilling rig No one in town is above suspicion But who has a deadly motive Eudora Durant is the most beautiful widow in town She s also the richest With the charming con man Doc Bannister at her side she risks everything to bring law and justice to a struggling boom town even if she has to personally keep an innocent man from being sentenced to the electric chair As one reviewer said about book one of the Boomtown saga series Back Side of a Blue Moon This story set in a small town in East Texas in the Great Depression should go down as a classic in American literature Night Side of Dark Caleb Pirtle III,2022-01-04 American operative Ambrose Lincoln has no idea where he is or has been or where he s going He believes he has been to the night side of dark a place of the first death from which no one can return So why does he find himself on the bomb ruined landscape of Poland or has he been exiled to the second death Lincoln only realizes if the man in the shadows has not lied to him that he must find an ancient religious painting that has been missing for centuries The German Gestapo will pay a fortune to buy it or take a

man's life to get it The painting if legend holds true is the German hierarchy's final and only chance to escape the onslaught of the war that is crumbling around their feet **Conspiracy of Lies** Caleb Pirtle III,2021-12-31 It was the race for the bomb America was at war a long way from home Hitler's war machine was storming across Europe Russia feared the German threat and secretly wanted to become a world power more feared than it already was All three nations knew that whoever split the atom and developed the Atomic Bomb first would rule the world A stealth operation within the U S Government dispatched their man with no memory to Los Alamos where physicists chemists and scholars were frantically trying to build the bomb Ambrose Lincoln was himself a human experiment a man whose mind had been erased by electronic shock treatments because the rogue operation believed he could be more effective if he wasn't shackled by fears and memories of the past It would be his duty to uncover and silence those who were stealing America's most vital secrets and selling them to Russia and Germany If he fails the United States might well lose the war and Lincoln finds himself embedded in a conspiracy of lies where nothing is as it seems to be *Eulogy in Black and White* Caleb Pirtle III,2022-05-20 Death stalks a small town Magnolia Bluff waits With apprehension With dread With terror May twenty third is coming Somebody always dies on May twenty third Why No one knows A killer walks in the shadows The killer is ready to strike again Lost Side of an Orphan's Moon Caleb Pirtle III,2021-12-18 The brilliantly conceived historical mystery will forever change the way you look at those who endured and survived hard times when the discovery of oil breathed hope into communities that were dying from burnt crops and wilted cotton stalks As one reviewer said the award winning Boomtown Saga Combine The Grapes of Wrath and maybe a little Huck Finn and perhaps you will understand the magnitude of this story set in a small town in East Texas in the Great Depression It should go down as a classic in American literature An oil boom has broken the back of the Great Depression A small East Texas town is awash with new names and new faces and no one knows whose eyes belong to the man who carried a lovely fancy dancer from the ballroom of a Sporting House into the darkness of a rainy night and killed her Was it a crime of passion Did she reject him Was it someone from her past Or was he as unfamiliar as the next roustabout or drifter walking the streets A preacher has set up the tent for his traveling Love and Salvation Show on the road beside the courthouse A strange hunchback with a voice of doom casts an uneasy shadow across the town Where did he come from Nobody knows Men are spending their hard earned money with dime a dance girls looking for love a wife or something more sinister Everyone has a secret Whose secret sent the lovely Louise Fontaine to a muddy grave And who is the small boy who stepped off the train with a paper note attached to his coat that said My name is Ollie Porter My daddy is Oliver Porter He works in the oilfields Does anyone know where he is Is the boy connected to the fancy dancer or perhaps the killer Or is he just a waif in search of a home Ashland is a town without law It is threatening to explode from the mass of humanity crowding into the oilfield Is the death of the fancy dancer only the first And can Doc the charming and lovable con man and Eudora the beautiful widow catch a killer before they find out who's the next to die **Place of Skulls** Caleb Pirtle

III,2022-01-05 A man with no known past and no name as been dispatched to the deserts ghost towns and underbelly of drug infested Mexico to uncover a secret that could forever change the scope and teachings of Christianity A DEA agent has written that he possesses the unmistakable and undeniable proof that Christ did indeed return to earth again and walk the land of the Aztecs almost fifteen hundred years after his crucifixion on the cross But has the agent found a relic An artifact A long lost manuscript of the written Word No one knows and the agent dies before he can smuggle the secret out of an empty grave Ambrose Lincoln can t dig past the charred fragments of his memory but he must unravel the legend of Quetzalcoatl the white skinned blue eyed god figure whose sixteenth century ministry death resurrection and mystical promise to return someday to gather up his people closely parallels the Biblical story of the man called Christ Is Quetzalcoatl merely a myth or was he Christ himself Lincoln s quest to find the answers he becomes involved in a rogue CIA plot to invade Mexico and wage an unholy war on drugs financed by operatives working for Hitler s Germany He finds himself pursued by the same mysterious assassin who struck down the DEA agent Does the artifact actually exist Who possesses it now Lincoln battles an unseen and unknown enemy in an effort to survive long enough to discover the truth If he doesn t he knows that death awaits him on the desert sands of a land held sacred for centuries by the mysterious and holy ones *Back Side of Blue Moon*

Caleb Pirtle III,2021-12-18 2018 BEVERLY HILLS AWARD WINNER for Historical Fiction BEST OF TEXAS BOOK AWARDS for Historical Fiction Times are hard along the Sabine River and the little East Texas town of Ashland is crumbling under the weight of the Great Depression Families are broke and hungry For many their last meal may well have been their last meal Families are giving up and leaving town Everyone knows the fate that awaits the scattered farms No one can save Ashland It is as isolated as the back side of a blue moon Into town comes Doc Bannister wearing a straw boater and a white suit He is the miracle man He has a homemade doodlebug machine that he says can find oil and make them all rich Oil he swears lies beneath the blistered farmstead of Eudora Durant She thinks Doc is a flim flam man The sheriff believes he is a con artist Both are convinced that Doc has come to town to swindle every dime he can get before hitting the road again Ashland knows Doc may be crooked but he has brought hope to a town that had no hope Eudora has everything Doc wants She is a beautiful woman who owns cheap land In Ashland she is known as the scarlet woman Whispers say she murdered her husband No one has seen him since the night they heard a shotgun blast on her farm The town wants oil Doc wants Eudora But Eudora is too independent and stubborn to fall for the charms of a silver tongued charlatan She holds the fate of Ashland in her hands Will she let Doc drill Is there really oil lying deep beneath her sunbaked land Can Doc find it Or is he more interested in finding love than oil What happens when a man with a checkered past comes face to face with a woman whose past is as mysterious as his **Lonely Night to Die** Caleb Pirtle III,2021-12-23 It s winter It s cold Roland Sand boards a train to Chicago He awakens on a park bench in town he s never seen before It s hot It s sultry How did he get there He doesn t know Who is the beautiful girl on the bench beside him He doesn t know But she s quite dead and he has no idea who killed her Or why But he

ll find out if it s the last thing he ever does It might well be For Roland Sand it s a journey to a dark mysterious place from which there is no escape It s a noir thriller It s a Short Read It hits you with the impact of a pistol shot The episodic nature of the story keeps the tale taut and dripping with suspense Mr Pirtle is a master storyteller CW Hawes If you want a feeling for Pirtle s writing style imagine a combination of Lee Child and Raymond Chandler imagine mean streets tough guys and lives sold cheaply The author s prose is sparse almost poetic Diogenes Rainy Night to Die Caleb Pirtle III,2021-12-23 The author takes you on a frightening journey to the coast of Ukraine where as one reviewer says I can t say enough about Pirtle s brilliant style of writing and his ability to give readers a no holds barred action thriller A man on the run never knows what will happen next He lives and survives on his instincts and he can t always trust them Roland Sand s missions for intelligence agencies are those no one else wants to tackle The reason is simple Sand is expendable If he doesn t return he won t be missed His name is erased It s as though he never existed Sand is sent to Ukraine to smuggle out a beautiful lounge jazz singer who for years has been smuggling Russian secrets back to MI 6 s home office in Great Britain Her contact in London has been compromised He is found floating in the Thames River Sand must extricate Pauline Bellerose before the Russians trace the stolen secrets back to her and place a noose around her neck He has twenty four hours to find the singer and remove her to safety If she is caught he dies A ship is waiting in the fog off the coast of Odessa Time is running out He must reach the ship at the appointed hour or it will leave without them In the secret world of espionage the window of escape is narrow and closing all the time The midnight storm is the only place to hide The Russians are waiting on the road to the sea Sand can t outrun them He can t outfight them He must outwit them Otherwise he s trapped and it s a rainy night to die

Lovely Night to Die Caleb Pirtle III,2021-12-23 When everything goes bad as it sometimes does we are left with too many roads to take and it s hard to know which one will lead us to safety Such are the choices faced with the man on the run It can be a frightening road to travel As one reviewer said Pirtle s taut punchy prose takes the reader on an eventful journey against apparently unsurmountable odds and choices that have no good outcome until he comes face to face with the hardest choice he has ever had to make Why should she fall in love with a man she defended in court Does she know he s a CIA assassin Does she know he has orders to kill the President Does she know she will die if he fails What else doesn t she know Roland Sand has killed two government operatives sent to execute him He is arrested and represented in court by a beautiful young public defender Eleanor Trent Their eyes connect So do their hearts but both keep their feeling buried deep inside them Eleanor does not know that Sand is an assassin for a rogue intelligence agency that sells its deadly services to foreign nations as well as to its own country He has angered his chief the one eyed Bohemian by refusing to kill an accountant who accidentally saw the details of a top secret mission Sand sees no reason why an innocent man should die The Bohemian s agents kidnap Sand and take him from the Durango Colorado jail He is given one chance to redeem himself He must carry out the assignment to assassinate the President of the United States It is a mission sanctioned from inside the United States

government Eleanor is furious and she is frightened She has lost cases before But never has she lost a client In desperation he calls Navy SEAL Commander John Nickols to help her track down the missing Roland Sand She handled a case for one of Nickols s friends years earlier and he said she could count on him if she ever needed him At Midway Airport Sand awaits the arrival of Air Force One The President comes down the steps and Sand sees Eleanor in the greeting committee He is told Kill the President or we kill the lady He has only a second to make up his mind And Nickols knows if necessary he must kill Sand to save the President
