Texas Women A Pictorial History

Gabriela González

Texas Women A Pictorial History:

Texas Women Ruthe Winegarten, 1986-01-01 **Texas women** Ruthe Winegarten, 1993 **Black Texas Women: 150 Years of Trial and Triumph** Ruthe Winegarten, 2010-07-22 Enriches and complicates African American and women's history by connecting threads of race gender class and region Darlene Clark Hine John A Hannah Professor of History Michigan State University Winner of the Liz Carpenter Award from the Texas State Historical Association Women of all colors have shaped families communities institutions and societies throughout history but only in recent decades have their contributions been widely recognized described and celebrated This book presents the first comprehensive history of Black Texas women a previously neglected group whose 150 years of continued struggle and some successes against the oppression of racism and sexism deserve to be better known and understood Beginning with slave and free women of color during the Texas colonial period and concluding with contemporary women who serve in the Texas legislature and the United States Congress Ruthe Winegarten organizes her history both chronologically and topically Her narrative sparkles with the life stories of individual women and their contributions to the work force education religion the club movement community building politics civil rights and culture The product of extensive archival and oral research and illustrated with over 200 photographs this groundbreaking work will be equally appealing to general readers and to scholars of women's history black history American studies and Texas history Occasionally a book comes along that is monumental in scope overwhelming in amount of research and so powerful in its impact as to be categorized at once as a lasting contribution to our knowledge of humankind *Black Texas Women* is one of those rare books *The Journal of American History* **A Pictorial History of Texas** Homer S. Thrall, 1879 *A Pictorial History of Texas, from the Earliest Visits of European Adventurers, to A.D. 1885* Homer S. Thrall, 1885 **Capitol Women** Nancy Baker Jones, Ruthe Winegarten, 2010-07-22 Along with bar rooms and bordellos there has hardly been a more male focused institution in Texas history than the Texas Legislature Yet the eighty six women who have served there have made a mark on the institution through the legislation they have passed much of which addresses their concerns as citizens who have been inadequately represented by male lawmakers This first complete record of the women of the Texas Legislature places such well known figures as Kay Bailey Hutchison Sissy Farenthold Barbara Jordan Irma Rangel Eddie Bernice Johnson Susan Combs and Judith Zaffirini in the context of their times and among the women and men with whom they served Drawing on years of primary research and interviews Nancy Baker Jones and Ruthe Winegarten offer concise biographies and profiles of all eighty six women who have served or currently hold office in the Texas Legislature The biographies describe the women lawmakers lives campaign strategies and legislative successes and defeats Four introductory essays provide historical and cultural context for the biographies which are arranged chronologically to give a sense of the passage of time of relationships among and between women and of the issues of their eras **Writing the Story of Texas** Patrick L. Cox, Kenneth E. Hendrickson, Jr., 2013-03-01 The history of the Lone Star

state is a narrative dominated by larger than life personalities and often contentious legends presenting interesting challenges for historians Perhaps for this reason Texas has produced a cadre of revered historians who have had a significant impact on the preservation some would argue creation of our state s past An anthology of biographical essays Writing the Story of Texas pays tribute to the scholars who shaped our understanding of Texas s past and ultimately the Texan identity Edited by esteemed historians Patrick Cox and Kenneth Hendrickson this collection includes insightful cross generational examinations of pivotal individuals who interpreted our history On these pages the contributors chart the progression from Eugene C Barker s groundbreaking research to his public confrontations with Texas political leaders and his fellow historians They look at Walter Prescott Webb s fundamental innovative vision as a promoter of the past and Ruthe Winegarten s efforts to shine the spotlight on minorities and women who made history across the state Other essayists explore Llerena Friend delving into an ambitious study of Sam Houston Charles Ramsdell courageously addressing delicate issues such as racism and launching his controversial examination of Reconstruction in Texas Robert Cotner an Ohio born product of the Ivy League bringing a fresh perspective to the field and Robert Maxwell engaged in early work in environmental history

The History of Texas, 2014-01-28 The History of Texas is fully revised and updated in this fifth edition to reflect the latest scholarship in its coverage of Texas history from the pre Columbian era to the present Fully revised to reflect the most recent scholarly findings Offers extensive coverage of twentieth century Texas history Includes an overview of Texas history up to the Election of 2012 Provides online resources for students and instructors including a test bank maps presentation slides and more

Lone Stars of David Hollace Ava Weiner, Kenneth Roseman, 2007 An essay collection of lively written lavishly illustrated and well documented narratives on the history and culture of Texas Jews

The History of Texas Robert A. Calvert, Arnaldo De Leon, Gregg Cantrell, 2020-03-10 The most comprehensive best illustrated survey of the Lone Star State the new updated edition of the classic text The History of Texas offers a sweeping exploration of the Lone Star State covering its history from the pre Columbian period to the era of Spanish control to nineteenth century watershed events through the 1900s and into the new millennium This engaging student friendly textbook looks at how people of diverse politics identity class ethnicity and race shaped the state s past and continue to influence its present Recent knowledge on the political social and cultural history of Texas provides insights on the celebrated figures unsung heroes and ordinary people of the state s past The sixth edition of this classic text has been revised and updated to reflect the latest scholarship in all fields of Texas history among them New Indian History and cultural and gender studies The text offers fresh perspectives on Texas history including discussions of the Progressive Era the Great Depression the Second World War and post war modernization and the state s transition during the 1960s and into the 1980s Revised chapters provide wide ranging coverage of Texas in the late 20th and early 21st centuries including recent statewide and national elections and political debates This textbook Connects events in post World War II Texas to the larger U S historical narrative Offers substantial coverage of events occurring from

1900 to 2018 Uses a chronological approach to divide chapters into easily identifiable eras Includes engaging illustrations maps and tables an appendix and inclusive lists of recommended readings Features online resources for students and instructors including a test bank maps presentation slides and more Effectively organized to better meet the needs of instructors The History of Texas is the ideal resource for undergraduate and graduate courses in Texas history at colleges and universities across both the state and the nation **Southern Stories** Drew Gilpin Faust,1992 Stories were collective as in the case of the antebellum proslavery argument or Confederate discourses about women Sometimes they were personal as in the private writings of figures such as Lizzie Neblett Mary Chesnut Thornton Stringfellow or James Henry Hammond These men and women regularly employed their pens to create coherence and order amid the tangled circumstances of their particular lives and within a context of social prescriptions and expectations **Texas Women** ,1989 Eight contemporary Texas women tell their life stories to seventh grade students in an oral history project **Citizens at Last** Ellen C. Temple,Ruthe Winegarten,Judith N. McArthur,2015-10-30 There is so much to be learned from the documents collected here Where better than in this record to find the inspiration to achieve another high point of women s political history from the foreword by Anne Firor Scott Citizens at Last is an essential resource for anyone interested in the history of the suffrage movement in Texas Richly illustrated and featuring over thirty primary documents it reveals what it took to win the vote

Texas Through Time Walter L. Buenger,Robert A. Calvert,1991 Historical interpretations shape a culture s understanding of itself its challenges its options New conditions within society along with new information and methods available to historians should call forth new interpretations of the past Thus history changes as time passes Yet Texas historians have had trouble discarding old understandings The contributors to this volume of Texas historiography explore this key question Why have historians not subjected the myths of the state to rigorous ongoing examination Why does the macho myth of Anglo Texas still reign This book is the first scholarly attempt to place the intellectual development of Texas history within the framework of current trends in the study of U S history Twelve eminent scholars have contributed evaluations of the historical literature in their respective fields of expertise from Texas Mexican culture and African American roles to agrarianism progressivism and the New Deal from perspectives on women to the urban experience of Sunbelt boom and near bust The cumulative effort describes and analyzes what Texas history is and how it got that way These stimulating critiques challenge the field to produce a new synthesis that moves away from the provincialism that has so often limited the intellectual directions of the state s historians and the actions of its political leaders Redeeming La Raza Gabriela González,2018 The transborder modernization of Mexico and the American Southwest during the late nineteenth and early twentieth centuries transformed the lives of ethnic Mexicans across the political divide While industrialization urbanization technology privatization and wealth concentration benefitted some many more experienced dislocation exploitative work relations and discrimination based on race gender and class The Mexican Revolution brought these issues to the fore within

Mexican society igniting a diaspora to el norte Within the United States similar economic and social power dynamics plagued Tejanos and awaited the war refugees Political activism spearheaded by individuals and organizations such as the Idars Leonor Villegas de Magn n s White Cross the Magonista movement the Munguias Emma Tenayuca and LULAC emerged in the borderlands to address the needs of ethnic Mexicans whose lives were shaped by racism patriarchy and poverty As Gabriela Gonzalez shows in this book economic modernization relied on social hierarchies that were used to justify economic inequities Redeeming la raza was about saving ethnic Mexicans in Texas from a social hierarchy premised on false notions of white supremacy and Mexican inferiority Activists used privileges of class education networks and organizational skills to confront the many injustices that racism bred but they used different strategies Thus the anarcho syndicalist approach of Mag nistas stands in contrast to the social and cultural redemption politics of the Idars who used the press to challenge a Jaime Crow world Also the family promoted the intellectual material and cultural uplift of la raza working to combat negative stereotypes of ethnic Mexicans Similar contrasts can be drawn between the labor activism of Emma Tenayuca and the Munguias whose struggle for rights employed a politics of respectability that encouraged ethnic pride and unity Finally maternal feminist approaches and the politics of citizenship serve as reminders that gendered and nationalist rhetoric and practices foment hierarchies within civil and human rights organizations Redeeming La Raza examines efforts of activists to create a dignified place for ethnic Mexicans in American society by challenging white supremacy and the segregated world it spawned

A Month of Sundays Kent Biffle,1993 In memory of Mary Lou Douse Thrasher given by Mr and Mrs James Reeves

Pictorial History of America's New Possessions Murat Halstead,1898 Pictorial History of Our War with Spain for Cuba's Freedom Trumbull White,1898 **PICTORIAL HISTORY. OF OUR WAR WITH SPAIN FOR CUBA'S FREEDOM** ,1898 **The Pictorial History of the United States** James D. McCabe,1877
