## **The Henhouse:**

**The Fox in the Henhouse** Si Kahn, Elizabeth Minnich, 2005-10-27 Privatization has been on the right wing agenda for years Health care schools Social Security public lands the military prisons all are considered fair game Through stories analysis impassioned argument even song lyrics Si Kahn and Elizabeth Minnich show that corporations are by their very nature unable to fulfill effectively what have traditionally been the responsibilities of government They make a powerful case that the market is not the measure of all things and that a vital public sector is an indispensable component of a healthy democracy

The Henhouse Carol Dean, 2003-01-01 Author Carol Dean relates an adventure that she experienced while growing up on her family's chicken farm in central Maine The Henhouse is the charming instructive tale of a young girl who one day begs her father to let her help him care for the chickens Once inside the big henhouse though young Carol is assaulted by sights sounds and smells and aggressive roosters she had only guessed about before

*Foxes in the Henhouse* Steve Jarding, Dave "Mudcat" Saunders, 2006-04-04 Like a newly discovered treasure map offering a path to buried riches Foxes in the Henhouse is a hard hitting political blueprint for how the Democrats can win again in the South and rural America The authors document the Republicans rise in the South and Midwest expose the hypocrisy that marked their ascent and offer a take no prisoners plan to kick them out The authors know of what they speak Rural strategists Steve Jarding and Dave Mudcat Saunders are famous for securing Democratic victories in places they shouldn't have most notably in Mark Warner's successful run for governor of Virginia a campaign that wasn't afraid to use bluegrass concerts and NASCAR to get the message out When George W Bush swept the South clean in 2004 it was the final insult to Jarding and Saunders two self proclaimed bubbas on a mission to convince their fellow southerners and rural Americans that the GOP's claim of representing values patriotism the sportsmen and fiscal conservatism is a disastrous farce In addition to exposing the lies behind the gradual Republican invasion of the hinterland that began in the 1960s they offer some surprisingly simple strategies for Democrats to capture each of these issues Among other things Jarding and Saunders urge Democrats to Quit turning their noses up at the culture of rural America and talk to people where they live Learn how to count when going after votes Show some passion and retaliate when Republicans assassinate their characters Packed with meticulous and shocking research findings blunt laugh out loud language and merciless assaults on George W Bush Tom DeLay Bill O Reilly and plenty of other right wing charlatans Foxes in the Henhouse is a must read and will be one of the most talked about books of the year and for election cycles to come

**Dear Dad** Laura Best, 2025-09-19 his father's terminal illness and his right to choose MAID It's 2014 and the Ice Bucket Challenge is everywhere You know people posting videos of themselves dumping freezing ice water over their heads to raise money for ALS research It's weird everyone suddenly talking about ALS because Sam's family has been dealing with it ever since his dad Gregory was diagnosed three years ago Now everything has changed His dad a brilliant lawyer stopped working then stopped walking and now he can't even talk His mom quit her job to take care of him And now Sam is quitting the one thing he's amazing at hockey It sucks to have to stop but it's exhausting trying to do normal life things when life is anything but normal Everything is complicated and messy and hard especially the way Gregory has been thinking about things since his diagnosis Death Medical assistance in dying The right for terminally ill people people like Gregory to choose when they go Sam's trying to be supportive he reads all the arguments for legalizing MAID and even goes to a rally But the idea of helping his father die is like a weight pressing down on him and it gets heavier and heavier until something snaps and he does the only thing he can think of Sam bolts He takes a job as a farmhand for a weird old guy way out in the country From here in the middle of the woods it's not clear if Sam will ever find a way back to his family or if he even has a family to go back to How can a fourteen year old possibly wrap his head around something the whole country is fighting about Dear Dad is a brave and hopeful look at a teen boy's struggle with his father's terminal illness disability and death
