**Laughing Death** Vincent Zigas,2012-12-06 It has been a difficult sometimes painful story to tell in its entirety but I have done my best to be accurate both in facts and in dates for I feel that I owe the truth to the many who have become valued acquaintances and sometimes friends All these have constantly requested more news of my Green Dwelling and my discovery of a fatal neurological disease previously unknown to Western medicine This book is for them in lieu of letters that I ought to have written and did not It is also my concern to produce innocent amusement unrestricted by canon or precedent for those who require some relaxation from the fatigue generated by so many parasitic forms of life in this less than perfect world My peers the medical scientists who read this will realize that this book is neither a scientific treatise nor a balance sheet of all the achievements and failures of medical science but a presentation of the major implications of the factors that continually determine our medical ethics including some of the less prizable drawbacks **The Laugh of Death: A Doc Savage**
